# KATRA PECK'S PAINTING CHOSEN FOR DISPLAY IN HORIZON WEST BAY COMPLEX IN DOWNTOWN LARGO

*Story and photos by Susan Kerr, LINK Editor*

**P**alm Hill resident Katra Peck is a self-taught artist whose artwork attracted the attention of the City of Largo as a permanent fixture in the soon-to-be-opened Horizon West Bay complex in downtown Largo.

Katra's artwork was spotted at the Largo Community Arts Center, where Largo officials were seeking local artists' works to display in the new City Hall complex under construction.

"We specifically sought artists whose modern abstract styles aligned with the building's design. While some of the art is from out of state, we primarily focused on local and regional artists. We were thrilled to discover Katra Peck's work through the Largo Art Association," said Kate Oyer, Communications and Engagement

Director for the City of Largo.

"We selected and purchased an original piece from Katra, which will be displayed in the office space, most likely on the second floor. Although we will also have a rotating gallery in the lobby, Katra's work is one of approximately 40 pieces purchased for the interior office space to be permanently displayed. Two other Largo artists are Georgia Wildrick and Leslie Jeffery," Ms. Oyer said. She said the downtown complex is expected to open the center in the Spring.

The 30 by 40-inch abstract painting purchased by the City of Largo was inspired by the rocks at Sand Key, said Katra. (*A photo of the chosen painting was not available to the LINK, but will be on view this Spring at Horizon West Bay.*)

*Note: From the City's Press release: Horizon West Bay will be the new home of City Hall and will be a mixed-use development designed to spark economic growth, strengthen community connections and bring new energy to the West Bay Drive corridor. It will include public gathering spaces, including night markets, live music, art pop-ups and seasonal celebrations.*

## CREATIVE ART SPACE ATTRACTS PALM HILL RESIDENTS ON TUESDAYS IN SOUTH REC HALL

**Katra Peck and  
Victoria Richards**

Katra also has organized an art space for Palm Hill residents that meets on Tuesdays in the South Rec Hall. As many as 14 residents have come on Tuesdays from 1 to 4 p.m. to the South Rec Hall sessions, which offer a quiet and peaceful place to work, Katra said. She invites Palm Hillers to bring their supplies to enjoy the art space. The ample amount of tables and chairs in the South Rec Hall allows artists to work alone, spread out, or work in small groups. (The sessions are for artists, not crafters.)

In the past few years in St. Petersburg, Katra has been involved in the Warehouse art district monthly shows and in the Five Deuces Art Gallery juried monthly shows, as well as at the Beach Art Association shows in Indian Rocks Beach, where she won the "People's Choice" award.

She has long been involved in art communities where she has lived, and is happy to be facilitating the creation of an “art space” in Palm Hill. “Come and see what we are doing,” said Katra, who is looking forward to more residents discovering the peace and camaraderie of a community of artists here in Palm Hill.

Henry Klain

Greg Lockwood

Terri MacGillivray

Carolyn Story

**EDITOR'S NOTE:** The story on Page 6 was written by Henry Klain, President of the Board, about the Strategic Planning Initiative. The final report from the consultant was submitted to the Board and explained at a Town Hall in January. The report is available on the Palm Hill website and VANTACA. # WORKING TOGETHER TO SHAPE THE FUTURE OF PALM HILL – STRATEGIC PLANNING REPORT

By Henry Klain, Board President

---

**T**hank you to everyone who has contributed to advancing Palm Hill and helping ensure our community remains modern, vibrant, and appealing to both current and future residents. Your openness to collaboration and willingness to explore new ideas are sincerely appreciated.

Our consultant, Sean Williams of Carbon Design and Architecture, has completed an extensive review of Palm Hill. His work included meetings with shareholders, two Town Hall sessions, in-depth discussions with committee leadership, and meetings with Board members. All discussions were conducted openly and transparently. Sean's analysis, along with the Planning and Environmental (P&E) Committee survey results, are posted on the Palm Hill website, and are also available on Vantaca for your review and download.

We strongly encourage all shareholders to take time to read these important materials.

## WHAT HAPPENS NEXT

The consultant's findings will be forwarded to the new 2026 Planning and Environmental Committee. They will carefully evaluate the recommendations and continue discussions with committees, shareholders, and the Board to explore future options for Palm Hill. This will be a thoughtful, step-by-step process, and your participation is welcome and encouraged.

## EMBRACING POSITIVE CHANGE

While change can be challenging, it is necessary to ensure Palm Hill's continued success and long-term vitality. With careful consideration and community involvement, we can move forward together in a positive and respectful way.

