FROM THE PRESIDENT’S DESK

Howdy Neighbors!

I hope your new year has been off to a great start (2026, already?!) and the stress and woes of last year got packed away with your holiday decorations (and by the way, our neighborhood decorations are coming down on the 12th!). As we start the new year, you'll no doubt notice that there's a different look to things around here.

If you hadn't heard, Ray Sears has stepped down as president after 10 years of service (thanks so much, Ray!) and I was elected as the new president.

I imagine y'all are wondering, "who's this guy?" so here's a little about me:

My wonderful wife, Pat, and I have been full-timers at "48 on the lake" since December of '23 and jumped right into getting involved with neighborhood activities. We moved to Florida from Arkansas (Woo Pig Sooie — Go Hogs!) and we’re still part of the rat race, but we try to maximize our downtime by exploring: places, the arts, live music and sports, and all kinds of food and drink... or just doing nothing at all. We haven't had the fortune to meet all of y'all, but we love this neighborhood and want to see it prosper. Stop by lot 48 and say hi!

As for the HOA, I intend to live up to the oath I took last week, to...

- uphold and enforce the governing documents of our community,
- act in the best interests of all homeowners, and
- carry out your duties with integrity, fairness, and respect;
- work to preserve the harmony, safety, and beauty of our neighborhood,
- make decisions with transparency, accountability, and care,
- accept this responsibility with gratitude and commitment, and
- strive to leave our community better than I found it.

I appreciate this opportunity and look forward to working with, and for, all y'all. Keep scrolling for a few community notes.

- Our HOA website is live!

Visit shorelinepalmshoa.com for community announcements, activities, and group and board information.

- New HOA emails!

We've created some fancy, new emails to go along with our fancy, new website. Add the following to your address book:

- news@shorelinepalmshoa.com (we're using this to send y'all community information)
- board@shorelinepalmshoa.com (send all your HOA questions and comments here)
- admin@shorelinepalmshoa.com (send all your website questions and comments here)
- Clean is keen!

When you're enjoying any of our community amenities (ie pool, gym, clubhouse, etc.), please make sure you've cleaned up after you're done doing whatever you're doing.

I hope to see y'all soon!

Your neighbor,

Mark Francis

501-773-3226 Lot 48

DID'JA KNOW??

This is for all those domestic engineers. If, for some reason, you can't put that smelly shirt in the washing machine yet, this tip will be very helpful. Since vodka contains alcohol, it's ideal for removing strong odors from fabrics, as it kills the bacteria causing the smells. Spraying a small amount of vodka on the affected areas of your clothes or your sneakers can temporarily solve the problem. But be careful to use just a little! You might want to put a little aside with some OJ to get you through those cleaning chores.

GREETINGS SHORELINE PALMS RESIDENTS!! *SCOOP* HERE!! NOT SPEAKING OF SPORTS.....

FEBRUARY 2026..

These past 4 months have not been kind to *SCOOP*. With falls, doctor visits, family visiting, the holidays, and topped off by a 10 day cruise to Aruba, time got away from me more times than I would have liked. All sports information will be updated for that time period in our March issue of the Media. I think I’m at the point now where I can devote more quality time to the media. In the meantime, thanks for your patience and be sure to let me know if you spot any glaring errors.

Answer to January’s Trivia Question:

Unfortunately, I did a little extra pasting after copying the question for January. Consequently, the answer (ALASKA) came out right after the question. No suspense there. Sorry for the mix-up.

This month’s Trivia Question:

Who was credited with introducing the verb “to gossip” into literature?

News of noteworthy events that take place within your family, or involving friends, will be moved to a new column called **SHORELINE PALMS A-LISTER NEWS**. Watch for it!!

And remember, when it’s news in Shoreline Palms, it’s news to me.

Meeting of minds

The famous movie actor/director Charlie Chaplin once met the world-renowned physicist Albert Einstein at a public event. According to the Storypick website, Einstein told the comedian: “What I most admire about your art is your universality. You don’t say a word, yet the world understands you.”

To which Chaplin replied, “True. But your glory is even greater. The whole world admires you, even though they don’t understand a word of what you say.”

Mistaken identity

Even Queen Elizabeth II sometimes goes unrecognized. A story from the Hello magazine website tells of a time when the queen’s car drove up to the Royal Windsor Horse Show in 1991. A guard walked up and told her, “Sorry, love, you can’t come in without a sticker.”

Unfazed, her majesty answered, “I think if you check, I will be allowed to come in.”

He did, and she was. The guard admitted later that he’d thought the queen was just “some old dear” who was lost.

Penalty box

Gordie Howe was one of the greatest hockey players of all time. One night his team, the Detroit Red Wings, was playing the Toronto Maple Leafs at Maple Leaf Gardens. Howe believed one referee was favoring the home team, so he skated over and asked, “Hey, refer, what would you do if I called you a homer?” (a sports official who makes obvious calls for the home team.)

“I’d have to give you two minutes in the penalty box,” the ref replied.

“What would you do if I only thought you were a homer?”

“I couldn’t do anything. Your thoughts are your own.”

“Good, because I think you’re a ----ing homer!”

And yes, Howe got two minutes in the penalty box.

Your family's medical history may be key to a longer life

Fitness and a good diet are important to staying healthy and living longer, but scientists say our genetic traits and inheritance also determine health and longevity. By keeping track of your family's medical history, you and your doctor may be able to detect diseases you're likely to develop before they get the best of you. Here's what to learn:

Whom should you ask to find out about your family's health/medical history?

- Mother
- Father
- Siblings
- Aunts
- Uncles

What information should you document?

- Causes of death
- Diseases and disorders, such as visual impairment, glaucoma, hearing impairment, obesity, diabetes, high blood pressure, coronary heart disease, cancers, depression, muscular dystrophy, Tay-Sachs disease, hypothyroidism, Down syndrome, etc.
- Habits, such as smoking, diet, alcohol or drug use, exercise, and fitness.

Where should you keep the information?

Record your family's health and medical history in a journal. Create a chart or family tree listing any health traits under each person's name. Take the journal with you whenever you or your immediate family members are scheduled to see your family physician. Share all of your findings on your family's medical history with your doctor and record any new information after each physical.

Listen to the advice of these millionaires

To manage your money wisely, good advice is imperative. Listen to these words of wisdom from millionaires around the world:

- Robert Kiyosaki, author of *Rich Dad, Poor Dad* (Warner Books): "It's not how much money you make, but how much money you keep."
- Warren Buffett, investor: "Never depend on a single income. Make investments to create a second source."
- Tony Robbins, inspirational speaker: "Don't think in terms of taking huge risks to get huge rewards. Think about the least amount of risk for the greater reward, and be disciplined about that."
- Dave Ramsey, entrepreneur and radio host: "Financial peace isn't the acquisition of stuff. It's learning to live on less than you make, so you can give money back and have money to invest."
