TMHA MESSAGE

Submitted by Ben Cortez, TMHA President

Greetings: as I write this article, I can't help but look at all the changes in our lives since last month's article. Here in Teakwood we are doing our part by social distancing and staying home as much as possible. I will say however, "cabin fever" has encouraged a few more residents to be out walking and biking. Some of us are making masks as they have recommended when you are around people that you can't keep 6 ft. from to wear a mask. The Houles, in following the mandates they have been given, have locked the clubhouses and closed the swimming pools. The TMHA Board is not meeting, nor are we meeting with John Houle during this time because of the social distancing but most everything seems to be running smooth. If any residents pay their lot rent by check at the beginning of the month, there is now an available Dropbox outside the main office across Missouri. There have been sightings of non-residents in the park. You do not need to confront them but please call the non-emergency phone number (727.587.6730) They will ask you questions and for a description because if they don't see them before they get out of the park the police will know that these are the people you called about. It was an unfortunate way to end the winter season, the way we had to, with everyone leaving so quickly. I do hope you all have a safe and healthy summer and are able to come back in the fall. I did talk to a Canadian friend from the west side and he stated he heard there is a possibility of Canadians not being able to return by November. I certainly hope that's just a rumor.

Stay safe!

FROM THE PRESIDENT'S CORNER

Submitted by Vicki Monroe

Good Morning Teakwood: I hope all of you are well. My house has never been so clean! We are all in this Covid-19 pandemic together and we will all make the best of it. We won't be having any social get togethers at least through May. When we can get together it will be coffee, and we will let all of you know. Our Village will make it through all of this. Bless all of you.

NOTICE OF ACTIVITY CANCELLATIONS

Submitted by the Social Club

Due to concerns about the spread of the Corona Virus and to safeguard the health of Teakwood residents, all regular weekly & Social Club activities have been cancelled through May 31st per Pinellas county guidelines. Once the restrictions are lifted and activities are once again permitted, we will post on Facebook and try to put notices on the clubhouses.

LOOKING FORWARD TO THE FALL

Submitted by the Social Club

We will be holding a Holiday Bazaar on Saturday November 21st as a fund raiser for the Social Club. Money raised will help off-set the cost of some of the winter activities such as dinners and dances. Tables will be set-up for the various “departments” and each department will have a Team Leader. Some departments already have Team Leaders, but more are needed. If

you would like to head up one of the remaining tables, please contact Toni Topczij or Maureen Liebler. Here are the departments with a brief description and current Team Leaders:

- *Baked Goods (Kathi Hawkins) – everyone loves sweets. Plan on making your favorite treat.
- *Crafts (Barb Wautlet) – do you love to make wreaths, do wood working crafts, sew table runners, crochet throw blankets, do deco page, make Christmas ornaments or ????? Now is the time to start putting your creative talents into gear.
- *Jewelry (Dianna Martin) – hand crafted and “estate” jewelry. Several people in the community do beaded and wire wrap jewelry which will be great for this table. When was the last time you went through your jewelry box and found broaches, necklaces, rings that you haven’t worn in years?
- *Small Appliances (-----) – these must be clean & in good working order. When was the last time you used that waffle iron way back in your cupboard or that coffee grinder?
- *Linens (-----) – Do you have a cupboard full of table cloths & napkins, sheets & pillow cases that are the wrong size for your bed? Quilts or duvets you just don’t need? These would all be welcome, but they do need to be clean with no stains or damage.
- *New or Nearly New (Monique Benefield & Betty Flanary) – Did you buy 2 of something because it was on sale or thought you might need a back-up but then didn’t? What about the gift you got that is still in the box?
- *Clothing (Sue Hy Dahl & Carol Beckwith) – When was the last time you went through your closet? We all have things that no longer fit or bought and then realized it just wasn’t right for you? These need to be clean and in good condition.
- *Social Club General Table (-----) – household goods such as china, glass ware, books in good condition, candle holders, vases, knick-knacks
- *Share the Wealth (-----) – tickets will be sold for 50/50. Since we expect people will be coming from outside the park as well as Teakwood residents, they would put their name and phone number on the back and if their ticket(s) is drawn would be contacted.

CRAFTERS! CRAFTERS!

Submitted by Barb Wautlet

Now's the time to get your creative juices flowing and start making some of those special items for our craft table. Whatever you create, someone will love it!! Stay tuned for more information next fall!!

THINGS TO DO

Submitted by Dianna Martin

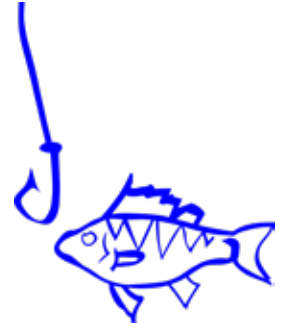

In order to keep from going completely nuts during this time of social distancing here are some suggestions of things to do.