## OUR COMMITMENT

Please be assured that every potential enhancement will be thoroughly reviewed. We encourage all residents to stay engaged as we work together to thoughtfully shape the future of Palm Hill.

## **VOLUNTEERS ARE THE SPIRIT OF PALM HILL**

By Susan Kerr, *LINK* Editor

**T**he open letter on Page 10 was sent out by longtime volunteer leader and event planner Linda Keehl in a web blast to Palm Hillers. It has been posted on the Office front window and on bulletin boards in both the North and South Rec Halls. It is being discussed around Palm Hill.

Before reading Linda's open letter, consider that Palm Hill runs on volunteers.

Committees and the Board of Directors are made up of volunteers whose contributions of time, talent, resources and labor benefit their fellow residents at Palm Hill. Some stay on the Board for multiple terms to manage Palm Hill's management company and work on legal issues on behalf of all 1,096 shareholders. Some Committee members and other volunteers stay for years in positions of responsibility to help shepherd critical projects through to completion.

Volunteers help the Board on budgeting, research and contracts. They inspect and count votes during elections. In many cases, the same people volunteer year after year to lead and sustain events and activities, and help steward and improve the amenities and offerings at Palm Hill to improve the lives of Palm Hillers.

Volunteers donate labor and time on infrastructure needs: planning, designing and performing labor.

They help during hurricane clean up. They step up whenever the call for help goes out – during emergencies, special projects, at regular Palm Hill events, and at special annual events.

They volunteer for projects at the golf course, at the pools, at the libraries, at the clubhouses, at the sanitation field, on water and other infrastructure projects, on cable projects, on future planning. They plan events, buy food, cook and clean up at events.

They fix leaking toilets for residents; they distribute free food to residents and shut-ins. They send out web blasts, they work on the website, they edit the *LINK* and deliver the *LINK* to people's homes. They keep Channel 732 and the calendars on the website and *LINK* up-to-date; they organize and staff the ZOOM service for all meetings, and post the videos on the website for viewing later.

They track and organize entertainment events, dinners and breakfasts, club activities, Bingo and card games, ukulele events, dancing, stage and theater events. They decorate the rec halls and front lawns at holidays. They lead exercise, sports classes and wellness events. They welcome new residents and shareholders; they work on rules and compliance.

They respond to calls for volunteers for special projects; they offer worship and prayer services, they help people get to medical appointments; they collect, store and deliver health equipment to those in need.

And many quietly look out for neighbors and step in to help.

Volunteers are the spirit of the Palm Hill community.

## **“WITH A HEAVY HEART...”**

*From Linda Keehl*

**D**ear Palm Hill Friends and Neighbors:

With a heavy heart, I just need to bring a couple things to your attention for your concern. We have been having a rash of issues with people feeling they have the right to be rude and unkind to volunteers and people who have stepped up to lead activities and help run Palm Hill.

People have even stepped down and refuse to volunteer anymore due to this matter. If we can't get people to step into these roles, we will not have the quality of life you have come accustomed to enjoying here.

I am not talking about all people as I so appreciate and so does Molly (Cardno) all those we can depend on to help us when we need it and show us respect and kindness on a daily basis.

I am talking about the ones that judge people and post it on social media, will say things behind others' backs and not go to the person to at least have a conversation. People leave texts and voice mails or are just rude to your face.

This has got to stop. Palm Hill is so much better than this.

It is exhausting to navigate this on a daily basis and try to do a good job. Molly and I work tirelessly trying to make sure all residents have things to do that they enjoy, keep them young, new things to try to challenge them, and be at a cost that they can afford.

We cannot get people to step up and be leaders for events so we can keep the programs and events coming for you. Some of the comments we get lately are: “I am not putting myself in the position where people will do that to me.”

You see they hear those talking, they see those acting out against someone, and they read what you write on social media.

I am sad for those that have quit with such a bad taste of Palm Hill in their mouth. Please, please I ask you to stop and think before you comment on someone, judge the job they are doing if you have not at least tried to do a few yourself, and try to have a little grace and understanding to work with others when issues arise to work things out.

This has turned into a poison in Palm Hill.

I pray that we can get back to treating others with kindness, show respect and some grace when something may not go perfect.

Thanks for reading and hopefully you will be a part of Palm Hill to be strong against this behavior.

