## TMHA MESSAGE:

*Submitted by Ben Cortez, TMHA President*

Greetings, welcome back to our northern friends. There was an article in the Largo Leader Newspaper that says that Mobile home parks are a breeding ground for code violations, unlicensed contractors and unsafe practices. Mobile homes are considered vehicles in the state of Florida, which means that the Florida Building Code that are used for standards of living really don't come into effect. They are vehicles and because of that, we are limited in what we can do sometimes within the structure.

Therefore, work inside units doesn't need permits, paving the way for unlicensed contractors. We are getting ready to come into the season where we're going to have all kinds of unlicensed, unlawful contractors, and inside the mobile home parks is where they do a lot of business. Please, if you are going to add some upgrades to your mobiles, be aware of who you hire. Make sure they have the proper licenses to perform the work you want done, otherwise you may not have any recourse for a settlement.

The tree trimming should be done. I talked with Linda, one of the owners, she was concerned and apologized because it was taking longer than anticipated. The previous tree service didn't cut the stems properly so her crew had to do double the work. I think they are doing a great job and so do most of the residents.

**URGENT NOTICE!!:** on October 11th I received a call from a resident that there was an individual going house to house trying to sell a TV service in the park saying he was connected with the park and had the parks approval, not so. Neither the owners nor the Board of Directors ever give anyone the right to solicit any kind of service. I was told he was at a residence in

the park. I went there and confronted this salesman and explained who I was and asked why he was in the park. He lied to me and told me he was approved to be in the park. After further questioning he revealed that the company had sent him. I took him to the gate and told him not to come back. Please do not allow anyone in your house if you did not call for them to come.

## FROM THE MAIN OFFICE:

*Submitted by Lori Fliger*

\*\*\***Note:** No trash pick-up on Nov 28 (Thanksgiving)

Teakwood Offices will be closed Nov 28 & 29 to celebrate the holiday

The year has flown by. We have arrived in November. I hope everyone is well and has amazing plans for finishing out 2019.

As I have been doing, I searched back thru the messages, etc. for the past month and noticed something odd, so it has become the topic for this month's "From the Main Office".

How do I report a rules and regulations violation, you might ask? **First these reports must be to the main office (727-584-8684 or tkwdllf@aol.com).** You may put them in writing and mail them or drop them off. In the sales and main offices, we have a form you can pick up, complete and return. If you are unsure if something is a violation, give me a call at the main office and I can let you know on that.

The form has space for your information. I will need your name, address and telephone number. Should there be any questions that I have to complete the notice to the violator, I need a way to contact you. Teakwood Village does not take anonymous reports. We do keep your name out of it unless the issue escalates to our attorneys and then he will need the info to contact you for your eyewitness account.

About a month after reporting, if the violation is still happening, contact the main office and lodge a second report. This way if someone is disregarding the notices, we can escalate the matter. If too much time has elapsed, we have to start from scratch.

Remember all reports to the Main Office.

Holidays and observances: 1st All Saints Day (Dia de Muertos), 2nd Cookie Monster Birthday, 3rd Day Light Savings Time Ends, 28th Thanksgiving Day.

### FROM THE PRESIDENT'S CORNER:

*Submitted by Vicki Monroe*

**H**ello November, how time does fly by. The first thing, I have to thank Kathi Hawkins for putting together another Remembrance Day Service. She does this every year and I've never missed one. Its regarding POWs and MIAs. It is called "The Missing Man Table". I encourage all of you that are here to please attend next year.

I want to let everyone know we will be having a new Activities Board starting January 1, 2020. Yes Kathi Hawkins, Judy Glenn and Sharon Miller are retiring from this position and I thank all of them. They have done a terrific job with getting all of our entertainment. Please give them a round of applause.

Now we have three ladies that have come forward to take over this very time consuming job, bless their hearts. They are Maureen "MoMo" Liebler, Dianna Martin and Toni Topczij. I'm so happy to work with these ladies and I'm sure they will also get some great entertainment. Welcome aboard ladies. Remember they need the Village...

Yesterday afternoon October 6th we had The Icons of Country Music. What a great show. I'm hoping we can get them back again sometime when everyone is here. Remember it always takes a Village to make everything work...Thanks so much.