***Take up a new hobby or craft.** Is there something you always wanted to learn how to make? On UTube you can learn how to knit, crochet, make jewelry, wood carving and more. Books and supplies are available on Amazon for just about any craft. If you are interested in making jewelry, please consider supporting a local business. Check out Island Cove Beads on-line at island-cove.com. If you don't see what you are looking for, give the owner, Colleen a call (727-510-1657). All orders will be mailed via USPS to you. If you do go to Wal-Mart for shopping don't forget that they have a fabric and craft department.

***Go Fishing.** Grab your fishing pole, favorite lure, pack a picnic lunch, a folding chair and have a great day outdoors... and maybe catch dinner. Though the beaches are closed we have miles of inter-coastal waterways and Tampa Bay where you can pull off the road and fish from the shore. There are also lakes right here in Largo at Walsingham Park, Ridgecrest Park and Eagle Lake Park where fishing is allowed. Bait & tackle shops are on the approved list of stores that are allowed to be open as they provide a service that helps get people safely outdoors. People are encouraged to participate in an outdoor activity as long as social distancing is maintained.

***A walk in the Park.** We are fortunate to have so many parks right here in Largo. Take a stroll through Central Park, Walsingham Park, Eagle Lake Park, John R. Bonner Nature Park, Donegan Park, Ridgecrest Park and of course the Botanical Gardens. Check the web or call for open/close hours as they vary. The pavilions, playgrounds and tennis courts are closed and you are asked to maintain social distancing, however, after strolling for awhile you might want to sit down with a good book or a picnic lunch.

***Take Out Tuesday.** People across the nation are supporting their local restaurants with "Take Out Tuesday". Even with federal aid to help pay the mortgage/lease and meet their payroll, restaurants are struggling to stay open. Almost all local restaurants have curbside pick-up. If you don't drive or prefer, you can have your food delivered.

Many restaurants have partnered with delivery services: fooddash, grubhub & ubereats – check them out on-line to see which eateries they serve or call the restaurant to see who they use. Many places are offering free delivery, others charge a nominal fee. Either way, be sure to find out what the delivery fee is before you place your order. Don't forget to tip your driver – they are making minimum wage and depend on tips.

***Go Virtual with USF.** USF offers a full list of virtual tours of St. Pete parks and museums. For access go to dhhc.lib.usf.edu/virtual-tours/ . Once social distancing restrictions are lifted you might want to visit some of these places in person.

***Learn a New Language.** When international travel returns to normal wouldn't it be fun to plan a trip to a place where you could speak the language or at least a few words. Check out Rosetta Stone on-line at rosettastone.com/learn-language. They offer a free trial to get started. After that there is a fee. If you just want to learn a few words (for free) check out Duolingo.com. Exercising the brain is as important as exercising the body.

***Stay Connected.** Call a friend or neighbor to see how they are doing. We all need some social interaction and it is a good way to make sure those we care about are ok.

I hope you have fun with some of these ideas. Let me know via e-mail if you have found other ways to keep busy or just have fun.

NEW SCAMS TO BE AWARE OF

Submitted by Dianna Martin (from AARP)

Scams and cons are internationally based and are big business. Older Americans lose roughly \$3 billion to fraud each year. Here are some of the newer ones and what you can do to avoid being taken:

*COVID-19 cons – You get an e-mail offering a coronavirus vaccine or access to critical medical equipment. Some e-mails ask for credit card information then bill you for items you never receive. Others include a link that will install malware on your computer to steal your passwords. **What to do:** Be wary of e-mails during a crisis. At this time there is NO COVID-19 vaccine. Visit government health agency web-sites for updates. When a vaccine is available your contact person will be your primary care provider.

*Phishing Amazon – Scammers take advantage of the fact that so many Americans order on-line through Amazon. You'll be told, via e-mail that will at first glance look like it came from Amazon, that a package can't be delivered until you "confirm" your credit card number. Within the e-mail is a link that if opened places malware on your computer to harvest information.

What to do: Don't give information via a link. Go to Amazon's website directly to contact their customer service group.

*Census Scam – a fake census worker may contact you in person

...continued on page 14

or via, phone, e-mail or mail. You could be asked for your social security number or credit card information. **What to do:** The Census Bureau will never ask for your social security number or solicit donations via credit card or gift cards. They will never threaten you with arrest if you don't cooperate. Census takers carry government IDs. For more information visit 2020census.gov
*Economic Impact Act - The IRS urges taxpayers to be on the lookout for scam artists trying to use the economic impact payments as cover for schemes to steal personal information and money. Remember, the IRS will not call , text you, email you or contact you on social media asking for personal or bank account information. Also, watch out for emails with attachments or links claiming to have special information about economic impact payments or refunds. **What to do:** If a taxpayer is unsure they're receiving a legitimate letter, the IRS urges taxpayers to visit IRS.gov first to protect against scam artists.

There will always be a new scam on the horizon. Scammers can be very convincing and sometimes menacing. Do not give personal information such as social security number, medicare/medicaid number or credit card information to anyone over the phone that you have not checked out first. Do not send gift cards in order to redeem a prize.

SLOW THE SPREAD

Listen to and follow the directions of your **STATE AND LOCAL AUTHORITIES**.

