Robert's Recreation Association

Our 2025-2026 snowbird season is officially over. The majority of the snowbirds have made it back to their summer homes. Looking forward to their return next season!! Our We wrapped up the season with Easter dinner with around 70 people for dinner. And our last coffee and donuts on Tuesday April 7th with 33 people.

Thank you so much to all the volunteers that helped make it a successful season!! Without you these events would not have happened. In order to have another season of fun-filled events, a plan has been set in place for the 2026-2027 season. These events will only happen if we have leaders and enough volunteers. Some have moved on, and others are getting burned out. Some are not able to return to the park. Some new ones are stepping up, always good to have too many rather than not enough. The more help the less everyone has to do!! We are in need of someone to take the position of Vice-President of the committee and always looking for some help with coordinating dinners at the pavilion. Help is always available but a leader is needed. Please see a member of the committee if this is something you would like to do or learn more about.

There may be a few events over the summer months, cook outs, holiday parties, Happy hours, Summer bingo, LCR, etc.... So, continue to check the kiosks at the laundry area, Post office area, and swimming pool area, and the Roberts review for updates. Keep up with us on our "**Robert's RV Community**" Facebook page to see upcoming events and updates.

Hurricane season is just around the corner. Time to start thinking and planning to be aware, prepared and know what you are going to do.

- Sign up for the **Alert Pinellas**, it's a free emergency notification service, online at www.pinellascounty.org/alertpinellas. This service provides multiple ways to notify you, such as landlines, mobile phones, email, and text messages, whenever an urgent situation such as flooding, arises in your location.
- There is also an application for your smartphone "Ready Pinellas."
- It doesn't hurt to check your homeowner's policy for coverage.
- If a tornado warning is issued you would be better off going to the clubhouse or pavilion bathrooms (be sure you have the codes written down) than staying in your mobile home, park model or RV.
- Please stay safe, Have a great summer!

Don't forget you can keep up with us on the web at: www.monthly-media.com

Can Collection

Darrell Felker Lot 596

Can collection will continue on Monday mornings, please put your cans by the roadside before 8:00am on Monday or even on Sunday night. Darrell Felker is collecting them now. The monies collected benefit the St. Pete Free Clinic and the Shriners. This money goes a long way to these charities.

St. Pete Free Clinic

Bernie McGrath, Lot 173 603-275-7429

Canned goods and unopened, non-expired food items are always being collected and donated to the St. Pete Free Clinic. As always, your donations are particularly important as there are many families that are stretched to the limit because of Covid. There is always a box in front of my house at lot 173 on Roberts Lane.

Please look through your pantry for any items that you can donate. Thank you so much for your generosity. It goes a long way.

Driveways

While backing out of your driveway, please stop and look before entering the street. There have been close calls with residents backing out and not looking.

We strongly urge residents to obey the one-way arrows. We have seen many instances where someone has almost gotten hit because of someone going against the arrows.

Fire Hydrants

We have been asked to advise you not to hang anything on the fire hydrants. It will hinder the fire department if they must come into the park.

HOA Meetings

Marianne Szymanski Lot #76

The monthly meeting for the Homeowners Association is held on the first Monday of every month at 2:00 pm in the clubhouse. Our first meeting of the season will be December 7th. Please join us to voice your opinions or to hear the opinions of other residents. We hope to see EVERYONE there as we are greater in numbers! HOA dues are \$20 a year or \$50 for three years and can be paid at the meetings or brought to Marianne Szymanski, Treasurer at lot #76 Allen Lane

Directory for Roberts RV Park

Marlene Johnson, Lot 13

The Recreation Association is attempting to keep the directory updated. Your help is needed please review your information for accuracy. Changes can be made by emailing Marlene Johnson at paul_marjohnson@yahoo.com to ask for your information so you can make corrections, deletions, or additional information. You can also call me at 419-250-1036 or stop by my house which is Lot 13 on Nancy. The final copy will be emailed to all emails on file. Printed copies available on request. Thank you. Marlene Johnson, secretary.

