Macs taking over? Maybe not yet

Are you a Windows person or a Mac user? Conventional wisdom says that Windows computers belong in business environments, while the Mac is favored by educators, creative artists, and the elite. But that may be changing, according to data from VMware and reported on the InformationWeek website.

A survey of more than 370 IT professionals found that 71 percent of organizations support Macs, not exclusively Windows computers. Employee preference is the dominant reason, cited by 73 percent of the survey participants. The next most common reason was the need for applications that run only on Mac's OS X platform, named by 41 percent. The "Bring Your Own Device" movement surge in workplaces is also a major factor.

IT teams aren't necessarily happy about all those Macs, however. Forty percent of respondents said they find Macs more difficult to support. In any event, Macs seem unlikely to outnumber Windows-based computers anytime soon, since such machines still dominate over 90 percent of the market.

PRESIDENT'S MESSAGE

Submitted by Wally Schultz

A message from your freezing president. As things begin to end in the north here (the temp here is 46 degrees) eat your heart out, but it's sunny and clear. We can't help but to think about the trek to our southern wintering grounds, that's why they call us snowbyrds , just like the robins and geese we are all looking forward to the warmth and sun of Florida. We also are looking forward to seeing once again our "southern friends" and the fun and challenges that the park will bring. As I think back at the previous newsletters hopefully this will be a nice relaxing winter where all of us can enjoy each other's company and disregard our differences. Maybe we'll have a new board of directors of the HOA who will continue to strive to uphold the Rules and Regulations of the park that we all have grown to love. Again I wish to thank all of you who have "kept the park going" over the summer I know your hard work is greatly appreciated by all. See you in November.

VICE PRESIDENT'S MESSAGE

Submitted by Gary McKinzie

I would like to say welcome to all the new residents in the park . Welcome to the northerners that are coming back in October. We have had a pretty good summer, and a big thank you to Serena, who has set up all the parties for the year. She does a great job and we do appreciate her. Also, we have our first association meeting the first Tuesday night in November, so please, all residents, attend. Bring your questions and concerns to your elected board. There will be voting on a new board or keeping the old one, so if anyone is interested in running, please sign form or let one of us know. We can definitely use new people and new suggestions. Again, welcome everyone and enjoy the next party which is Halloween. Have a great month and enjoy the pool and the park.

HALLOWEEN RECIPES FOR THE MONTH

Submitted by Janette Martin

Monster Claws with Dipping Sauce

- 4 small boneless skinless chicken breasts (1 lb.), cut lengthwise in half
- 1 pkt. SHAKE 'N BAKE Extra Crispy Seasoned Coating Mix
- 1/4 red pepper, cut into 8 triangular pieces
- 1/4 cup KRAFT Original Barbecue Sauce

Heat oven to 400°F.

Coat chicken with coating mix as directed on package. Place on baking sheet sprayed with cooking spray.

Bake 13 to 15 min. or until chicken is done. Make 1/2-inch slit in thinner end of each chicken strip; insert red pepper triangle in slit for the monster's claw. Serve with barbecue sauce.

Boo Cups

- 2 pkgs. (3.9 oz. each) JELL-O Chocolate Instant Pudding
- 3-1/4 cups cold milk
- 1 tub (8 oz.) COOL WHIP Whipped Topping, thawed, divided
- 20 OREO Cookies, crushed (about 1-3/4 cups), divided
- 30 miniature semi-sweet chocolate chips

Beat pudding mixes and milk in large bowl

with whisk 2 min. Stir in half each of the COOL WHIP and cookie crumbs.

Spoon 1 Tbsp. of the remaining crumbs into each of 15 (6-oz.) plastic cups.

Cover with layers of pudding mixture and remaining crumbs.

Drop remaining COOL WHIP by spoonfuls onto desserts to resemble ghosts. Add chocolate chips for the eyes.

Ghoulish Goulash

- 4 cups uncooked rotini pasta (12 ounces)
- 2 pounds lean ground beef
- 4 cups Green Giant Steamers Niblets frozen corn (from two 12 oz. bags)
- 2 cups water
- 2 small zucchini, sliced (2 cups)
- 2 jars (15 1/2 ounces each) extra-thick-and-chunky sloppy joe sauce

Cook and drain pasta as directed on package.

While pasta is cooking, cook beef in Dutch oven over medium-high heat 8 to 10 minutes, stirring occasionally, until brown; drain. Stir in pasta and remaining ingredients.

Heat to boiling; reduce heat to medium.

Cover and simmer 5 to 10 minutes, stirring occasionally, until zucchini is crisp-tender.

Summer practice continues every Tuesday and Thursday; however, Thursday practice has been moved to 10 AM so as not to interfere with Bingo.

BINGO

Submitted by Gary McKinzie

Bingo has started September 4th. Everyone is welcome. Card sales begin at 6 pm until 6:45 pm, so come and enjoy the night. We started out with a good crowd. If anyone is interested in helping please contact Gary, lot 91. Also, if anyone wants to bake something, every once in awhile, for bingo, it would be appreciated. This helps maintain the money we spend for bingo supplies and drinks. If anyone has any suggestions please let me know. Again, thank you to all who attend, to all who help with sales, and especially to our new bingo callers.

As Air Force One arrives at Heathrow Airport, President Obama strides out to a warm and dignified reception from the Queen.

