Happy 100th Birthday Martha Heft!

Note from the editor: I had a visit from this lovely lady and her daughter who wished to have her 100th birthday mentioned in the Monthly Media. What follows is an article that Martha wrote to commemorate this milestone in her life. From her lovely personality and healthy outlook on life, I would have never guessed her age! Many more "Miss Martha!"

100th Birthday - 11/8/18
Martha Heft
121 Peacock St
785-3842

I am grateful for another year and praying for more good years. My parents were raised on farms, became high school graduates and took the Ohio State exams in the early 1900's. They both went on to teach in one room, eight grade schools.

My sister and I were born on one of my great grandfathers farms. I always enjoyed farm life and all kinds of hard work.

The early great depression, starting in 1929 was bad for everyone. I often wondered what and where I would be in a few years, because schools only ran for 8 months and had no tax money.

I did graduate from high school in a class of 19 and am the only one left. I learned to sew at an early age and continued through high school, winning first honors at our county fair. I am now sewing quilts for under privileged children.

Bill and I were married for over 70 years and had three daughters. We lived on a small farm and raised all of our food. We were active in our Ohio community, church and schools. As a

...continued on page 6

family, we traveled each year. After Bill's early retirement, we continued to travel to many islands and countries. After Bill's death my favorite trip was with our church group to Israel.

My husband Bill and I bought our home in Serendipity forty years ago and I am still enjoying it.

I still travel with each of my daughters on various trips to see the family. Quilting, church activities, and Bingo keeps me busy and I am grateful for every day.

Medicare has very strict rules prohibiting the enrollment into most products via door-to-door sales. Still many seniors are experiencing unsolicited calls and visitors. Making a decision about your health coverage is important and should be done every year, but not by someone who shows up on your doorstep or is cold calling you. At Best Plan Choice, we encourage you to find out how good a full-service health agency can be for you. We work directly with individuals, groups and communities to bring our services to you, at your request.

During the annual enrollment season for Medicare health coverage (Oct 15-Dec 7) we host seminars with free coffee and dessert (see our enclosed insert or call 855-BOOMER65). Throughout the year, we are available to present every available plan, assist you with customer service issues or become your agent if you need one.

Are you debating if you need Medicare Part B? We can show you how to save money on your Part B premium each month. Do you need financial assistance? We can help you apply for Medicaid or extra help for the high pharmacy costs you may have. Is your spouse still working to provide health insurance for you? We may have options which will start their retirement sooner. We will provide a complete needs analysis during a personalized appointment so you can make the best plan choice for you. As always, our services are without charge or cost to you. Call us at Best Plan Choice, where Clients become Friends, and Friends become Clients!

Sunshine Gal

Karen Kleinman, (214) 537-9423, kkleinman2003@yahoo.com

We are happy to announce our new Sunshine Gal, Karen Kleinman, a new resident to the park! There were a couple of ladies who were interested in this volunteer position and we thank you all. There are plenty of volunteer positions in the park, so please help out in other ways.

Warm thoughts like lovely flowers lighten the heart and brighten the hours.

I send “Get Well”, “Thinking of You”, or “Sympathy” cards to residents who are ill or the families of someone who has passed away. Let me know of anyone in these situations.

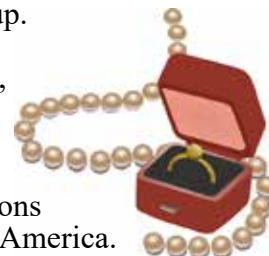

No cards were sent our this month.

Your Sunshine Gal, Karen

Copper bracelet suggests vast ancient trade network

An ancient copper band unearthed with cremated human remains in Georgia suggests that Native Americans may have traded across greater distances than previously was thought, according to the EurekaAlert website. The band, a little wider than a bracelet, came from the Great Lakes region some 1,500 miles away. Scientists were able to determine the band’s origin because copper sources have a unique chemical makeup.

The fact that the Native Americans were cremated is also significant, because cremation was unknown in the Southeast United States during the time period the bracelet dates from—some 3,500 years ago—but was commonly practiced in the Great Lakes region and other northern regions. This suggests that our ancient ancestors may have had connections across large distances, allowing for wide trading networks across North America.

The question is one of judgment. For the distinguishing element of science is not intelligence but judgment. Or perhaps it is simply luck.

VINYL IS FINAL

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"