Robert's Park has Two Organizations.

Why are there two organizations in the park? They serve different purposes: **Robert's Recreation Association** was formed to provide social and recreational activities for all full and part-time residents of the park. There are meetings on the first Monday of the month from November to March. Committee Chairs make their reports, then let residents know what is going on in the park. There are no dues, and all residents are welcome to attend the meetings.

Robert's Park Homeowners Association, Inc. represents owners of mobile homes in the park. It is the liaison between those owners and Park management. Membership certificates are issued upon payment of a \$20.00 fee for 1 year or \$50.00 for 3 years. Contact Tim Dempsey Lot #93 or Marianne Szymanski at lot #76 if you wish to become a member.

The Hot Tub is for Adults Only

No one under 18 is permitted in the Hot Tub. Food and drink, of any kind, are not allowed in the pool or hot tub. The hot tub is meant for short sessions only, no longer than 15 minutes. The use of alcohol combined with the relaxing heat of the hot tub can be a dangerous combination. A person can easily slip under the water unnoticed, and tragedy can strike quickly. Never swim alone. Use the buddy system for safety.

Also, for the health and wellbeing of everyone, please do not go in the hot tub or pool if you are not feeling well, have wounds or open sores.

Did You Know?

May is commonly referred to as the month of natural purity and beauty, representative of the Greek Goddess it was named after, Maia. This was because of flowers like roses, tulips, and lilies tend to bloom most in the month of May.

Golf carts are only to be driven by persons 18 years old and older with a valid driver's license and you should obey the speed limits within the park.

Linda Quinn, FMO Rep, Lot 39, 727-455-8331

The FMO - Federation of Manufactured Homeowners of FL, not to be confused with the HOA.

**It is the FMO that fights for your Rights in Tallahassee.

**It is the FMO that fights to keep beneficial programs in place such as the STATE TIE-DOWN Program

**It is the FMO that took steps to save us money... We defeated being charged Sales Tax on our Lot rent and forced the repeal on property tax for carports and screen rooms.

**It is the FMO that keeps us informed of Bills the Legislature wants to change our way of life.

**It was the FMO that made it possible for our communities to hold BINGO games.

The list of FMO accomplishments is long. Many retired community residents freely donate countless hours to protect our rights.

**So, all we ask of you is \$30 per household or 3 years for \$75.00

**If you think the FMO does NOT Matter and is not important, think again!!!

**Sometimes you do not know how important something is to you until it is gone or Taken Away.

***SO PLEASE START 2026 OUT WITH A COMMITMENT... TAKE A STAND AND JOIN THE FMO...

***Please contact Linda Quinn FMO Rep for an application at Lot 39 or call 727-455-8331. Please make sure you have the correct prospectus...

Mowing

If you have any problems with the mowing, please contact the office and not the mowing crew. The office will contact the manager and get the situation resolved as quickly as possible.

Roberts' Facebook Page

Our Robert's community has a Facebook group page. This group page has been created for the community at Robert's RV Park for anyone that is a current or seasonal resident and is interested in activities and events at the park. The intention of this group is to help to inform visitors and those living in the park about upcoming events, create easy online sign-up forms for community organized events, send reminders, discuss and plan upcoming events and to share encouragements, announcements, and pictures. We hope this will help the community stay connected year-round. Please feel free to join the group on Facebook under the group name "Robert's RV Community". All are welcome!

The link is <https://www.facebook.com/groups/1042295795863480/> All are welcome!

Guests

Please check with the Roberts Office for guest rates. Residents must accompany their guests while at the pool or other locations and are responsible for the behavior of their guests. Children under 18 must be accompanied by an adult who shall assume full responsibility for their safety and conduct.

Solicitors

If you see a solicitor, please call the office. We will send someone down to tell them to leave the park. These people are very bold and brazen. Please help us stop them before they take advantage of anyone in our community. The office never gives permission to any solicitor.

Royal Palm Cemetery

The Cemetery is now off limits to all residents with dogs.