## TEAKWOOD EAST WELCOME REPORT:

Submitted by Theresa & Gigi

---

Please extend a hearty welcome to these new neighbors:

Gary & Sharon Creed	420 Molokai	Waterloo, IL
Thomas & Beverly McIsaac	433 Molokai	Labrador, CA
Roger Berger & Penny Sue Vanvooren	657 Poinsettia Cincinnati,	HO

For new neighbors who have purchased a home privately, rather than through the Teakwood Sales Office, please give Theresa Hansen (417-576-5036) or Gigi Cordona (407-520-4895) a call. We would very much like to officially welcome you to Teakwood East and provide you with some useful information about the area.

We invite all who have recently moved to Teakwood East to bring your mug or coffee cup and join us at Tuesday Morning Koffee Klatch for coffee, tea and donuts. The cost is \$2. This is a great opportunity to meet your new neighbors, and soon to be friends. Plan on arriving a little early so we can meet you and chit-chat a bit. We have a “Share the Wealth” raffle during coffee, so you might want to bring an extra dollar or two. The Home Owners Association and Social Club business is discussed here, tickets to all our Social Club events are sold at coffee, and we have an occasional guest speaker. So please, give me a call and join us for “Koffee Klatch”... become part of the “Teakwood East Experience”!

## SOCIAL CLUB MEMBERSHIP

---

Membership cards **must be shown** to purchase the lower priced tickets to Teakwood East Social Club events. Membership dues are only \$2 per person yearly (1/1 – 12/31) and are currently on sale at Tuesday Koffee Klatch. Social events, such as dinners, dances, shows and most entertainment, are held throughout the year. The cost of these events is partially defrayed by the intake of Membership Dues. If you do not have a Social Club Membership, you'll be required to pay the Non-member or Guest fee for your ticket. New residents receive their first year of membership free. Renters are asked to purchase their membership and join in the fun & activities. Memberships may be purchased from Vickie Rios. What other club can you join for so little and yet get so much?!?!

## **IT'S NEVER ENOUGH:**

---

**H**ere's a HUGE, GIANT, SPECIAL, THANKS to all who were involved in any way, with "The Icons of Country Music" event on October 6th. There was a lot of work that needed to be done to make it a success – and YOU DID IT! It all came together because people cared! I hope those who attended had a good time! Everyone seemed to have a fun time, enjoying the music & the show... but it didn't happen by itself! From Tom Davis' original idea to the unfolding of tables & chairs, from making ice to making tickets, from driving shuttle carts to directing traffic, from serving soda & candy to emptying big trash buckets, from selling tickets to Share the Wealth, and SO much more! EVERYONE got involved. Now, THAT'S how it's supposed to be done... together. I'll be calling on you & many others again. It never seems like these 2 words are nearly enough. Again, THANK YOU. Kathi Hawkins

## **TIS' THE SEASON TO BE THANKFUL:**

*Note from the Editor*

---

**W**e are very fortunate to live in a community with so many activities available to us. These activities and entertainment events would not be possible without the selfless volunteers who come forward to organize, host, set-up, clean up, sell tickets etc.. There are some who say, "Well it should have been done this way" or "We used to do it such and such a way" and occasionally tempers run high. We all have different ideas and time moves forward with new ideas as well. To quote Ellen DeGeneress: "I think we've forgotten that we are all different. But just because I don't agree with someone on everything doesn't mean I'm not going to be friends with them. When I say be kind to one another, I don't only mean the people that think the same way you do. I mean be kind to everyone." For those who volunteer all of the time many, many thanks. For those who volunteer now and then as their schedule or health permits, your time is very much appreciated. To those who do not volunteer at all but complain about how things are done, the answer is to participate as a volunteer; find out why things are being done a certain way before condemning them; act with kindness as a reasonable adult.

Health insurance decisions can be confusing due to endless coverage changes and many policy types. Fortunately, there is someone who can work diligently to help and without cost to you – Michael Crofts, owner of Best Plan Choice.

Through his own healthcare experience Mr. Crofts learned the value of good health coverage and quality medical care. He dedicates his agency to helping people with Medicare and Medicaid needs. You can visit the office to learn about Medicare plan options or he will come to your home.

Every year your Medicare health plan coverage changes even if you do not change plans. Also, new products are introduced and many offer benefits beyond original Medicare and/or Medicaid plans. Baby Boomers had completely different insurance products during their working years. The indemnity and major medical policies are no longer the only choice and often do not meet the financial needs of consumers today.

