PRESIDENT'S CORNER

Submitted by Gary Thrasher

The Walmart gate project was delayed while we waited for Duke Energy to establish connectivity which they finally did in early April. The office and the board are working on developing policies for gate access for special events, visitors, lost key fobs, etc. These will all be worked out before the gate is activated.

The analysis of the condition of our roads is now complete with core samples approved in March by the board being completed. The report showed that the road base is in good shape and substantially in compliance with the terms of our contract with ACPLM. Even though the asphalt has places where the thickness is below the 1.5 inches, the recommendation of the infrastructure committee was that we manage the roads we have and use the information to determine where we may want to do some repaving over time.

The Infrastructure committee also looked at the front lift station redesign where the contract was awarded at the March board meeting. With the older of the two pumps failing, and the electric panel taking 6 weeks or so to come in, the committee recommended we do what we can to expedite the project and try to get it completed before hurricane season begins June 1.

Infrastructure is also looking at the water line repair over the canal where an engineering drawing has now been delivered, and the work is out for bid by three contractors we have experience with. The design is to go under the canal to avoid future issues with this line.

The Governing Documents Review committee, under the leadership of Jan McCoy and Maggie Stokes, continues to meet on a weekly basis and is plowing through the rules document, with a lot of great information being shared by both the committee members and through community feedback. Another initiative that has grown out of this effort is an awareness campaign. Watch for emails and other forms of communication, such as posters and signs. I recently noticed blinking red lights on stop signs.

We have been in communication with the Project Manager at Tilman, T-Mobile Fiber and appear to be on our way to getting community and resident issues resolved. More detail was shared at the April board meeting.

Wishing you all a great summer as many of our residents are heading back North.

Respectively submitted,
Gary Thrasher

MANAGER'S CORNER

Submitted by Debra Agamaite, CMCA

As many of you travel home for the summer, safe travels. Spring has finally found us and the cold weather is gone!! Hopefully all will return to their northern homes and find the same good weather.

A few reminders...

Golf carts

- While it's fun to let the grandchildren drive the golf cart, please don't let them. It's not safe to let them do so. The rules are very clear about the age of who can drive them. No one under the age of 18 is allowed to drive a golf cart unless they have a valid learner's permit or valid driver's license.

Pool

- Please stop putting towels on the chairs to 'save' them for later. There are others who like to use them as well. First come, first serve.

Cars

- No vehicle is allowed to park on the streets overnight or on the sidewalks. If you have guests, come to the office and get a guest parking pass so they can park at the clubhouse. Also, if you park your vehicle in your carport, make sure it is not sticking out over the sidewalk. Remember, there is no parking at the lake.

Speeding

- As everyone knows, the speed limit in the park is 10 mph. Please adhere to that speed. Your community always has someone walking or riding their bike so please pay attention to your speed. We don't want anyone to get hurt.

Sign out

- At the office before you leave and turn your water off.

Clubhouse parking

- Please remember when parking your golf carts around the clubhouse to not park in the lines next to the handicap spaces. Parking your golf cart in that area limits the person using the handicap space the room to get out of their car.

Wishing all the moms a very Happy Mother's Day.

Kind Regards,
Debra Agamaite, CMCA
Community Manager

REMINDER: TURN OFF YOUR WATER BEFORE LEAVING FOR THE SUMMER

Protect your home from potential water damage. Before you go away for the summer, please turn off the water to your unit. The shut-off valve is located under or at the rear of your home. Please turn the water off there. Do not depend on the riser valve remaining off. If you need assistance locating your shut-off valve, please contact the office at 727-577-0287. The maintenance crew will come by to show you where your shut-off valve is located. Have a safe and happy summer. See you in the fall.

Rules Awareness Campaign

Brought to you by the Governing Documents Committee

**HEADING NORTH?
Don't Forget!**

**PLEASE TURN OFF
THE WATER SHUT OFF VALVE
TO YOUR UNIT
BEFORE YOU LEAVE.**

This may prevent water leaks and costly damage while you're away for the season.

QUICK REMINDER:
The water shut off valve may be located under your unit.
If you require assistance, please contact the office.

Thank You!

SUMMER SHUFFLEBOARD

Submitted by Maggie Stokes

Summer is a great time to learn or to hone your skills at the shuffleboard court. The courts are not crowded and it's the perfect time to get serious about your form. If you are interested, contact Rick Anderson (RAndersonSunsetPalms@gmail.com) and he'll be more than happy to set something up.

Happy shuffling!

