## PRESIDENT'S MESSAGE

*Submitted by Bob Doty*

Greetings to everyone! Wow, hard to believe that we'll soon be into October and that also means that all of our Northern Neighbors will soon be returning. We are eagerly awaiting to see them!

The Labor Day Party was well attended and there was plenty to eat. Thank you to CC Doty for organizing this event. Also thanks to Bob Vogel and Walter DellaPenna for assisting with the food.

Great News!! Starting Monday, Oct 3rd Bingo returns to Shangri-La MHP! Ticket sales start at 6:30, Bingo starts at 7:00. Bingo will be on Mondays. If you have any questions, please contact Terri in Lot 80.

I received news that our HOA Vice President Jane Valentine will be leaving the Park, she will be missed. She is always a ray of sunshine! This leaves the HOA Vice President position vacant. In the meantime, I have appointed Serena Libby as interim VP and she has graciously accepted. CC Doty will fill in as Activities chairperson.

The Halloween Party will be upon us before you know it. Hope to see you all there.

As always, God bless and stay safe.

Bob Doty

### BRIGHTEN SOMEONE'S DAY THIS CHRISTMAS

I am looking for volunteers to help deliver teddy bears to elderly residents of nursing homes who have no family coming to see them on Christmas Day. I have people willing to buy the bears (\$1 at Dollar Tree) and a woman is going to make little fleece blankets for them, too. We also have cards we're making with a little poem about it being a comfort bear. I just thought that it would be a nice thing to do for people with no one coming to visit them at Christmas. I will be calling local nursing homes to see how many people they have living there who have no family coming to see them.

I can be reached at 727-559-1550, if you'd like to help. If you don't have time on Christmas, you can also help by purchasing a teddy bear at the Dollar Tree store. Item is Plush Sitting Bear 9" tall. I'm at Lot 136 if you want to drop any off.

Maybe we can brighten someone's day this Christmas.

### **FOODS TO AVOID GIVING YOUR PET**

**A**lthough FiFi and Fido are going to try to convince you otherwise, there are many "people" foods that can cause sickness and even death for cats and dogs.

Alcohol – Alcoholic beverages and any products that contain alcohol should never be given

*..continued on page 10*

to your pet. Alcohol can cause symptoms anywhere from vomiting and diarrhea, to central nervous system depression, coma and even death.

Chocolate, Coffee and Caffeine – As with alcohol, these foods/beverages can cause serious symptoms including tremors, seizures and possibly death.

Coconut and Coconut Oil – You've probably heard the newest diet/health fad is coconut oil. I've read that coconut oil, when given in your pet's food, is great for them. However, according to the ASPCA, when given in higher amounts, coconut oil can cause stomach upset, loose stools and diarrhea. Also, coconut water should never be given to your pet as it contains high amounts of potassium.

Grapes & Raisins – Grapes and raisins can cause kidney failure in dogs.

Nuts – Macadamia nuts can cause weakness, depression, vomiting, tremors and hyperthermia in dogs. are more susceptible than dogs, these vegetables and herbs can cause gastrointestinal irritation and can lead to red blood cell damage. Signs usually appear within 12 hours and can last up to 48 hours. Almonds, pecans and walnuts contain large amounts of fat, so these should also be avoided. A couple of peanuts, or a little peanut butter is okay, just go easy because of the salt in the peanuts. It's also not a good idea to give your pets salty snacks like chips and popcorn. The salt isn't good for you and definitely not good for your pets.

Onions, Garlic & Chives – Although cats

Xylitol – Xylitol is a sweetener which is used in many products, including gum, candy, baked goods and toothpaste. In cats and dogs, it can lead to liver failure.

Yeast Dough – Yeast dough can rise and cause gas to accumulate in your pet's digestive system. This can be painful and can cause the stomach to bloat, and potentially twist, becoming a life threatening emergency.

Also, remember to keep your medications out of reach of your pets. Some medications, including anti-depressants can be very harmful to your pets. If you are going to give your dog an over the counter medication, such as benadryl, melatonin (for anxiety), aspirin, etc., please consult your veterinarian first. Benadryl can be helpful with allergies in dogs, but you need to be very careful with the amount given, and make sure your dog is in excellent health first. Melatonin can be helpful with anxiety, such as thunder and loud noises, but again, check with your vet first to make sure you are giving the correct amount. I really don't like giving any kind of aspirin, even baby aspirin, as it can be very tough on a dog's stomach.

## KNOW YOUR NEIGHBOR

*Vicki and David Dasco, Lot 141*

**V**icki Dasco is from Akron Ohio and likes to celebrate her birthday on November 9th of every year.

Vicki and her husband David moved to Florida from Ohio for the Sun, sea and to escape the snow that Ohio gets a lot of. They originally moved to Melbourne Florida before coming to Shangri-La in Largo from Canton Ohio. Yes, folks, Vicki left the Football Hall of Fame to come to Florida.

Vicki and her husband David met online and found out that they didn't live that far apart from each other in adjoining cities but what really captured Vicki's heart was when David left his job at midnight and drove all the way to Vicki's house to leave her a Ziggy card on her windshield so that it would be there in the morning when she woke up and went to her car. They got married on June 3rd of 2000 and celebrated 16 years together this year.

