## MANAGER'S CORNER FOR JULY, 2016

Jeff Hahn, LCAM, Property Manager

---

• The Park Office consistently receives compliments about the appearance of the Park and as such, I just want to thank everyone who continues to make Serendipity the wonderful community that it is. The most important contributors to the look of the Park are YOU the residents by making certain your home and outside area are kept clean and clear of clutter. You are the reason this is such a great place to live.

• Another major plus about Serendipity is the help that residents give to others in the Park, whether it being watching their homes when someone is out of the area, lending a helping hand to those who may not have the ability to complete certain tasks, or just being a friend when needed.

• On some other topics, the home at lot 58 is and has been used by the Trash and Treasure Committee for many years for storing furniture for February's event, and will continue to be. However, no one is to drop off items at this location without first notifying the Trash and Treasure Committee, and also no items are to be placed there before September at the earliest.

• The painting of the exterior of the West Clubhouse, pump room and Office has been completed, and by the time you receive this, the painting of the exterior of the East Clubhouse will either be completed or well underway.

• Some in-house projects that are in progress or will be soon include the painting of the fence around the clothesline area at the West Clubhouse and repairs of the sidewalks as needed.

• Other projects include work on the East Clubhouse roof in order to prevent any future water damage that may flow into the interior of the clubhouse, and work on some of the water pipes, most notably at the area around Prince Oak and Serendip.

• Also you may by this time note some changes in the front of the Park as Serendipity has been working with the Serendipity Plaza to resolve the issue regarding the large cedar trees in the front. This change should benefit everyone as you are either coming into or exiting your community. Also, three oak trees that are on the Plaza side of the fence but hang over homes at the front of your community are to be removed if they haven't been already.

• Thanks again to all for making Serendipity the place that it is, Have a Safe Fourth and a Great July!

Property Manager

## NANCI DORAU, 321-201-2479

Meet Ken Buck, the computer guy and his wife Sheryl who live year round at Lot # 384. Ken holds the computer classes on Saturdays in Serendipity. These classes started in their home with only 4 participants and moved to the Clubhouse around 2007. Sometimes the classes have 20 people learning more about their PC's and computer programs. Everyone is welcome and as Ken says "It's free, free, free!"

Sheryl and Ken moved from New Jersey to Clearwater in 1995 when he was transferred by Sensidyne Corp. where he was an Engineering Technologist and a Computer Tech. They have lived in Serendipity since 2002.

At this time Ken is an Administration Analyst for Hillsborough County Schools and Sheryl holds a position at Publix. They have been married for 21 years in March and are true soulmates! They have 2 boys, Chris and Ken Jr, 3 grandchildren, Daniel, Victoria and Vanessa. Their 2 granddaughters are pictured here with Ken and Sheryl. Two of the couple's favorite things are movies and cat's!

According to Ken, Sheryl is an ace bookkeeper. Everything is in its place and if you need a receipt from 6 years ago...just ask! She also loves to shop!

Ken who is a disabled Viet Nam Veteran born in Milford, Connecticut has many other attributes. He has directed and acted in Community Theater of which his 2 favorite plays are "We're Not Angels", and "Having a Wonderful Time, Wish You Were Her".

Ken also is a 'Professional Gun Wrangler'! This is a person who supplies firearms and teaches actors how to look, act, and react to firearms in movies and on stage. He has worked on professional movies and has an Antique Military Firearms Collection.

Ken and Sheryl love living in our park. It was 2002 and they had just watched a movie called "Serendipity", starring John Cusack. A few days later they were driving on Hghw. 19 looking for a mobile home to move to when Sheryl saw our sign and got all excited and said "SERENDIPITY!" They pulled into the park and the rest is history! Great to have you both as neighbors!

“Summer's lease hath all too short a date.”

