TMHA MESSAGE

Submitted by Ben Cortez, TMHA President

Greetings, I have been asked by members of the board to explain how to handle personal concerns/complaint's In Teakwood Village.

1. The person with the concern must try to settle the concern themselves by talking to the resident or business that they are concerned with.
2. If unable to settle the dispute, the person making the complaint must then write out a complaint form, (these are at the clubhouse) or any director may have one for you. These forms should state the issue, time or date of occurrence and the complainant must either sign his/her name or phone number. This is to be able to contact you once we get an answer from John Houle.
3. If the complainant refuses to do the above, the board will not file the complaint with John Houle. Mr. Houle has instructed us in the past that without a name or phone number he would not address the complaint. Your name will not be associated with the complaint.

Mr. Houle doesn't want the board to come to him with complaints filed by board members unless the board member is directly effected by the issue.

This process has worked well in the past and it stops frivolous complaints.

Now that the restrictions have been lifted from the pool and the clubhouses please continue to practice social distancing and if you are using the exercise equipment please sanitize it before and after you use it.

FROM THE MAIN OFFICE

Submitted by Lori Fliger

I have a couple of things this month and I am just trying to figure out which comes first. Both are very important. Ok we will start with a review of and changes to trash pickup.

1. Household trash/garbage to be picked up Mondays and Thursdays.
2. Lawn trimmings must be bagged or bundled and will be picked up on Thursdays.
3. Furniture is picked up by regular trash pickup on Thursdays.
4. Construction material, such as flooring, toilets, etc., are not picked up by trash service. Please contact main office and have a small dumpster delivered to your home for renovation material disposal. Teakwood only has 2 of these dumpsters so please be patient.
5. Electronics (TVs, computers, etc.), chemicals, paint are no longer being picked up by Teakwood Village. You will need to take the items to Household Electronics and Chemical Collection Center at 2855 109th Ave. N, St Petersburg. They are open Monday – Saturday 7AM to 5PM. You can get a map and directions along with what to take and quantities of items and dates and locations of Mobile Collection Sites at their website <http://www.pinellascounty.org/solidwaste/hec3/default.htm>.
6. And as always, any questions can be directed to the main office 727-584-8684.

As of June 1, the clubhouses reopened and restrictions on numbers lifted at the pools. Please note that Pinellas County is still social distancing, so take heed with the number of people in the pools and pool areas as well as the clubhouses to ensure that there is room for the social distance to keep everyone safe.

Let me apologize. If I miss a holiday or celebration each month it is not intentional. I am human and sometimes will miss some, but I mean no disrespect and I try to find offbeat celebrations to give us all a laugh. So, on that note just a couple that made me smile, Nat'l Deep Fried Clams Day 1st, Gummi Worm Day 15th, and Cheesecake Day 30th. We all know the important ones, so let's look to the weird and wonderful. Happy July!

HELP NEEDED

Submitted by Dianna Martin

Barb Santori, who has been in charge of the monthly Newsletter Distribution Team for the past 6 years, has decided it is time to step down and let another Teakwood East resident take over. The job is fairly simple and only requires a few hours at the end of each month. Newsletters are picked up at my house, broken down into bundles and given to the Street Captains who distribute the newsletters to their assigned street(s). There is no guess work as we have a list of the Street Captains and the number of newsletters they get each month. Please call me at 727-424-9332 or e-mail me at Teakwooddgm@gmail.com to volunteer. We need someone to start at the end of July. As Vickie Monroe often says “It takes a Village”... Please help keep this line of communication to our residents open.

REGARDING FLEAS

Submitted by Kathi Hawkins

NEWS from the Wagon Wheel & Mustang Flea Markets to the public. I thought some of Teakwood's treasure hunters would like to know about this.

"To our beloved vendors and patrons, It is with a heavy heart that we share with you the news that the Wagon Wheel and Mustang Flea Markets will not be reopening. After almost 55 years of continuous business the time has come for us to say farewell. Thank all of you for your patronage and support. This has been the most difficult decision we have ever made as a family. We wish you all the best. It is with tears and fond memories that we say goodbye and thank you."

IT'S TIME TO BE COOL AT THE POOL

Submitted by Susan Kelly

It is that time of year when it gets hot, hot, hot! Everyone wants to stay cool and everyone wants to go to the pool. Please keep in mind this is a “community” pool. Not your own personal backyard pool.

Many of our residents use the pool for therapy. Walking, exercising, floating and relaxing. This is hard to do with children running, screaming, jumping and splashing in the pool. If you have visiting friends and family, you must accompany them to the pool. Remind them they are a guest and should behave accordingly. Just like visiting someone’s home, treat the pool area with respect. Be mindful that this is a shared amenity. The same with the hot tub. Hot tubs are not safe for children—it is not a big bathtub. If your family and friends enjoy the water and do not want to share the pool with residents, remember, there are miles of beaches less than four miles away that you can go to. Each day the chairs are all nicely aligned and arranged. At the end of the day chairs are scattered all about. If you line your chair back up at the end of use, this helps the maintenance person in the morning, and it prevents people from walking through a maze of chairs to get to the hot tub or shower.

