## CATCHING UP!

By SM

This past November my Editorial duties took a back seat to helping my parents as my Dad started to rapidly lose his spirited battle with leukemia. He peacefully succumbed on January 23 at home (Dunedin) under hospice care. I remain so grateful and blessed to have had a good man as my Dad for almost 64 years. My blessings are multiplied by my Silk Oak family who continue to support and inspire me. Thank you so much. I hope to get back on track soon - between my Johnny Angel and my Dad, it's been an intense 2 years. Now to:

### CHRISTMAS 2015

We continue to prove that Silk Oak knows how to "keep Christmas"! Almost 50 people gathered at the Clubhouse for a great meal and fellowship. As always, Denise Tuttle set the mood with the festive decorations. This year Mark Richichi of #157 gave the weary regulars a gift and manned the kitchen! A generous donation from the Gasparros, our Canadian neighbors in #175, was added to the \$150 donated by ELS which gave further relief from cooking duties! Many thanks to all for making a special day even more special.

A couple of weeks prior to Christmas, secret judges not from Silk Oak passed through our Park for the purpose of choosing the top 3 prizes of the annual Christmas Decoration contest. After compiling their entries, the results are:

- 1st Prize (\$25 gift card) #22 Maurice (Mickey) Casper
- 2nd Prize (\$15 gift card) #4 Tim and Bev Harvewood
- 3rd Prize (\$10 gift card) #157 Mark and Cindy Richichi

Special Mention was bestowed to: #30 Tina Summar and Cowboy, #45 Ella Huguley and #139 Bob and Juanita Sachs

Everyone who decorated is to be commended. Your efforts bring joy and smiles to us all.

### WOMEN'S CLUB BAZAAR

The annual Women's Club Bazaar took place on the cold and rainy Saturday, February 6. Although not quite the monetary success of last year, it was a successful fundraiser - the only one that the Women's Club undertakes. And a huge undertaking it is for several days ahead of the actual event. Pat Calcagno, President of the Women's Club, sends her deep gratitude to all who contributed, worked so hard hauling treasures, setting up, cooking, breaking down and who gave donations and door prizes.

She started a list of names, but couldn't keep it up and tend to her duties also. This writer did note however that Jim Calcagno, Jerry Nahrwold and Jack Keiser served as her personal slaves this year! Denise Tuttle and Sue Callahan very capably served up lunch.

Next year, this annual event will take place the first Saturday in November. That will be 11/5/16 this year. A pre-Christmas event was suggested and everyone agreed. So crafters, take note!

The Women's Club is open to all ideas, so don't hesitate to share them with Pat Calcagno, Bonnie Barden or Jeannie Jewell.

## PLEASE NOTE!

---

There are some changes on the monthly calendar:

The Thursday night Poker has been suspended until further notice.

Also, with much regret, Lorraine Neal has had to suspend her popular twice weekly exercise to music class. We thank Lorraine so very much for filling this much needed void in our activities. Her energy, good humor and creativity are truly inspirational. You will be missed!

An interesting addition to the calendar is the Garden meeting - good luck! Sounds great!

### **DON'T FORGET!**

Sign up at the Club House for the April 3 (Sunday) Gospel and Blue Grass Singers. \$5 donation goes to this family group. It starts at 5 PM

The April 20th Women's Club Luncheon is to benefit the Babycycle Diaper Bank. It will take place at the Clubhouse and the only cost is diapers, baby shampoo, baby lotion or baby soaps. Not all items - you choose! It's a great cause - please join us. It is a 1 PM you need to sign up.

## Rumor has it...True or False?

---

### **• Shelley Mulholland is on the HOA Board? Answer: FALSE**

While Shelley provides many services for our community holding a position on the HOA is not one them. Shelley is the Treasurer for the Planning Committee, she is the editor of the Monthly Media Newsletter, and keeps the monthly calendar for events and activities. Shelley also serves as the coordinator for BINGO nights.

### **• “The Powers that Be “are officers of the Planning Committee? Answer: FALSE**

Maybe we should give this one a name improvement! I always think infrastructure when I hear Planning Committee and after listening more carefully to some of our residents I found out I am not alone in that thinking. Maybe “**Social Planning Committee**” should be the full name and it would then be self-explanatory what this group's purpose is.

### **• Anyone Can Host a Party, Activity or Event! Answer: TRUE**

The More the Merrier – The Planning Committee Members will assist you with the marketing and the planning process of any ideas you wish to put forth.

### **• Renters cannot be members of the Planning Committee. Answer: FALSE**

All residents of the community are welcomed and encouraged to join the Planning Committee in any capacity! We all just want to have fun and enjoy our community!