Don't waste time trying to figure it out. Michael will sit with you and review all of the documents, and answer all of your questions. Most importantly, he will conduct a needs analysis to determine your individual needs – if you expect a hospitalization, use certain medicines, or want benefit like dental or vision – everything is taken into consideration.

Best Plan Choice is there to help you make the right choice and is available long after the policy is written. This means helping with doctor changes, plan questions, annual review of your benefits, and of course taking great care of any friend or family member you refer. At Best Plan Choice clients become friends, and friends become clients.

The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. ## **GAME DAY:**

*Submitted by Dianna Martin*

---

A few residents have asked Social Club Board members if there are people interested in playing various card or board games such as bridge, backgammon etc. This is to let everyone know that the Aloha Clubhouse is open and available for such games on Wednesdays. We already have a couple of groups taking advantage of the hall, but it is a big space and more than one group can gather at a time. If you would like to start up a group but don't know who might be interested please contact me at [teakwooddgm@gmail.com](mailto:teakwooddgm@gmail.com). I would be happy to have a sign-up sheet available at Tuesday coffee for those interested in your game. Once you contact the people and set a time it will then go into the monthly newsletter and on the Social Club calendar.

## **CAN BINGO:**

Once again Teakwood East will be supporting the RCS Foodbank, which provides food for those less fortunate in our area, by playing "Can Bingo" on the first Tuesday of each month. The first Can Bingo will be on Tuesday evening, November 5th. Please bring a non-perishable food item or \$1 and we will give you a card to play this special game. (multiple items/money is welcome – you will get one card for each item donated) Everything received, including the money, is given to RCS to support the people in our area who need assistance. The East Social Club supports this game and provides the money to support our prize which is valued at approximately \$100.00.

## **MUSIC CIRCLE:**

We meet every Sunday at 1:00 pm at the Aloha Hall beginning November 3rd. Both East and West residents and friends are invited. See you There!

Line dancing is not only fun, but a good way to exercise your mind and body. Don't worry about what month you get back to Teakwood. We will not leave anyone behind. Just come and join the fun. Looking forward to seeing all of you.

## **VETERAN'S DAY OBSERVANCE:**

*Submitted by Kathi Hawkins*

---

**M**onday, November 11, is Veterans Day. Teakwood East will hold an Observance at 11am, in Aloha Hall. This program is **FREE** and there will be light refreshments! We will honor several Teakwood service members... as a tribute to ALL who served. Ben Cortez is overseeing the tributes. If you'd like to bring photos of yourself in uniform or of family members; maybe a memento from a place you served or any form of memorabilia for the Memory Table, we encourage you to do so. Please, place a description of the item, tell us what we are looking at... maybe a date, place, person's name, any info you might want to share. We will be selling Poppies for donations. The proceeds will be used to buy pajamas for the Homeless Women Vets from Bay Pines. Regarding the "Comfort Items Box" in the back of Aloha Hall. Please drop off toiletries & items for the homeless women vets. The items will be delivered to the Shelter @ Bay Pines Domiciliary (dormitory). Also, we'll be collecting plastic grocery bags for mats for the homeless – that box is also in back of Aloha Hall.

Keep watching the Bulletin Boards & newsletter, too. Search: *TEAKWOOD VILLAGE EAST* is on Facebook. Check it out! It's a place to confirm Social Club activities... check out changes, cancellations, notifications, additions etc. you can leave a message, too.

Girls, wear your poodle skirt & saddle shoes, or mini skirt or long peasant dress. Put a flower in your hair! Got any Go-Go boots? Remember those colorful psychedelic clothes worn in the late 60's? Wear that 60's fringed jacket, bell bottom jeans, beads, sunglasses, a poncho, surfer jams. Wear whatever you are comfortable wearing!