The cemetery will be putting up "no trespassing" signs for anyone with a dog. There have been many complaints that people are taking their dogs to the cemetery for walks and not cleaning up after them. Anyone caught on cemetery property will be prosecuted.

HAPPY
Mother's Day

Alcohol in Pool Area

Please remember that no glass of any kind is allowed around the pool area. We are getting reports of beer bottles around the pool. If glass is broken in the pool, it can be quite expensive to clean out. Please remember there is NO alcohol in the pool area, in the pool or hot tub.

Home Site Alterations

If you are making any changes or additions to your home site or the exterior of your home, please come to the office and submit a completed request (green sheet). Paint colors must be approved, and a request form must be approved. Submit your written request and wait until you have received approval before proceeding with any work. Anyone other than the homeowner working on the home must be licensed and insured and we must have a copy of such on file in the office.

Dog Poop

The complaints continue about people not cleaning up after their animals and not walking them in the pet area. Pet areas are marked on the map. Please take your “doggie bag” home with you or deposit them in the dumpster at the compactor, do not deposit them in the trash cans at the laundry facility or in activity areas.

Security

Some thefts have been reported recently please remember to keep your property locked, even when you are here. This applies especially to but not limited to bikes and golf carts. If you want the Pinellas Park Police Department to check your property when you go back up north or on vacation, you can call 727-369-7864 for instructions.

THE MAXIMUM POSTED SPEED LIMIT IS 10 MPH unless otherwise posted. Many residents walk, run, and ride bicycles while playing music in their ears. Some of us are elderly and deaf with grandchildren, girlfriends and boyfriends on our mind.

Please do your part, slow to a safe speed, and obey the signs especially during the hours of darkness and DRIVE SAFELY.

Monthly

ALS Awareness Month. ALS, also known as Lou Gehrig’s disease, is caused by the death of neurons, leading to stiff muscles, twitching, and gradually worsening weakness. No cure is known, but this month is an opportunity to spotlight and support research to fight this deadly disease.

Better Hearing Month. Approximately 36 million Americans suffer from some form of hearing loss—and more than half are under 65. Visit an audiologist today to learn how to protect your hearing and ensure that your ears stay healthy throughout your life.

National Military Appreciation Month. As designated by Congress, National Military Appreciation Month celebrates the history of our armed forces and recognizes the brave people who have served in every branch of military service. It also allows Americans to educate each generation on the historical impact of our military through community participation.

National Bike Month. Sponsored by the League of American Bicyclists and celebrated in communities from coast to coast, National Bike Month is a chance to showcase the many benefits of bicycling and encourage more folks to giving biking a try.

Weekly

Children’s Mental Health Awareness Week, May 3-9. A yearly event aimed at raising awareness of the issues and causes integral to the children’s mental health field nationwide. Sponsored by the National Federation of Families for Children’s Mental Health, this year’s theme is “Healthy Families, Resilient

Food Allergy Awareness Week, May 10-16. Food allergies affect up to 15 million people in the United States, including one in 13 children. Whether you’re newly diagnosed or brushing up on the facts, learning all you can about the condition is the key to staying safe and living well with food allergies.

American Craft Beer Week, May 11-17. American craft brewers are small, independent, and traditional. The average American lives within 10 miles of a brewery, and the United States now has more beer styles and brands to choose from than any other market in the world. Enjoy a cold one (responsibly) all month long.

The absent-minded composer

The famous composer Ludwig von Beethoven once went to a restaurant for some dinner, but being very absent-minded he forgot what he actually came there for. A waiter asked him several times what he would like to order, but Beethoven paid him no attention.

After an hour Beethoven called the waiter and asked him, “How much do I pay?”

The waiter replied, “Sir, you haven’t ordered anything yet. What I can do for you?”

Frustrated, Beethoven snapped back, “Oh, just bring whatever you want and leave me alone!”