# CALLING ALL GARDNERS – EXPERIENCED & NEW FIRST THURSDAY OF THE MONTH

by KJ

If you have an interest in gardening we have something for you! Meet your neighbor Carol Brooks who lives in # 70. Carol comes to us from another manufactured home community – the pool and clubhouse drew her to us from Lone Pine. Carol spent her early childhood in the United Kingdom where it was traditional to “Name” your house. She once named one of her homes “Magnolia Cottage” – the home boasted a big beautiful Magnolia Tree. Carol’s home here in Silk Oak will be named “Brookside Cottage”.

Carol & Boyfriend have a daily tradition of meeting over the same crossword puzzle while they enjoy sharing coffee and each other’s knowledge of various crossword clues. Maybe we should try this activity at one of our morning coffee hours!

I had the opportunity to sit outside with Carol where I was surrounded with bright and happy colors and images from painted pots, garden signs, and beach cottage faux finished furniture. Like many of us, Florida is a permanent escape from the dreary, harsh, and frigid winters. After spending her elementary and high school years in Canada, Carol attended and graduated from the University of Miami. Hooked on sunshine by the water Carol lived in Barbados, Key West, and Key Largo. “I love Florida – don’t see myself living anywhere else”.

Have an Interest in Gardening? Doesn’t matter if you have a Green Thumb or Brown Thumb – please join us for a Gardening Social where we can exchange ideas, share plants and seeds, make great gifts, beautify areas throughout the park, create tasteful gardens of our own, and more.

Please join us on Thursday, April 7th at 10:00 am at the Clubhouse! There will be a meetup the 1st Thursday of each month! Carol has a few ideas to get us started but please bring some of your own ideas as well, it’s all about sharing! I am already thinking of a name for my home!

## WALKING ROSCOE & SAMSON

By KJ

I have learned so much about my community just by walking Roscoe & Samson. They have both become very social and insist, and I do mean insist, on visiting many of our neighbors throughout the community. I love them both but I have to admit Roscoe has a different personality. Those of you who have taken the time to get to know him have found out that you really like this little guy. Samson is a lover and greets with lots of kisses, especially the other dogs we encounter. Roscoe takes a long time to warm up to other people and dogs.

Let me share this about Roscoe: he hates to do anything wrong! And because he hates to do anything wrong he is very slow to join in on the fun stuff. Now, he actually enjoys getting out and walking with Dragon, greeting Frankie and Peaches, and is kind and gentle when he says hello to Chico. When he sees Betty on her scooter he greets rather than getting freaked out and when he sees Dirk he actually speaks to him in excitement! Samson has a big crush on Bridgette and always looks and listens for her.

A special thank you goes out to my sister's pups for getting me out there and walking with them, I have gotten to know many of you just a little bit better.

What I learned is that many of us are just like Roscoe as it takes some time to get to know one another!

## April Fool!

---

It's April 1st—the day for practical jokes large and small. If you're looking for inspiration, remember one of the all-time great media hoaxes.

In 1957, the BBC's respected news program Panorama ran a story celebrating a bumper spaghetti crop in Switzerland—thanks to a mild winter and the near elimination of the destructive “spaghetti weevil.” The program included footage of Swiss farm workers pulling strands of spaghetti from trees and laying them in the sun to dry.

Although some viewers caught on—and chastised the BBC for playing fast and loose in a news program—others fell hook, line, and pasta ladle. Many even telephoned the network to ask where they could get their own spaghetti trees.

## Make new friends all through your life

---

Building friendships and creating thriving social circles is a key component of good health throughout your entire life. From Mayo Clinic's HealthQuest newsletter come these suggestions for making new friends no matter how old you are:

- Take your pet for walks. Make conversation with folks who stop to chat.
- Join a hobby group.
- Volunteer in community groups or at a hospital, church, or school.
- Take a course at your local community college.
- Shape up while meeting new people in an exercise class.
- Get active in a social cause or goal.
- Go out to lunch with a work or social acquaintance at least once a month.
- Ask a small favor of a neighbor or co-worker, and do the same for him or her.
- Volunteer to usher at your local community theater.

## Love and money: Pet products are big online

---

**Y**ou can't put a price tag on love, but you can spend a lot of money on those you love—and that includes your pets. The pet care and pet product industry is a yearly \$60.59 billion business, serving almost 80 million households. And like everything else, more and more of that business is online. Forrester Research estimates that online purchases of products for pets hit \$3.7 billion in 2014—6 percent of the total—representing a rise of 76 percent since 2010. Experts expect the online pet case market to grow by 15-20 percent in 2016-2017.