## **THE FANCY DANCE!**

*Submitted by Social Club*

---

**S**ave this date: Friday, December 13 (yes, FRIDAY the 13th). It's the night of our famous Christmas dinner & fancy dance. Banquet Masters will be catering! We are trying out several different caterers during the 2019 - 2020 season. So, please let us know how you like (or don't like) them. We want to give you the best! And following dinner, one of our favorite live bands will be playing! YES!! It's FLASHBACK! You loved them when they played here earlier this year, so we invited them back! There's a reason we call it "The Fancy Dance". You're asked to forgo wearing shorts, flip flops, t-shirts, halter tops & beachwear...and replace those garments with FANCY styles. Fellas, I've seen some really nice Hawaiian shirts, that look great with long pants! Jackets & ties are NOT required here. Ladies, who doesn't like to get dressed up? (well, actually, I don't!). Anyway, a nice sparkly top with long pants or a skirt or how about a holiday dress? We're not asking for mother-of-the-bridal dresses or prom gowns! "Casual dressy" is just fine. After all, you will be dancing after dinner! (don't forget those dancin' shoes!). The dinner starts @ 5pm and music begins @ 7pm. The usual table reservations policy will be in effect again this year. Entire tables (seating 8) may be reserved for the full amount of \$15 for members & \$20 for guests & non-members. Tickets will go on sale November 12th. More in the December issue.

## **STEP AEROBICS PROGRAM IN TEAKWOOD EAST**

## PRESIDENT'S NOVEMBER MESSAGE

*Nancy Orrick*

The time has come for all our friends to come back to the sunshine state. We had a busy summer with a lot of events, now we will get into our winter events. It will be a very busy winter with some new events that have been added. This last Sunday we had an ice cream social, 48 people signed up to come But we ended up with 30, which was still a good crowd. We made banana boats sundaes and ice cream cones. There was every kind of topping for them. As usual, Ruby sang for us and it was beautiful. Mary Lou Sanford chaired it with the help of Natalie Cholewa, they did a great job.

Hope to see everyone in the next few weeks and have a safe trip.

## MEET YOUR NEIGHBOR

**Meet Your Neighbor – Suse Haynes**

---

**S**usanne Haynes is a fairly recent addition to Teakwood having moved here in 2016. Suse was born Susanne Burkard on November 29, 1954 in Buffalo New York. She may have been born in Buffalo but her parents had moved to Colorado and when they found out they were expecting, they moved back home to Buffalo where Suse was born. She is the middle of three siblings. Her older sister was 8 years older and her brother was six years younger. Her sister passed away in 2010 just 5 months before her mother passed. Her brother lives in Elma, New York not far from where Suse lived in Buffalo.

Suse's dad worked for the Bethlehem steel company and on his vacation time he had his own siding and roofing company. So he basically worked all year round. He was a model train enthusiast and was featured in different articles with his trains. Being old school, her dad never went to the doctor and when he became ill at age 72 he passed quickly from cancer.

Being basically a stay at home mom, Suse's mom often worked elections or as a waitress – whatever it took to help out. Her mom passed at the age of 82.

*continued on page 44*

Susanne finished high school and entered nursing school. She finished one year of nursing when she found out she was pregnant, having severe morning sickness made it impossible to work with patients so she left. After having her son she tried going back to school several times. She calls herself a perpetual student. She did get a bachelor's in Human Services, but wasn't interested in going for her Masters which she would have needed to work in that field. She did go back and ended up doing Finance in college. She worked as a financial officer for a technical school and then went to work at a bank as an underwriter. She stayed there until the recession hit and there were massive layoffs. Suse again returned to school and became a certified Medical Assistant. She worked for 9 doctors and enjoyed that work. Unfortunately due to medical issues she was unable to continue and went off on medical disability.

Susanne has two children. Jason was born in 1973 the year she married her husband Ron Haynes. Rachel was born in 1978. Susanne and Ron divorced in 1987.

Jason has two girls aged 17 and 8. Susanne is planning on spending Christmas with them. She states she spends time with them whenever possible. Rachel also has two children, 18 year old RJ and 17 year old Alana. Suse sees Rachel's children frequently as they lived with her off and on. In 2014, Suse decided to try the Snowbird "thing". She bought a place in Japanese Gardens in Clearwater. It was a very busy area and she sold it after two years. She then decided to move from New York to Florida for the beautiful weather year round. She proceeded to drive around the area to check out the different parks. At the beach, someone mentioned Teakwood so she came to check it out. She initially bought a single on Beechwood and as much as she liked her "little" place it was too small. She then bought her current home on Cypress and has spent the past year fixing it up to her standards. Susanne is a hard worker and her pride of ownership is apparent in her home.