- William Shakespeare, Shakespeare's Sonnets

## HOW TO STAY YOUNG

---

1. Throw out non – essential numbers. This includes age, weight and height. Let the doctors worry about them. That is **WHY** you pay them!
2. Keep only cheerful friends. The grouches pull you down.
3. Keep learning. Learn more about the computer, crafts, gardening, whatever. Never let the brain idle. “An idle mind is the devil’s workshop”. And the devil’s name is Alzheimer’s.
4. Enjoy the simple things.
5. Laugh often, long and loud. Laugh until you gasp for breath.
6. The tears happen. Endure, grieve, and move on. The only person, who is with us our entire life, is ourselves. Be **ALIVE** while you are alive.
7. Surround yourself with what you love, whether it’s family, pets, keepsakes, music, plants, hobbies, whatever. Your home is refuge.
8. Cherish your health: If it is good, preserve it. If it is unstable, improve it. If it is beyond what you can improve, get help.
9. Don’t take guilt trips. Take a trip to the mall, even to the next county; to a foreign country but **NOT** to where the guilt is.
10. Tell the people you love, that you love them at every opportunity!

## Advice from the A-List

---

**C**elebrities aren't necessarily smarter than the rest of us, but their success speaks for itself. Here's what they have to say about achieving success in any endeavor:

- Leonardo DiCaprio, actor: "I've been very lucky to have achieved a lot of the things that I dreamt of achieving as a young man. But at the end of the day—and I truly believe this—it is not about achieving great wealth or success, because they don't bring happiness ultimately. They really don't. What matters is whether or not you've fulfilled the idea of having led an interesting life, whether you've contributed in some way to the world around you."
- Beyoncé, singer: "The reality is, sometimes you lose. And you're never too good to lose, you're never too big to lose, you're never too smart to lose; it happens. And it happens when it needs to happen. And you have to embrace those things."
- Justin Timberlake, singer: "I like being a beginner. I like the moment where I can look at everyone and say, 'I have no idea how to do this. Let's figure it out.'"
- Chris Pine, actor: "Fear runs our lives. It doesn't matter who you are. You have to understand your relationship with fear. Whether you're scared of getting into a relationship or taking the new job or a confrontation—you have to size fear up."
- Ellen DeGeneres, talk show host: "Never follow anyone else's path, unless you're in the woods and lost and you see a path. Then, by all means, follow that path."

## Succeed with kindness—and these kindly tips

---

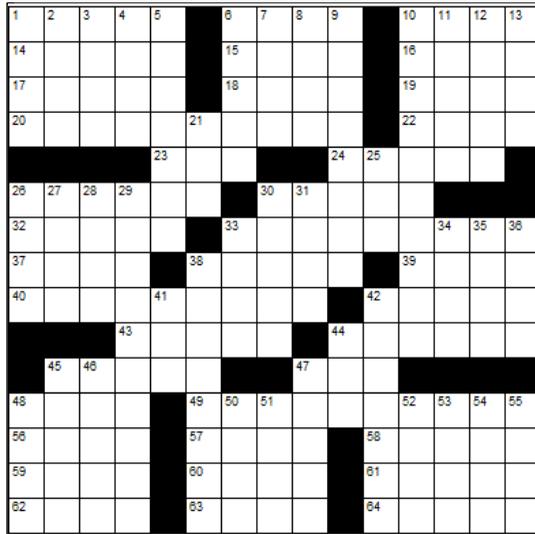

**N**ice people can finish first. The key is knowing how to use kindness to your advantage. Practice these habits until they become second nature:

- First, be kind to yourself. You'll find being nice to others easier if you build your self-respect with positive thoughts about your personality and achievements.
- Treat everyone with respect. Don't worry about who's on top. Treat everyone the way you want to be treated, regardless of their position or job title.
- Say no when necessary. You can't do everything. But when you do say no, be polite and positive.
- Plant seeds of kindness. Do something nice every day even when your kindness may not have an immediate payoff.
- Complete this statement: "If I were a better person I would \_\_\_\_." Then act on it.