## Lift your glass to these wine stats

---

**D**o you enjoy a glass of wine with dinner? If so, you're not alone. Decanter Magazine estimates that 93 million people drink wine regularly in the U.S., which adds up to 40 percent of all adults. The amount of wine Americans drank last year rose from 2014 by 0.2 percent, but Decanter predicts that by the year 2025, 11 million more people will be wine fans, for a total of 104 million dollars. That's a lot of wine.

## Save your cash when you eat out

---

**E**ating in restaurants can get expensive in a hurry. When you want to get out of the house but you don't want to spend a lot, try these tips to lower your tab:

- **Have a snack first.** Eat something healthy before you head out. Then order a smaller meal or an appetizer instead of a full dinner.
- **Skip the extras.** Don't have cocktails or order dessert. These can add up quickly. Have a glass of wine and your own dessert at home instead.
- **Go out for dessert only.** You can prepare an inexpensive yet romantic meal at home, then go out for ice cream or your favorite dessert afterward.

Creative confidence is about believing in your ability to create change in the world around you.  
—Tom and David Kelley

## The planets: A quick tour of our solar system

---

**T**hink you know a lot about the solar system we live in? The UPI website shares these intriguing facts about Earth's local neighborhood:

- **Mercury.** The planet closest to the sun can reach temperatures of 800 degrees Fahrenheit, but also a chilly low of -279 degrees at night.
- **Venus.** Farther from the sun but hotter than Mercury, Venus's surface has an average temperature of 875 degrees, hot enough to melt lead.
- **Earth.** Our rotation is slowing, but don't panic. The decrease is only about 17 milliseconds per 100 years, so we won't have 25-hour days for 140 million years. 
- **Mars.** Looking for a rock from Mars? You can find them here on Earth. Meteorites from the red planet have been discovered in the Sahara, Antarctica, and other places.
- **Jupiter.** This gas giant has a magnetic field so powerful it draws space debris into its orbit, thus protecting the inner planets.

- **Saturn.** Saturn is famous for its ring, but they aren't unique. Jupiter, Neptune, and Uranus also possess rings, but they're harder to see from Earth.
- **Neptune.** Winds on Neptune can reach a speed of 1,500 miles per hour or more.
- **Uranus.** All planets rotate, but only Uranus does so on its side. Scientists speculate that a collision with another large object may have caused its tilt.
- **Pluto.** The dwarf planet really is small, relatively speaking. With a diameter of just 1,475 miles, Pluto is much smaller than the continental United States.

TO RAISE NEW QUESTIONS, NEW POSSIBILITIES, TO REGARD OLD PROBLEMS FROM A NEW ANGLE, REQUIRES CREATIVE IMAGINATION AND MARKS REAL ADVANCE IN SCIENCE.

## Fast and funny

Looking to get a few quick laughs? Try some of these short zingers:

- Explaining puns to kleptomaniacs is hard because they always take things literally.
- What's the best thing about Switzerland? I don't know, but its flag is a huge plus.
- I told my doctor that I broke my arm in two places. She told me to stop going to those places.
- I asked my friend in North Korea what living there is like. He said he couldn't complain.
- I was wondering why the Frisbee seemed larger the closer it got. Then it hit me.
- Have I told you this déjà vu joke before?
- I didn't know my husband stole things from construction sites, but when I got home all the signs were there.
- They all laughed when I said I wanted to be a comedian. Well, they're not laughing now.

## A bull by the tail

---

An old rancher filed a lawsuit against a railroad company when his prize bull went missing because a train damaged a section of his fence. The rancher only asked to be paid the fair value of the bull.

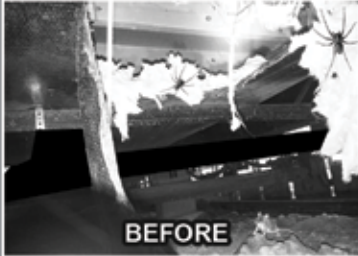

A date for the hearing was set, and the railroad sent a slick lawyer to represent it. Just before the hearing began, the railroad attorney approached the rancher and started to pressure him to settle the case immediately. After a few minutes, the rancher gave in, agreeing to half the money he was asking for.

After signing the settlement papers and handing over the check, the lawyer said, "You know, I have to admit, you would have won this case. The engineer was asleep and the train was going too fast when it passed your farm."

The old rancher shrugged. "I was a little worried myself. The darned bull came back this morning."
