## MEET YOUR NEIGHBOR:

### DAN OLSEN & JANE MERUCCI #367

**H**i we are Jane Merucci and Dan Olsen.

I came to Westwind in 2004 with my mom and late husband Jay. I had looked online for about 6 months for a place we could eventually retire to. Westwind was the second park we saw. We bought on a Friday and flew back to NJ on Sunday. We rented out our house for 12 years. Unfortunately my husband Jay passed away in 2013.

In 2015 I met Dan online at a site for people over 50. He was also a widow.

We married in 2016 in a small ceremony that my sister officiated with all of our blended family. We both retired in 2017 and now spend 6 months in Florida and 6 months at the beach in North Wildwood NJ.

I was an accountant in various industries and have my own tax business for the past 35 years. Dan worked for the Navy for 38 years first in the Philadelphia ship yard and then for Navsea as a marine machinist. He has a son Danny and a daughter Ashley and we have 2 beautiful grandsons Carter and Colton.

Jane Merucci & Dan Olsen

Editor's Note: **MANY THANKS TO JANE & DAN FOR THEIR GREAT ARTICLE!!** ...If **YOU** would like to be a part of the "Meet Your Neighbor" series, please send me an e-mail. Thank you in advance for keeping "Meet Your Neighbor" in the "Hi Lites." (Note: All the months in 2020 are now taken....I am now reserving months in 2021...Please contact me ASAP.)

**MANY THANKS** to the people who have been featured in "Meet Your Neighbor" thus far: Pat Snyder/Tim Burgner, Ed & Gayle Fox, Ralph Arabian/Kathy LeMay, Craig & Lee Ann DeCrane, Roger & Sandi Crabtree, Phil & Carol Anastasio, Gerry & Carol Marier, Bobbie

## THANKS TO LYNDA CARNAHAN FOR THE FOLLOWING:

---

**H**i Tim. Would you put the following in the “Hi Lites” please:

Hello to all our Westwind friends. It is with heavy hearts that we say we will not be residents of Westwind II this year due to the unforeseeable climate due to Covid and issues with our borders. We felt it best to sell our place and hopefully if everything gets back to normal, we will be able to come down and rent and get to see you all again. Stay safe, take care of each other and stay positive. Lots of love from your Canadian friends, Lynda and Paul.

PS: Tim has been doing a wonderful job with the “Hi Lites”! Please continue to send him information and pictures so that we can all enjoy! Thanks Tim and I look forward to the next edition.

Sent from my iPhone

**Editor’s Note:** The following article appeared

On a social media site earlier this summer. It is an article about Lynda & Paul’s AMAZING daughter, Candace. Lynda gave me permission to put it in the “Hi Lites.”...ENJOY!

### INJURY TO INSPIRATION

*Jennifer Wood meets Candace Carnahan*

---

**C**andace Carnahan is a necessary voice in the world of Health and Safety. At the age of 21, the Miramichi, New Brunswick native lost her leg at a workplace incident – an incident that could have been prevented and nearly took her life.

Twenty years later, Candace has built a successful career as a keynote speaker and safety advocate; she recounts her story in a way that is thought-provoking, emotional, humorous, and leaves her audiences inspired to make positive shifts towards keeping themselves and each other safe. She speaks with ease and confidence to small and large sized corporations, and at conferences and symposiums around the globe. To date, she has spoken to over half a million people, and her roster of clients include Procter & Gamble, Alabama Power, Irving Oil and General Motors to name but a few.

Carnahan is a beacon of positivity as is evident in the challenges she faced in the wake of losing her leg and beyond. When COVID-19 swept through the world, she, like many others,

temporarily lost her livelihood, but just as she faced other obstacles, she saw the lockdown as an opportunity to reinvest in her career.

“At first the shutdown felt like a huge hit,” she recalls from her summer cottage in Miramichi. “All of my engagements were postponed in A matter of days. But when my schedule was put on hold, it meant that I could work on my passion project. I partnered with Halifax’s 365 Productions to produce six ‘Step Up Your Safety’ videos, which connect to my story while reinforcing the importance of keeping safety top of mind. The videos are combined with worksheets and a workbook that reinforce my message of health and safety long after I am gone.