Before moving to Florida Vicki worked at AMR Ambulance and Akron Children's Hospital up North and MEDSolutions in FL and now she a domestic Goddess and even has a Crown!

Vicki loves to Scrapbook and make cards. She has tons of pictures to scrapbook with and has spent close to 30 years with the Cadet-Ettes Baton & Drum Corps. 5yrs as a marching member and 25yrs as Drum Corps Instructor and they traveled. She has been all through the United States, including Alaska and many trips to Hawaii. She has been to Mexico City and several trips to the Caribbean and even performed at the White House, Disneyland, Disney World, and on the stage at Caesar's Palace in Las Vegas.

Vicki loves sunny Florida and the time she can spend here in the pool. She also plays Trivia at The Sports Shack with her husband and a small group from Shangri-La (Jenny Combs, Serena Libby, Bobbi Christian, and a few assorted neighbors that occasionally come to join us).

Coming to a door near You!!!!

## From our family to your family

Morton Plant Hospital got its start in 1914 when several local women asked railroad magnate Morton F. Plant to fund a hospital. He agreed, if the community would also make a substantial contribution. They took the challenge and the hospital opened in 1916. Throughout the years, the hospital and its physicians served the community, and the community gave back, ensuring that generations of families would be able to count on the compassionate, quality care provided by Morton Plant Hospital.

One of the most noteworthy hospitals in the nation, Morton Plant Hospital was founded because a community cared. And 100 years later, one thing remains the same — our commitment to caring for your family.

*The new Doyle Tower at Morton Plant Hospital, scheduled to be completed in 2017. Another example of how the community gave back.*

- 6 to 7 medium Tomatoes
- 1 Lg clove of Garlic
- 1-1/2 cups water
- Salt and Pepper to taste

### Artichoke Dip

*Submitted by Norma Rowe*

On August 13th, we had another awesome pool party. A lot of people asked for my friend Helen's artichoke dip recipe. Well, I had to twist her arm, but here it is.

- Artichoke Dip
- 1 Can Artichoke Hearts in water
- 1 cup Mayonnaise
- 6 oz Shredded Parmesan Cheese
- garlic powder to taste

Drain artichoke hearts. Mix all ingredients together in a small casserole dish. Bake at 350 degrees for 25 – 30 minutes, until bubbly. Serve with crackers of your choice. Pita chips are great with this dip.

## JOKES

*Submitted by various residents*

A young man went to visit his grandfather at his grandfather's cabin. That evening, he and his grandfather are having a nice dinner when he notices that the plates aren't very clean. There seems to be bits of food stuck to them. He says to his grandfather, "grandpa, these plates don't look very clean." His grandfather replies "they're as clean as cold water will get them." The next morning they're having breakfast when the young man again says, "grandpa these dishes don't look very clean." The grandfather replies in a huff, "they're as clean as cold water will get them." Later that day, the young man is going to head home, but the grandfather's hound dog is laying in the doorway in the kitchen and growls at him whenever he tries to leave. He says "grandpa your dog will not let me through the door." The grandfather yells to the dog, "coldwater, get out of the boy's way!"

A husband and wife who work for the circus go to an adoption agency.

Social workers there raise doubts about their suitability.

The couple produce photos of their 50-foot motor home, which is clean and well maintained and equipped with a beautiful nursery.

The social workers raise further concerns about the education a child would receive while in the couple's care.

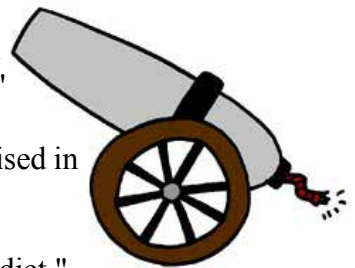

"We've arranged for a full-time tutor who will teach the child all the usual subjects along with French, Mandarin, and computer skills."

Then the social workers express concern about a child being raised in a circus environment.

"Our nanny is a certified expert in pediatric care, welfare, and diet."

The social workers are finally satisfied. They ask, "What age child are you hoping to adopt?"

"It doesn't really matter, as long as the kid fits in the cannon."

## Check medical bills with care

---

**D**ealing with health insurance claims can be frustrating and time-consuming. Multiple bills from different departments for what seems like one medical procedure can baffle even the most organized consumer. The key is to keep track of insurance claims and keep detailed records. Follow this advice:

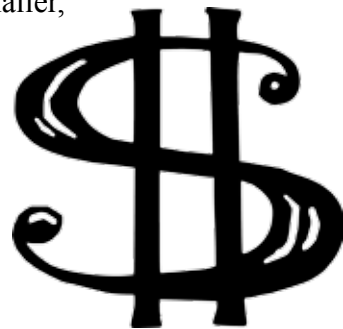

- **Review records.** Verify that the medical provider has the correct billing information. Also, check the identification or group number of your insurance plan on claim forms.
- **Follow up to be sure the claim is being processed.** Contact the provider or insurer after receiving a bill to confirm receipt. Write down the names of everyone you speak to, noting the date of the call and any available confirmation numbers.
- **Verify all the expenses.** Check to see if you are being billed twice. Similarly, verify that the contracted rate between the insurer and the provider is actually what you are being billed for.

