From the Editor

Things are slowly getting back to what passes for normal nowadays. Our pool is partially open. Hopefully the clubhouse will be next. Maybe our July issue will have more news. But for now it's still recipes and jokes. Anyone who has something you would like put in please email it to me at auntidi33770@gmail.com

From the Editor

Thank you

A big thank you to Dale and Janice Jones. They have been checking in on one of our sick residents. If you know of anyone else who should be thanked please let me know.

Note from HOA President

I hope everyone is staying safe and healthy. I have just a few things to go over this month. We still need volunteers for Neighborhood watch. Please see Mike At lot 62 or me at lot 37.

With the clubhouse being locked up there is no access to the resident concern forms. I have a few here. If you want one stop by and pick one up at lot 37 fill it out and return it to me I'll make a copy and turn it in.

We are planing a fourth of July party. If the clubhouse is still locked up I'll put notices and sign up sheets on the shuffle bulletin board. It's getting hotter I hope everyone's a/c is working.

Stay safe and healthy.

Joke

One day the first-grade teacher was reading the story of the Three Little Pigs to her class. She came to the part of the story where the first pig was trying to accumulate the building materials for his home.

She read,

“...and so the pig went up to the man with the wheelbarrow full of straw and said, “Pardon me sir, but may I have some of that straw to build my house?”

The teacher paused then asked the class,

“And what do you think that man said?”

One little Johnny raised his hand and said,

“I think he said ‘Holy Sh*t! A talking pig!’”

The teacher was unable to teach for the next 10 minutes.

Joke

Joe Bob and Lucas

Joe Bob and Lucas weren't exactly known in their little home town for being very bright. In fact, after a rather unfortunate incident involving duct tape, plastic forks, ketchup and 14 gallons of shampoo, they were court ordered to stay apart from each other.

So, they texted each other instead...

Week 1:

Joe Bob: "I was thinking about getting some raffle tickets at the gas station. Top prize is a year's worth of gas."

Lucas: "Ok. Put me down for 5 tickets."

Joe Bob: "Ok."

So, Joe Bob bought 10 tickets at a dollar each, and they waited.

Week 2:

Joe Bob: "Hey, I got 3rd place... a year's supply of spaghetti sauce and spaghetti noodles!"

Lucas: "I got 6th place... a toilet brush."

Week 3:

Joe Bob: "I'm really enjoying my spaghetti! I have it every night! How do you like your toilet brush?"

Lucas: "Not so much... I think I'm just going to go back to paper

Joke

An office manager was given the task of hiring an individual to fill a job opening. After sorting through a stack of resumes he found four people who were equally qualified.

He decided to call the four in and ask them one question and their answer would determine who would get the job.

The day came and as the four sat around the conference room table the interviewer asked "What is the fastest thing you know of?" pointing to the man on his right.

The first man replied

"A thought. It pops into your head. There's no forewarning that it's on the way, it's just there. The thought is the fastest thing I know of."

"That's very good!" replied the interviewer. And now you sir?

He asked the second man.

"Hmm... let me see, A blink! It comes and goes and you don't know ever happened. A blink is the fastest thing I know of."

“Excellent!” said the interviewer “The blink of an eye. That’s a very popular cliché for speed.” as he turned to the third man who was contemplating his reply.

“Well, out at my dad’s ranch, you step out of the house and on the wall there’s a light switch, when you flip that switch, way out across the pasture the light at the barn comes on in an instant.” Turning on a light is the fastest thing I can think of.”

The interviewer was very impressed with the third answer and thought he had found his man.

“It’s hard to beat the speed of light,” he said.

Turning to the fourth, who is an elderly man, he posed the question.

“After hearing the three previous answers, it’s obvious to me that the fastest thing is known is diarrhea.”

“WHAT!?” said the interviewer, stunned by the response.

“Oh I can explain.” said the elderly man.

“You see the other day I wasn’t feeling so good and I ran for the bathroom. But, before I could think, blink, or turn on the light, I’d crapped in my pants!”

He got the job.

Lockdown Humor

People are using the word lockdown because they don't know how to spell kwaranteen. Have you noticed that the amount of selfies being posted are down by 68%? I hope all the school teachers realize their students will return to class using old math. I've absorbed so much disinfectants, soap, and antibacterial sanitizing gels recently that whenever I go pee, it cleans the toilet. I'm pretty sure I just heard my fridge say, "What the heck do you want now?!" I'm as bored as an Amish electrician. Ontario has banned groups larger than 5. If you're a family of 6, you're all about to find out who's the least favorite! Health Tip: If you keep a glass of wine in each hand, you can't accidentally touch your face. My house got TP'd last night ... it's now appraised value has doubled! Smoking pot and skipping school had me in trouble constantly. Now weed's legal and school's closed ... kids today are livin' the dream! This is stupid. I just tried to make my own hand sanitizer and it came out as a rum & coke! If you get an email with the subject "Knock Knock," don't open it. It's a Jehovah Witness working from home. After a few days of not going out, I saw someone I knew walking by on the sidewalk outside. I immediately ran to the window and started yelling to them. Now I understand dogs. Day 36 of social isolation at home, and it's like being in Las Vegas. I'm losing money by the minute. Cocktails are acceptable at any hour. Nobody knows what time it is