## **TOILET WATER SAVING PROGRAM STILL ACTIVE – Tablets distributed by block captains with the FEBRUARY LINK**

*From Chuck Silcox, Board Member, volunteer Water Program Organizer, Building and Grounds Committee*

**A**s a friendly reminder to all who may have forgotten, and to advise new residents in Palm Hill: The Building and Grounds committee is refreshing the water savings program with a distribution of dye tablets in a plastic bag attached with the February LINK. Description of how to use the dye tablets is attached to the bag.

Water and sewer bills cost \$25 per every 1,000 gals of water. It is an excellent place to reduce our expenses where we can. Any place we can conserve water we can reduce our

expenses. When a toilet or faucet etc. is changed, there are options where some devices use less water; please choose wisely.

The Palm Hill Board of Directors has agreed to pay to repair the toilets that are wasting water. The cost to repair one toilet is about \$15. In four months, we will save \$300 on water and sewer expenses for the one toilet. Since that toilet should not leak for the next five years, that would be an additional \$300 in savings every four months for five years – a savings of \$4,500.

If the dye tablet test shows your toilet is leaking water, go to the Palm Hill Office and fill out a consent form with your contact info so a volunteer can call and come by to make the repair.

When the volunteer comes to make the repair, he will retest the toilet and if it needs repair, he will repair it. He is instructed not to spend time and money repairing toilets that are not leaking.

If for some reason you can't test your toilet, we have some volunteers that can come by and perform the test for you. Just call the OFFICE (727-581-8729) and ask to put your name on the list for a toilet test.

### **SPECTRUM: TIPS/UPDATES FROM CHUCK SILCOX, Board Member**

**W**e are working with Spectrum to create a new 732 system that will be available with the new system.

The good thing about the new system is that you can sign into your account anywhere

in the world and get all the channels; 732 should be available.

Points to note:

1. If you want to watch 732 now before the new system is up and running, and you

update to the new XUMO boxes, keep an old set top box to access the old 732 channel.

2. We are working to get the new cloud version of 732 running and when up, both should be available for a while.

3. If you go to Spectrum and get the new XUMO box(es) and take them home but cannot make them work, call Spectrum and tell them the installation FAILED, and you need help.

## **HELPING SERVICES AT PALM HILL**

### **GEORGEANNE'S HELPING HANDS TO ASSIST WITH MEDICAL TRANSPORTATION**

*Ted Silva, Coordinator, 508-965-6072*

**N**eighbors helping neighbors. If you need a ride to a medical appointment, (or wish to join GHH as a volunteer), please call Ted Silva.

GHH is an informal group of neighbors within Palm Hill who volunteer to drive other neighbors to medical appointments. Those who need transportation may contact Ted, who then alerts available volunteers. GHH usually has a volunteer available to transport people to and from their appointments. (Any appointments always include the return ride.) Volunteers do not accept payment.

Unfortunately, GHH is not always available when needed. Our volunteers are limited, specifically in the summer.

### **Other Services:**

Pinellas Suncoast Transit Authority (PSTA) is a good resource for Palm Hill residents.

The website is: <https://psta.net/programs/psta-access-paratransit/> OR call 727-540-1888 for information on how to enroll. This is a GREAT back up transportation program.

**CARELIFT** - 727-461-8548 is a free service operated by volunteers which goes to Morton Plant and other BayCare facilities north of Palm Hill only. Appointments should be scheduled as far in advance as possible (2 weeks preferred) but can be less. Clients must be ambulatory (folding walkers are allowed.)

### **MESCO**

From Joe Martin: On behalf of the Mesco Board of Directors I want to thank everyone who attended the 4<sup>th</sup> Annual Spaghetti Dinner November 8 and to all the volunteers who made this night possible. The list is too long to mention everyone as I am sure I would miss someone. More than 110 people attended.

## **RANDOM ACTS OF KINDNESS DAY IS FEBRUARY 17**

*Submitted by Pat Foor*

**N**ational Random Acts of Kindness Day is recognized annually on February 17. It was initiated in 1995 in Denver, Colorado by a nonprofit organization called The Random Acts Of Kindness Foundation. It then

spread to New Zealand nine years later and has been growing internationally ever since.

This is an intentional day when we can flip our thoughts from negative to positive, initiate small acts that take little time but pay big benefits. These acts need not cost anything, may brighten someone else's day and give us a positive response to all the negative that surrounds our daily lives.

Let's recognize February 17 by saying or doing something positive for those we encounter that day and, just maybe, the recipient will then do something positive for someone else and kindness will spread.

Of course, we need not limit acts of kindness to just this day but if we are intentional

with kind words and actions, I believe we improve our overall outlook on our own lives as well as on other's lives!