Over the years Suse has dabbled in many different hobbies and activities. She was very interested in aromatherapy and made her own soaps etc. and sold them out of a gift shop in Buffalo. She also made and sold jewellery as a hobby. Yoga was always a pastime for her and she still enjoys it as much as physical challenges allow. She volunteered by teaching Yoga to mentally challenged individuals for a time. Suse remains an animal lover and still misses her dog "Fenway". She enjoys reading and walking, spending time at the beach and socializing with friends and neighbors. Susanne has a big heart and has spent most of her life as a caregiver in one capacity or another. She is happy to have been able to care for her family and especially her grandkids who she feels very close to.

Suse is looking forward to spending more time in Florida. Susanne enjoys the diversity of the residents who live in Teakwood as well as what a close knit community it is.

## EDITORS NOTES

*From the Editors Desk November 2019*

---

**W**elcome back Teakwood residents. October through January sees our Snowbirds returning from the northern States and Canada. This is our most challenging time with the newsletter as getting the calendar back up to date can take many changes. Please bear with us.

We have had a lovely Fall season in Ontario and our Canadian Thanksgiving weekend turned out very nice as well. Now we have a few weeks to recover before our next big feed of turkey. Al and I will again be chairing the American Thanksgiving dinner. I will be posting the volunteer lists when we arrive the first week in November. Please note the time on the sign-up sheets and try to adhere to those as closely as possible. This year, Kathryn Granger will not arrive in November as she is awaiting the arrival of her grandchild. Congratulations!

Tickets and seating will be sold after coffee hour in November by volunteers. Hopefully we will be able to live up to Kathryn's standards. Please watch the bulletin board for all information. Teakwood events will be starting fast and furious again with "Welcome Back" on November 17, Thanksgiving Dinner on November 28 and Tree Lighting on December 1. Check the calendar for dates and times of regularly scheduled events and watch the bulletin boards for updates and any needed corrections. Please forward any new information to us at [teakwoodkelly@gmail.com](mailto:teakwoodkelly@gmail.com). Information received by the 10th of the month will be included in the next newsletter.

Personally, we look forward to arriving in Teakwood the first week in November. I am looking forward to working in the pool to get my knee back into shape. I'd like to thank everyone for the well wishes over the past couple of months. The one thing I did learn was that a few tears can be an effective way of helping the surgeon to look favorably on our trip south.

I continue to look for residents interested in being featured in the "Meet Your Neighbor" column. Please feel free to talk to me about this.

We look forward to seeing all the changes that have taken place in Teakwood over the summer. And again we wish to thank Nancy for all her efforts in keeping us up to date on these changes. Hopefully we will see all of you in the near future.

Al and Dawn Kelly

## GIGGLE OF THE MONTH

---

A group of 15 year old boys discussed where they should meet for dinner. It was agreed they would meet at the McDonald's next to Captain Jack's Seafood Grille because they only had six dollars among them, they could ride their bikes there, and Jennie Webster, that cute girl in Social Studies, lives on the same street and they might see her.

---

Ten years later, the group of now 25 year old guys discussed where they should meet for dinner. It was agreed they would meet at Captain Jack's Seafood Grille because the beer was cheap, the bar had free snacks, the house band was good, there was no cover charge and there were lot of cute girls.

---

Ten years later, at 35 years of age, the group once again discussed where they should meet for dinner. It was decided they would meet at Captain Jack's Seafood Grille because the booze was good, it was near their gym and, if they went late enough, there wouldn't be too many whiny little kids.

---

Ten years later, at 45, the group once again discussed where they should meet for dinner. It was agreed they would meet at Captain Jack's Seafood Grille, because the martinis were big and the waitresses wore tight pants.

---

Ten years later, now 55, the group once again discussed where they should meet for dinner. It was agreed they would meet at Captain Jack's Seafood Grille, because the prices were reasonable, they have a nice wine list and fish is good for your cholesterol.

---

Ten years later, at 65 years of age, the group once again discussed where they should meet for dinner. It was agreed they would meet at Captain Jack's Seafood Grille, because the lighting was good and they have an early bird special.

Ten years later, at 75 years of age, the group once again discussed where they should meet for dinner. It was agreed they would meet at Captain Jack's Seafood Grille, because the food was not too spicy and the restaurant was handicapped-accessible.

Ten years later, at 85 years of age, the group once again discussed where they should meet for dinner. It was agreed they would meet at Captain Jack's Seafood Grille because they had never been there before.