Joke

We all like to do something that makes us feel good about ourselves on occasion. Sometimes, it may just be getting a new haircut or perhaps putting on some makeup but at other times, we want to do something that is really going to make a big difference. It often goes along with a special occasion, such as our birthday or the holidays. For the woman in this story, the special occasion was her birthday and she decided to give her self an awesome gift. She then couldn't stop bragging about it, but it ended up costing her. A woman decides to have a facelift for her birthday. She spends \$5000 and feels pretty good about the results. On her way home, she stops at a newsstand to buy a newspaper. Before leaving she says to the clerk, "I hope you don't mind my asking, but how old do you think I am?" "About 32," is the reply. "I'm exactly 47," the woman says happily. A little while later she goes into McDonald's and asks the counter girl the very same question. She replies, "I guess about 29." "Nope, I'm 47." Now, she's feeling really good about herself. She stops in a drug store on her way down the

street. She goes up to the counter to get some mints and asks the clerk this burning question. The clerk responds, “Oh, I’d say 30.” Again she proudly responds, “I am 47, but, thank you.”

While waiting for the bus to go home, she asks a senior gentleman the same question. He replies, “Lady, I’m 78 and my eye sight is going. Although, when I was young, there was a sure way to tell how old a woman was. It sounds very forward, but it requires you to let me put my hands on your breasts. Then I can tell you exactly how old you are.”

They wait in silence on the empty street until curiosity gets the best of her. She finally blurts out, “What the heck, go ahead.”

He begins to feel around very slowly and carefully. After a couple of minutes of this, she says, “Okay, okay, how old am I?” He completes one last squeeze, removes his hands, and says, “Madam, you are 47.”

Stunned and amazed, the woman says, “That was incredible, how could you tell?”

The old man replies, “Promise you won’t get mad?” “Promise,” she says.

He replies, “I was behind you in line at McDonald’s.”

Joke

An older lady gets pulled over for speeding...

Older Woman: Is there a problem, Officer?

Officer: Ma’am, you were speeding.

Older Woman: Oh, I see.

Officer: Can I see your license please?

Older Woman: I’d give it to you but I don’t have one.

Officer: Don’t have one?

Older Woman: Lost it, 4 years ago for drunk driving.

Officer: I see.... Can I see your vehicle registration papers please.

Older Woman: I can’t do that.

Officer: Why not?

Older Woman: I stole this car.

Officer: Stole it?

Older Woman: Yes, and I killed and hacked up the owner.

Officer: You what?

Older Woman: His body parts are in plastic bags in the trunk if you want to see.

The Officer looks at the woman and slowly backs away to his car and calls for back up. Within minutes 5 police cars circle the car. A senior officer slowly approaches the car, clasp his half drawn gun.

WHEN TREATING A HEART ATTACK OR STROKE, TIME IS OF THE ESSENCE. EVEN DURING THESE TIMES.

Don't hesitate when it comes to getting emergency treatment.

Even during a pandemic, you still need to be treated immediately if you have an emergency. Debating whether or not to risk going to an emergency room during a heart attack, stroke or other health emergency—waiting even a few extra minutes—could be harmful. That's why in all BayCare hospital emergency rooms, patients who have symptoms of COVID-19 are screened and treated in a separate area. This helps keep emergency room patients and our team members safe. So if it's an emergency, don't wait. **For more information:** [BayCareEmergencyCare.org](https://www.baycare.org/emergency)

Officer 2: Ma'am, could you step out of your vehicle please!

The woman steps out of her vehicle.

Older woman: Is there a problem sir?

Officer 2: One of my officers told me that you have stolen this car and murdered the owner.

Older Woman: Murdered the owner?

Officer 2: Yes, could you open the trunk of your car, please.

The woman opens the trunk, revealing nothing but an empty trunk.

Officer 2: Is this your car, ma'am?

Older Woman: Yes, here are the registration papers. The officer is quite stunned.

Officer 2: One of my officers claims that you do not have a driving license.

The woman digs into her handbag and pulls out a clutch purse and hands it to the officer.

The officer examines the license. He looks quite puzzled.

Officer 2: Thank you ma'am, one of my officers told me you didn't have a license, that you stole this car, and that you murdered and hacked up the owner.

Older Woman: Bet the liar told you I was speeding, too.

Moral: Don't mess with little old ladies

Joke

Friday at 4:45 an old geezer walks into the jewelry store with a hot babe on his arm. The shopkeeper was going to close but figured the guy must be loaded so he'll stay open.

The old man is laying it on thick:

"I want to see a ring that won't look dull compared to my angel's beautiful eyes."

The girl is beaming and excited.

The rings brought out seem to satisfy the girl, but the old man says,

"This looks cheap compared to such an exquisite woman. If this is the best you've got we'll go somewhere with more class."

The shopkeeper tells him to wait a minute.

He comes back with a ROCK.

Huge perfect diamond with little stones around it that would have been large center stones on an ordinary ring.

Very expensive price as you would expect.

The girl is beside herself.

The old man says,

"This will do. I'll write you a check."

The shopkeeper looks uneasy.

The geezer says,

"Don't worry son. You will have to resize it, so you'll have the check and the ring. You can do the resize and Monday when the bank clears the check, I'll pick up the ring."

The man agrees and the geezer leaves with the girl all over him.

Monday arrives and in the afternoon the old man returns to the store alone.

The shopkeeper says,

"You SOB! I called the bank this morning, they said if that check is for more than \$80 it is going to bounce."

The geezer says,

"Oh, I know. I just came to tell you about the GREAT weekend I had."