Einstein: A genius with a human touch

Albert Einstein was a scientific genius, and stories about him are legendary. Three stories illustrate that he was as human as the rest of us:

- When Einstein went to Princeton University in 1953, someone asked what he would need for his office. His reply: “A desk, some pads and a pencil, and a large wastebasket to hold all of my mistakes.”
- A student visited Einstein in his Princeton office one day with a copy of this year’s final exam in his hand. “Professor, all the questions on this year’s test are the same as last year!” “Yes,” Einstein replied, “but this year all the answers are different.”
- After finishing a paper, Einstein and his assistant could find only one paper clip in his office to hold the pages together. Unfortunately, it was bent out of shape and impossible to use. They searched the desk for something to use as a tool to straighten the clip, and found a full box of paper clips in one drawer. Instead of taking one of those clips, Einstein used one as a tool to straighten out the bent clip.

The assistant asked why he didn’t just use one of the fresh clips. Einstein answered, “Once I am set on a goal it becomes difficult to deflect me.”

A lesson in taking chances

A story from the book *Art and Fear*, by David Bayles and Ted Orland (Image Continuum Press), illustrates the power of taking chances and risking failure when you're trying to achieve something of quality:

On the first day of class, a ceramics teacher announced that he was putting his students into two groups. Half the students would be graded on quantity of works produced, the other half on the quality of just one work. On the final day of class, the instructor looked at the pots from both groups and realized that the best pots—those with the most creative designs and those that seemed most beautiful—all came from the group graded on quantity.

As the authors put it: “It seems that while the ‘quantity’ group was busily churning out piles of work—and learning from their mistakes—the ‘quality’ group had sat theorizing about perfection, and in the end had little more to show for their efforts than grandiose theories and a pile of dead clay.”

Take a fresh approach to solving problems

You don't always want the same old solutions to everyday problems. Sometimes you want to try something different. From the *Fast Company* website comes these ideas for finding a fresh approach:

- **Rephrase the question.** The way you frame the problem may limit your options. Teach yourself to expand the scope. Instead of, “How can we throw a great birthday party for Ted?” Ask, “What can we do to make this a memorable birthday?”
- **Look for bad ideas.** Seeking perfect solutions can put too much pressure on your creativity. Give yourself a break and try coming up with some bad ideas. You'll get them out of the way quickly, and sometimes a bad idea can lead to something new and exciting.
- **Challenge your assumptions.** Take a hard look at your basic beliefs about the situation. Is the customer really always right? Is the lowest price necessarily the best deal? Turning your assumptions on their heads can suggest a different direction to go in.

Report: Fiber may prevent breast cancer

Parents and young women concerned about breast cancer may want to take note of a study from the journal *Pediatrics*: Scientists have discovered that adolescents and young women can significantly reduce their chances of getting breast cancer later in life by eating a high-fiber diet early on.

Researchers tracked more than 90,000 women over a period of years. Women 27-44 answered questions relating to their diet as adults and in high school. The data they collected about fiber consumption, after screening out other factors like race and family history of breast cancer, showed that women who had eaten high amounts of fiber had a 12-19 percent lower chance of getting breast cancer. In addition, women who reported a high fiber intake during their high school years were found to have a 16 percent lower risk of suffering breast cancer overall, as well as a 24 percent lower risk of being diagnosed before menopause.

Fiber from fruits and vegetables appear to offer the most health benefits.

Keep your workplace a healthy zone

From Ebola to the Zika virus, new diseases seem to be rising every day to threaten our health. If you're a manager, you should do everything you can to keep your workforce safe from illness. Take these steps to minimize the risks:

- **Adjust absentee policies.** Many organizations still penalize workers for taking sick leave. Let your employees stay home when they're sick rather than risk infecting others.
- **Promote hygiene.** Post restroom signs urging workers to wash their hands frequently. Instruct cleaning services to wipe down telephone receivers as well as desk surfaces.
- **Plan ahead.** Consider how you'd respond if your department experienced a 30 percent absentee rate. How can you ensure that essential functions are covered? You can't stop bad things from happening, but you can take steps to keep them from crippling your organization.