I know cell phones are a convenience and they are nice to have with you in case of an emergency but really, do you need to sit in the pool talking on your phone so we all have to hear your conversations? Is it necessary to have the phone on speaker so we know all about your latest doctor appointment and all the details of your personal medical history? As a courtesy to others, please keep your phones out of the pool.

If you are with friends and family, please don’t have conversations by shouting across the pool. In this time of social distancing six feet apart is a reasonable length so there shouldn’t be a need for yelling. The same goes for music. It is nice sometimes to enjoy a little music at the pool. But not everyone feels that way. Play your music so you can hear it (or if possible, use earbuds). If you want to blare it and share it, ask those around you if they mind.

Recently we have had drinking at the pool and hot tub; A gentleman who saw fit to put one of the deck chairs in the water to sit on; children running, jumping and screaming and disturbing the residents who are there to enjoy the pool. This is not okay. Pool and Spa rules are posted—please respect them and the residents who are mindful of those they share the pool with.

One last thing, this is summer. Afternoon thunderstorms can pop up at a moment’s notice. If you hear thunder, please get out of the pool. Florida is the lightning capital of the world. “If Thunder Roars, Get Indoors.” You can get struck by lightning within 20 miles of a clap of thunder! So, this summer be courteous, be smart, be safe, stay cool and enjoy the pool!!!

MEMORIAL DAY CELEBRATION

Teachwood East honored military men and women who gave their lives in the service of their country with a parade through the Village. Residents donned red, white and blue and decorated their golf carts, bicycles and wheelchairs to celebrate the day. Others were on hand to cheer as the parade passed by.

After the parade, Ben & Ann Cortez hosted a “Drive-By” hot dog dinner cookout. This was a great way for folks who had been cut off from social interaction in previous months to get together, at a safe distance, to chat.

PRESIDENT'S JULY MESSAGE

Nancy Orrick

As everyone knows we have not been able to have anything at the clubhouse until this time. We will start having coffees on July 7th. The clubhouse has been locked but it is now open.

If anyone is going to play cards, I will have a spray bottle and rag so you can clean the tables when start and stop. Maybe now we can start having our events for the summer.

We have been lucky in our village no one has tested positive for the virus.

We still have to be respectful to everyone while in club house by staying at least 6 feet from each other, also if some of you choose to wear your mask.

FROM THE EDITORS

From The Editors – July 2020

And then 2020 was half over. Many of us are anxious to see this year in our rear-view mirror!!! Coronavirus has turned our world upside down and sideways. Our summer travel plans have been disrupted, and who knows when we will be able to travel freely again. It was good news to hear that families could be reunited this past month and I'm sure Dean and Terri would be the first to agree it was a long time coming. We were instructed by our travel insurance not to enter the US or our current coverage would be null and void. No cutting through the northern states on our way home from Alberta!

If things remain unchanged, we will spend the first part of July in self-isolation again. We are hoping that because we are returning from an area with no cases that that will not be the case but we may be living in a fantasy world there! Our granddaughter is returning with us so we are hoping we will have enough things to do to keep us busy! We have yet to see the money from our government promised to seniors and I know that the hospitals in our area have not seen the pandemic pay promised, hopefully, that will come sooner rather than later. We are all wondering what the Fall will bring as the second wave is expected then. Guess we will all wait to see whether travel to Florida will be allowed especially from Canada.

Our community in Teakwood is so supportive of its members, most of us would be hard-pressed to find a better place to call our second home. We lost another dear member of our Teakwood family in June with the passing of George Nash. He and his wife Shirley are well known for their outgoing personality and love of a good time. George will be remembered for being an excellent MC at our yearly Flea Market. With his black top hat and booming voice, he made the day that much more fun. Our sincerest condolences to Shirley and the whole family. Beverley Desroches has moved to long term care, our best wishes to her. Saying that, we will need someone to look after Shut-ins. Please talk to Nancy Orrick if you are interested. We now have someone looking after our Sunshine report. Welcome, Betty Schultz. We also learned that Clubhouse activities will resume in July. Fourth of July celebrations, coffee hour, and Ice Cream social will run this month. I have not heard from anyone running the game nights but I am thinking Men's pool will start this month as well as Crafts and Red Hats. I will put them on the calendar being ever optimistic! If anything else is up and running please let us know so we can keep the calendar up to date for our year-round residents. Don't forget you can always access the newsletter online at "Monthly Media" Hopefully, this finds everyone well and enjoying their summer as best we can. Cheers to all Al and Dawn

Some Humor

TWELVE COMMANDMENTS FOR SENIORS

- #1. Talk to yourself. There are times you need expert advice.
- #2. “In Style” are the clothes that still fit.
- #3. You don't need anger management. You need people to stop pissing you off.
- #4. Your people skills are just fine. It's your tolerance for idiots that needs work.
- #5. The biggest lie you tell yourself is, “I don't need to write that down. I'll remember it.”
- #6. “On time” is when you get there.
- #7. Even duct tape can't fix stupid - but it sure does muffle the sound.
- #8. It would be wonderful if we could put ourselves in the dryer for ten minutes, then come out wrinkle-free and three sizes smaller?
- #9. Lately, you've noticed people your age are so much older than you.
- #10. Growing old should have taken longer.
- #11. Aging has slowed you down, but it hasn't shut you up.
- #12. You still haven't learned to act your age and hope you never will.

And one more:

“One for the road” means peeing before you leave the house