"I also took time to think about how, if at all, my story could resonate in today’s climate of COVID-19. I didn’t want to be a talking head about this. Then it clicked. Of course, the importance of protecting ourselves and each other with behaviors like hand washing, social distancing and wearing PPE must be top of mind. As companies continue to get back to work amidst this virus, there couldn’t be a more meaningful time to be speaking about health and safety and how our attitudes and behaviors can have a positive or negative impact on ourselves, our colleagues and our communities."

She is available for live keynote presentations in the province of New Brunswick and beyond as travel permits. To book Candace for a live keynote video presentation or a workshop event, visit her website: [candacecarnahan.com](http://candacecarnahan.com)

If anything, this downturn has afforded Candace the opportunity to double-down on her commitment to health and safety.

“It’s given me the chance to reflect, study the current common health and safety concerns we all have, and to finally produce these videos. Safety isn’t going anywhere, and I feel that now more than ever, corporations will be looking for a personal presentation that their people can relate and feel connected to. I’m excited to get back at it!”

Licensing agreements for Candace’s ‘Step Up Your Safety’ video segments will be available for purchase through her website this month.

## CHRISTMAS PARTY

---

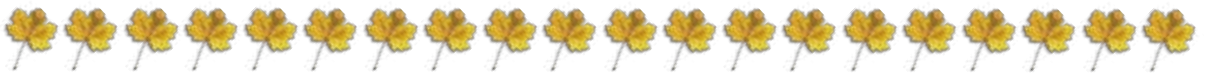

**T**he annual WW II Christmas Party has been cancelled for 2020. As everyone knows, it is an event open to all Westwind residents, limited only by fire regulation numbers. It is an event that usually sees the clubhouse filled to capacity. There is no way to social distance with that amount of people so for safety reasons we felt the need to cancel. Jane and I did discuss the possibility of an alternate Christmas event or maybe in the spring having an outdoor party with food and entertainment, but at this time there is no definite plan.

Regretfully submitted by Pat Snyder

## Book Club

---

**A**TTENTION ALL YOU BOOK WORMS:  
The Book Club meets the last Tuesday of each month in the WW II library. It is open to all residents of Westwind.

## BOOK CLUB

---

The Westwind Book Club is alive and well. At the September meeting there were three members who met and discussed Battle Hymn of the Tiger Mother. As of this writing the October meeting hasn't happened as it is October 27th at noon in the Westwind II Clubhouse, masks required to be worn. The book that was chosen for November is Where Jasmine Blooms by Holly S. Warah. **Joyce Pinckney** has volunteered to lead the discussion. This book was very high on our choice for this year's book selection so I expect a good showing at the meeting on **Tuesday, November 24th** at noon. I appreciate everyone's cooperation and volunteering to lead the discussions during my absence. Thank you all for your kind wishes and support during this difficult time.

Elaine Blank

## HEART GRABBER

*Sent by "ME"*

I was waiting in line to pay for my groceries while maintaining my 6ft distance. When this man cut in front of me. He didn't appear to notice me. I didn't say anything maintained my distance. When it was time for him to pay he reached in his back pocket and pulled out a small note pad. He forget his wallet. He looked a bit disappointed and embarrassed. I stepped up and told the cashier I would take care of his groceries. (Which consisted of Milk and Chocolate Chip Cookies) He was more then grateful. He thanked me and off he went. The cashier tells me. "He cut you off and you paid for his groceries.. Why??"

"I said, I hope that if one day my Dad forgets his wallet someone will step up and buy his Milk and Cookies"

With all the negativity going on in the world..I thought it would be nice to share this moment.

Sent by "ME"

**I** absolutely love this story..... It made me cry. Very touching.

"An 87 Year Old College Student Named Rose

The first day of school our professor introduced himself and challenged us to get to know someone we didn't already know.