IF YOU FEEL SICK, stay home. Do not go to work. Contact your medical provider.

IF YOUR CHILDREN ARE SICK, keep them at home. Do not send them to school. Contact your medical provider.

IF SOMEONE IN YOUR HOUSEHOLD HAS TESTED POSITIVE for the coronavirus, keep the entire household at home. Do not go to work. Do not go to school. Contact your medical provider.

IF YOU ARE AN OLDER PERSON, stay home and away from other people.

IF YOU ARE A PERSON WITH A SERIOUS UNDERLYING HEALTH CONDITION that can put you at increased risk (for example, a condition that impairs your lung or heart function or weakens your immune system), stay home and away from other people.

PRESIDENT'S MAY MESSAGE

Presidents Message Nancy Orrick

What a season this has been. Who would have thought everyone would be leaving sooner than usual. I am sure this will be a season that no one will forget, I know I will not. I am glad everyone was able to get home safely.

It has been very boring here since the clubhouse was locked up the pool closed and all the beaches closed. Some eating places are open for take out or delivery.

Needless to say, I have had to cook.

We are allowed to go to grocery stores or pharmacy to pick up medications but drive up only. To come into Largo you really would not think anything is wrong, traffic about the same some out walking or riding bikes.

As everyone knows in March we lost a good friend to all of us, the passing of Tom Spanton he will be missed forever in Teakwood. We have also lost two more of our Teakwood family with the passing of Bob Hartel and Don Cook.

Hopefully, next season will be much better and we can have all of our activities.

Everyone be safe this summer and stay healthy so that you all can return next season/

RCS FOOD BANK DONATIONS

On March 26th, Teakwood West had it's Annual Food Drive and I am happy to announce we collected 572 pounds of food.

In addition, many of our northern neighbors who left the park early donated 154 pounds of food for a grand total of 726 pounds for our 2020 donation! We also had a monetary donation from a resident of \$200.00.

I would like to thank those who volunteered and went door to door to collect donations.

Great Work Teakwood West!

Bill Steers

3 MILE WALK

We are a small but dedicated group and with the snowbirds heading north before ICE starts rounding them up, our numbers will dwindle. Sadly the summer season will force us to go into hiding until the fall. Therefore, our last meeting was on Friday morning, April 3. See you all again in November.

FROM THE EDITORS – MAY 2020

If April Showers bring May flowers we should have an abundance this year. I wonder if that holds true for snow as well, that is what we continue to get right into mid-April here in Ontario.

As most of you are aware, the pools and beaches remained closed throughout the early and middle part of April. Our Clubhouse also remains closed and our activities are going to resume as soon as restrictions are lifted. Please keep an eye on the clubhouse to know when events will be starting up again. We have listed events on the calendar in hopes that they will resume some time in May.

Many northerners had to leave early because of this pandemic and many are experiencing winter type weather for the first time in several years. They also were quarantined for 14 days and when that restriction was lifted, they had nowhere to go and nothing to do.

The great debate is whether or not the shutdown needed to be as severe as it was. Unfortunately, we are the generation most at risk from this virus. The number of deaths in the senior population greatly outnumbers other age groups. We also have more underlying health issues than other age groups which may not make us more susceptible to the virus but certainly makes it harder for us to fight it off.

Historically, it has been shown that opening things up too early and allowing large gatherings can cause a resurgence of the illness. Unfortunately, some people and some of those in power are more concerned about the economy and seem less concerned over the loss of lives.

Please my friends as boring as it is, stay home, stay safe and practice social distancing.

RECIPES OF THE MONTH

Sandra Harrison

May - a time to celebrate Mothers and signs of spring; rhubarb & asparagus. One of my Mom's favorite holiday side dishes, spinach cheese tart, is included below as well as one of Liz's favorites, rhubarb custard pie. Enjoy!

Spinach Cheese Tart

This spinach mixture can also be put in miniature tart shells & used as an appetizer.

Pastry:

- 1 c. sifted AP flour
- 1/2 tsp salt
- 1/3 c lard or shortening
- 2 - 3 Tbsp cold water
- 1/2 c cheddar cheese, finely shredded, cut in with lard

Prepare pastry shell. Partially bake in a 9-inch pie pan for 8 min. at 450 F. Remove pastry shell from oven to a wire rack. Reduce oven temp. to 375 F.

Filling:

- 3 c. cooked spinach, coarsely chopped (= to 3, 10 oz. bags raw spinach)
- 1/2 c. Parmesan cheese, shredded or 1/4 Parmesan + 1/4 cheddar
- 1/2 c. onion, minced
- 1/4 c. heavy cream
- 1/4 c. melted butter
- 1/2 c. cracker crumbs
- 2 Tbsp. melted butter

Mix the first 5 ingredients thoroughly. Turn into a partially baked pastry shell. Sprinkle with cracker crumb & butter mixture. Return to oven & bake for 15 min. at 375 F or until crumbs are golden brown & spinach mixture is heated through.