## Revamp your finances to save more money

---

**I**f you can figure out how to save just \$125 per month, then set up an automatic savings to a mutual fund that yields an average of 7 percent, in five years you will have almost \$9,000. In 20 years, that amount will have grown to \$65,000! Here are four suggestions for coming up with that \$125 per month:

- **Look at your cable TV bill. Do you need all those channels?** You can roll your bill back by getting rid of premium channels or subscribing to a smaller, cheaper package.
- **Stop picking up magazines from the supermarket or newsstand.** Save yourself some money by reading online or subscribing to your favorite magazine instead. And if you're subscribing to anything you don't read, cancel it.
- **Change your cell service.** Shopping around can get you a better deal that will save you bucks. Just make sure you won't be penalized for breaking a contract early.
- **Call your credit card company.** You may be able to get a lower interest rate just by asking.

## Some challenges spur imagination and success

---

Imagination performs best when it's challenged. Perfect freedom leaves the imagination listless, and whatever is created is lifeless as well. Only when a challenge presents itself does the imagination perk up. How can the problem be solved? What other paths could you follow?

Take for example, American writer Flannery O'Connor. She was stricken with lupus erythematosus in her mid-20s. She spent almost all of her life (she died at age 39) on her family's farm. But as the disease made movement more and more difficult, it also pushed her to sit at her typewriter every day and write. The stories she churned out are full of wild imaginings and a great spirit of hope.

## Just listen

---

A man whose marriage was in trouble sought advice from his minister. The minister heard the man out and then said, "You must learn to listen to your wife."

The man took this advice to heart, but he returned a month later to say the marriage was still unhappy, even though he had learned to listen to every word his wife said.

The minister said with a smile, "Now go home, and listen to every word she *isn't* saying."

## Learn to let go

---

A little boy was playing one day with a very valuable vase. When he put his hand inside it and couldn't draw it back out, he called for his mother. His mother tried gently to slide his hand free, but it remained stuck.

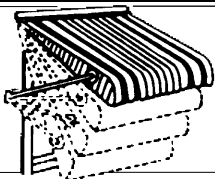

She was ready to break the vase when she said, "OK, let's try one more time. Open your hand and hold your fingers out out straight, and then pull."

"Oh, no, mommy!" the boy cried. "If I do that, I'll drop my penny!"

## Did you know that October is also...

**Italian-American Heritage Month.** The goal of Italian-American Heritage Month is to inform the public about the contributions made by Italians and Italian-Americans, especially in the arts, the humanities, and the sciences, and to celebrate the impact that Italian culture and language have had on the United States.

**National Bullying Prevention Month.** A campaign held during October, uniting communities nationwide to educate about and raise awareness of bullying prevention, National Bullying Prevention Month is recognized in communities across the United States, with hundreds of schools and organizations signing on as partners.

**National Cybersecurity Awareness Month.** The internet touches almost all aspects of everyone's daily life, whether we realize it or not. National Cybersecurity Awareness Month is intended to engage and educate public and private sector partners through events and initiatives with the goal of raising awareness about cybersecurity and increasing the resiliency of the nation in the event of a cyber incident.

**National Walk Your Dog Week, Oct. 1-7.** According to the American Veterinary Medical Association, more than 40 percent of dogs—a total of about 17 million—in the United States are overweight. Walking your dog just 30 minutes a day helps both of you maintain a healthy weight and a good heart.

**Earth Science Week, Oct. 9-16.** This year's Earth Science Week celebrates the theme, "Our Shared Geoheritage"—the collection of natural wonders, landforms, and resources that have formed over eons and come to this generation to manage, use, and conserve effectively.

**Free Speech Week, Oct. 16-22.** A yearly event to raise public awareness of the importance of free speech in our democracy and to celebrate that freedom. Express your right to free speech by posting a message online, composing a poem, writing a letter to the editor, or whatever works best for you.

**National Massage Therapy Awareness Week, Oct. 23-29.** Research suggests that symptoms of stress, anxiety and depression may be ameliorated with massage therapy. Athletes at all stages have also benefited from massage therapy. By combining your exercise routine with a massage therapy treatment, you will be able to train longer and harder and make the most of your workout.

**World Animal Day, Oct. 4.** An international day of action for animal rights and welfare, celebrated annually on the feast day of Francis of Assisi, the patron saint of animals.

**National Chess Day, Oct. 8.** Play a game that sharpens your mind, challenges your intellect, and brings you closer together with other people.

**Columbus Day, Oct. 10.** Observed on the second Monday of October to commemorate Christopher Columbus's arrival on the North American continent on Oct. 12, 1492.

**Ada Lovelace Day, Oct. 18.** Considered one of the world's first female computer programmers, Ada Lovelace helped develop an early predecessor of the modern computer in the 19th century.

**Halloween, Oct. 31.** Trick or treat!