They are driven in a 1934 Bentley to the edge of central London where they change to a magnificent 17th century carriage hitched to six white horses.

They continue on towards Buckingham Palace, waving to the thousands of cheering Britons; all is going well.

Suddenly, the right rear horse lets out the most horrendous, earth shat-tering fart ever heard in the British Empire. The smell is so atrocious that both passengers in the carriage must use handkerchiefs over their noses.

The fart shakes the coach, but the two dignitaries of State do their best to ignore the incident.

The Queen politely turns to President Obama and says, "Mr. President, please accept my deepest regrets... I am sure you understand there are some things that even a Queen cannot control."

Obama, always trying to be "Presidential", responded, "Your Majesty, do not give the matter another thought. Until you mentioned it, I thought it was one of the horses."

OLD people have problems that you haven't even considered yet!

An 85-year-old man was requested, by his doctor, for a sperm count, as part of his physical exam. The doctor gave the man a jar and said, "Take this jar home and bring back a semen sample tomorrow."

The next day the 85-year-old man reappeared at the doctor's office and gave him the jar, which was as clean and empty as on the previous day.

The doctor asked what happened and the man explained, "Well, doc, it's like this -- first I tried with my right hand, but nothing. Then I tried with my left hand, but still nothing. Then I asked my wife for help. She tried with her right hand, then with her left, still nothing. She tried with her mouth, first with the teeth in, then with her teeth out, still nothing."

"We even called up Arleen, the lady next door and she tried too, first with both hands, then an armpit, and she even tried squeezin' it between her knees, but still nothing."

The doctor was shocked! "You asked your neighbor?"

The old man replied, "Yep, none of us could get the jar open!"

10 BENEFITS OF GROWING AN HERB GARDEN

By Elissa Rodrigues, Monthly Media Staff Writer

My Grandmother was an excellent gardener. You name it, she could grow it - from gorgeous roses (several varieties) to blueberries, tomatoes, peppers, zucchini, she even had an apple tree! Unfortunately, unlike her, my thumb happens to be more brown than green. This Spring, however, I'm giving it another try. I'm a Realist, so instead of growing an entire salad, I'm starting with an herb garden. Here are 10 benefits that may convince you to do the same!

1. Fresh herbs are always available. This may seem obvious, but you'll be surprised how creative you'll get with everyday vegetables, dips and dishes when you have fresh ingredients at your fingertips.
2. It's good for you. Adding fresh herbs boosts vitamins and nutrients to your diet, and don't forget that gardening is a great calorie-burner with all that digging, bending and stretching. Talk about a double-benefit!
3. Save money. Fresh herbs can be expensive and wasteful when you buy a whole bundle, and only use a few snips for a recipe. Not to mention, stores may not always have the variety you're looking for, and specialty stores mean higher prices.
4. Educational. Growing an herb garden is a learning experience for adults and children, and kids will love to help out! From a new gardening technique to trying out new recipes, you'll be surprised how much you'll learn.
5. No boring dinners. Add a few new herbs to chicken, fish, potatoes, vegetables - or your regular party dip, and it goes from bland to wow, and you can experiment with new combinations nightly.
6. Relieve stress. Tending to or just visiting an herb garden - and breathing in all that aroma - can do wonders for stress levels. So make yourself a cup of (fresh) mint tea, and relax!
7. Share the wealth. Having your own herb garden means you'll have more than enough, so be a good neighbor (and friend), and share your bounty with others! Tie on a recipe to a fresh bunch, or jar your own dried herbs and voila you've got the perfect hostess gift.
8. Exotic variety. There are 30 varieties of basil. Who knew? Your regular grocer only carries the most common sweet basil. Choose your own exotic variety, whether it's dark opal basil, cinnamon basil, anise basil, Italian basil, or globe basil to name a few.
9. Curb appeal. Adding an herb garden can give your landscape real curb appeal - it's lush and well tended-to. If you don't have room for a full herb garden, just add them to shrubs. They blend in beautifully.
10. Good, clean fun. Dirt aside, it'll brighten your day to watch your fresh garden grow, and it may inspire you to branch out to fruits or vegetables. With all those herbs, you know you'll have the salad dressing covered!

NEIGHBORHOOD BLOCK CAPTAINS

Shangri-La Mobile Home Park,
249 Jasper St. N.W., Largo, FL 33770

Neighborhood Watch is an association of neighbors who look out for each other's families and property, alert the police to any suspicious activities or crime in progress and work together to make your community a safer place in which to live.

Block Captains are volunteers whose responsibilities are to relay information to neighbors on their block and serve as liaisons between the neighborhood and the police, also to communicate information about meetings and crime incidents.

| Dale Jones | 23 | | 417-588-9987 |

If you are interested in volunteering to be a Block Captain, please speak to Vince Malorni, Chairperson, at 585-8885. We need your help.

Do you have a bike, tryke or scooter that needs to be registered? Speak to your block captain or to Vince Malorni.

Have you received your car or truck sticker that shows that you are a resident of Shangri-La M.H.P? Has it been applied to the windshield? If you do, it will be easier for us and for you when we have a blockade of the entrance. The sticker on the windshield will get you through with no questions.

When you have visitors staying with you and they are parking their own cars in the Park overnight, you should have a guest card showing that the car is a guest of Lot #? This will be another way to check on strange cars in the park. With your help we can make this park safer and more enjoyable for everyone.