I stood up to look around when a gentle hand touched my shoulder. I turned round to find a wrinkled, little old lady beaming up at me with a smile that lit up her entire being.

She said, "Hi handsome. My name is Rose. I'm eighty-seven years old. Can I give you a hug?"

I laughed and enthusiastically responded, “Of course you may!” and she gave me a giant squeeze.

“Why are you in college at such a young, innocent age?” I asked.

She jokingly replied, “I’m here to meet a rich husband, get married, and have a couple of kids...”

“No seriously,” I asked. I was curious what may have motivated her to be taking on this challenge at her age.

“I always dreamed of having a college education and now I’m getting one!” she told me.

After class we walked to the student union building and shared a chocolate milkshake. We became instant friends. Every day for the next three months, we would leave class together and talk nonstop. I was always mesmerized listening to this “time machine” as she shared her wisdom and experience with me.

Over the course of the year, Rose became a campus icon and she easily made friends wherever she went. She loved to dress up and she reveled in the attention bestowed upon her from the other students. She was living it up.

At the end of the semester we invited Rose to speak at our football banquet. I’ll never forget what she taught us. She was introduced and stepped up to the podium.

As she began to deliver her prepared speech, she dropped her three by five cards on the floor. Frustrated and a little embarrassed she leaned into the microphone and simply said, “I’m sorry I’m so jittery. I gave up beer for Lent and this whiskey is killing me! I’ll never get my speech back in order so let me just tell you what I know.”

As we laughed she cleared her throat and began, “We do not stop playing because we are old; we grow old because we stop playing. There are only four secrets to staying young, being happy, and achieving success. You have to laugh and find humor every day.

You’ve got to have a dream. When you lose your dreams, you die.

We have so many people walking around who are dead and don’t even know it! There is a huge difference between growing older and growing up.

If you are nineteen years old and lie in bed for one full year and don’t do one productive thing, you will turn twenty years old.

If I am eighty-seven years old and stay in bed for a year and never do anything I will turn eighty-eight.

Anybody can grow older. That doesn’t take any talent or ability. The idea is to grow up by always finding opportunity in change.

Have no regrets.

The elderly usually don’t have regrets for what we did, but rather for things we did not do. The only people who fear death are those with regrets.”

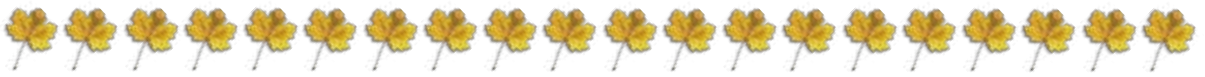

She concluded her speech by courageously singing “The Rose.”

She challenged each of us to study the lyrics and live them out in our daily lives.

At the year’s end Rose finished the college degree she had begun all those years ago. One

*continued on page 30*

week after graduation Rose died peacefully in her sleep.

Over two thousand college students attended her funeral in tribute to the wonderful woman who taught by example that it's never too late to be all you can possibly be. When you finish reading this, please send this peaceful word of advice to your friends and family, they'll really enjoy it!

These words have been passed along in loving memory of ROSE.

REMEMBER, GROWING OLDER IS MANDATORY. GROWING UP IS OPTIONAL.

We make a Living by what we get, We make a Life by what we give."

## WINDFALL SALE

---

Hope everyone is well and remembering to wear a mask and maintain distance.

Jill and I had a discussion on whether or not to hold the Windfall Sale.

Our main concern was for the safety of our residents. Other concerns were being able to follow CDC guidelines if necessary, cleaning the clubhouse before and after the sale and the Social Club's/Park's legal responsibilities. *As no one can predict the status of the pandemic for February 2021, we made the difficult decision to cancel the February 2021 Windfall Sale.*

We appreciate all the residents' efforts which make for successful sales and hope we are in a position to continue with the Windfall Sale in February 2022.

Be safe and stay well!

Jill Desranleau and Pat Snyder- Chairpersons

## SUNSHINE COMMITTEE YEAR END REPORT

---

A year end report from the Sunshine Committee: 42 cards were sent to our Westwind II neighbors for a variety of reasons...get well, thinking of you, miss you and bereavements to family.

Thank you to all who let me know of a care concern.

I feel like this is an important outreach in our community. As you know, sometimes we get lots of signatures on cards during our Social Club gatherings; other times I send a card from the community. Either way, the recipient knows the Westwind family cares.

**Please continue to let me know who may like a card from us: 727 771 8724 or leave a note at #159.**

---

Please come into the Westwind II office #181 and make sure your northern addresses are up-to-date.

Also, please let me know when you are checking-in for the season and checking-out.

This is very important for mail outs, emergencies, etc.

## REMINDER: HOMEOWNER'S INSURANCE

---

When you renew your homeowner's insurance (or when you buy it for the first time), remember to send a copy of the Insurance Declaration page from your policy documents to the Park Office. The Insurance Declaration page specifies your specific coverages; and most importantly to WWII, it states the specific 12 month period that your policy is in effect. Residents are required to send their updated and renewed Insurance Declaration page every year to the Office.

## Bulletin Boards

---

Thanks to all who are helping to keep the bulletin boards neat. When you are posting flyers try to post under the correct heading. Please remember to date your sales flyers and take them down when no longer needed. Also remove activity flyers when the activity is over. Thank You

Rose, Laurie and Pat

## “WILL WORK FOR BEER”

Someone in WW II asked if we could try to bring back our old “Help Out Your Neighbor” that used to be in the “Hi Lites.”

Well.....we are! and here it is: We're calling it by a NEW name - "Will Work for Beer." If you have a SMALL job that needs to be done and would like an extra hand, one of these people can probably do it. (We're not talking about anything major. This is not meant to be for "handyman projects." It is meant for something relatively simple that should only take a few minutes to complete (installing fluorescent bulbs, programming a TV remote, hanging a curtain rod, getting something down from a top shelf, etc.) It is meant to be a FREE service. You are not expected to pay anything - even a free beer. This service will be provided to W W II residents. We are looking for MORE names for this list. If you would like to be included, please call or e-mail me - Tim Burgner.

Just call anyone's name on this list. They'll let you know if they can help or refer you to another person.

# WHEN TREATING A HEART ATTACK OR STROKE, TIME IS OF THE ESSENCE. EVEN DURING THESE TIMES.

## Don't hesitate when it comes to getting emergency treatment.

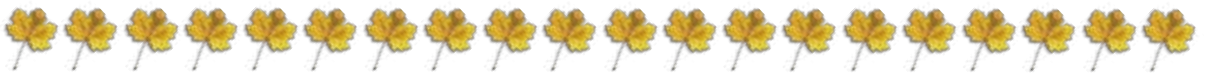

Even during a pandemic, you still need to be treated immediately if you have an emergency. Debating whether or not to risk going to an emergency room during a heart attack, stroke or other health emergency—waiting even a few extra minutes—could be harmful. That's why in all BayCare hospital emergency rooms, patients who have symptoms of COVID-19 are isolated from other patients. This helps keep emergency room patients and our team members safe. So if it's an emergency, don't wait. **For more information: [BayCareEmergencyCare.org](https://www.baycare.org/emergency)**

## SOCIAL CLUB NEWS

### SOCIAL CLUB PRESIDENT'S LETTER

**W**elcome back to all of our residents that have left the north to come south. It has been a quiet summer here and activities have been very limited. Going forward into the winter season we will have to play it by ear as to what activities we are or are not having. *The Christmas party and the windfall sale have already been canceled.* Until further notice we will have to look at our "Hi Lites" to see what's happening. I have also instituted a [Facebook page](#) for **Westwind II Social Club**. I will try to post things there so that we have an updated list of what activities may be occurring. We are having coffee again so if you're interested in signing up, the sign-up sheet is on the board. We also will have an election in January and if anyone is interested in running please let me know. If anyone has an activity in mind that would still allow us social distancing, please let me know. I wish all of you a safe winter ahead.