LINE DANCING AT THE CLUBHOUSE

TRAVEL CORNER

Life Is Short — Let's Keep Exploring Together

Submitted by Kim Paquette

Hi friends,
With everything going on in the world today, it's a reminder that we should never put off the things we dream about doing. Every year, we have at least one person who has to put travel plans on hold due to an unexpected health change... someone who was perfectly fine one day, and unable to travel the next. It happens more often than we realize, and it always reminds us how important it is to live now.

And it's not just about health. The world itself is changing, places on many of our bucket lists have been affected by flooding, fires, storms, or political unrest. The truth is that some destinations will never be quite the same again. If there's somewhere you've always wanted to see or something you've dreamed of doing, please don't wait. Go now. Make it happen while the opportunity is there.

Someone once said they'd rather take one great vacation every few years than settle for a cheap one every year, and I completely agree. I've traveled both first class and last class in my time, and believe me, there's a difference! That's exactly why your Travel Committee works so hard — to get the best possible quality and value for you. We pour a lot of care and effort into negotiating with our partners so you can travel in comfort and confidence, knowing you're getting an incredible experience for your dollar.

What many people don't realize is just how much goes into these group adventures. Our Sunset Palms Travelers isn't just a group of neighbors who travel together... we're a community that cruise lines now recognize and compete for. Because of our volume and repeat travel, we've become a sought after group, which translates into priority pricing, exclusive perks, and added bonuses that make a real difference.

A recent survey showed 95% of our travelers love our all inclusive style — one price with everything bundled in. It's simple, fair, and transparent. And if you ever compare rates, remember to compare apples to apples. Our group prices often include beverage packages, Wi Fi, prepaid gratuities, onboard credits, and private group events, things that individual "no perk" deals rarely add in. When you total everything up, our packages usually come out on top in value and experience.

Even better, traveling with our group means you're surrounded by friends. Our private lounge onboard becomes the heartbeat of every cruise — a spot for sunset happy hours, card games, music nights, and celebrations of birthdays or anniversaries. It's where we laugh together, make memories, and share the simple joy of being part of something special. And don't forget — our group rates come with fully refundable deposits up to the cruise line's cut off date, usually about 90 days before sailing. That flexibility gives you peace of mind, something you don't always get elsewhere.

We love what we do, and we're deeply grateful for the trust and support of everyone who travels with us. The friendships we've built and the memories we share are what make this community so meaningful.

So if you've got something on your bucket list, don't keep waiting for "someday." The best time to travel, explore, and celebrate life is now. And we're here to help you do it... together. Please visit our Sunset Palms Travel Facebook page to see some of our upcoming adventures! This summer, several residents will be checking off two of their dream destinations with back-to-back cruises... first around Hawaii and then onward to Alaska.

We've also got an exciting transatlantic cruise where travelers can fly one way to Spain, visit several breathtaking ports, and sail back home to Port Canaveral just in time to settle in for winter at Sunset Palms.

If there's a destination you've always wanted to see, we'd love to help make it happen. Reach out to the Travel Committee, we're happy to explore new options and build small groups for special interests. After all, your bucket list might be someone else's bucket list too!

With friendship and appreciation,
Your Sunset Palms Travel Committee

FIBER ARTS ON TUESDAYS

Submitted by Maggie Stokes

Tuesday is the day to come to the clubhouse and stitch away. Whether you sew, quilt, knit, crochet, upholster, felt, weave, macrame, needlepoint, cross stitch, embroider or do anything with fabric, yarn or needle and thread, please join us. We meet from 9:30 am until 3:00 pm and take a break for lunch. We do have some sewing items for general use. Come on down and check us out.

For more information, please contact Maggie Stokes at StokesMag@gmail.com.

RAINBOW

Submitted by Ralph Payne

A rainbow paints the scape in the afternoon breeze
It's a peculiar sight, for the mind so contently pleased
Only the sun and droplets will exhibit this arresting sweep
The days brightest skies are elated with the new colours it keeps

An astonishing sight in the afternoon sun
The colours in layers attend, displaying one by one
There's always a pot of gold somewhere to be found
Even if the spectrum is far out over the sea or on this galactic ground

The colours of a Rainbow so diverse, appearing this majestic day
The seven colours on view as people look, walk and sway
The light bending to form the colours, dazzling, supremely Inspired
Seen Uniquely different from every eye, still a pleasant desire

Like all euphoric matters, they all seemingly pass and end
As the evening draws near, reflecting with wine and a good friend
It's just a memory, a continuous thought that will grow
Just an ordinary day when we viewed an inspiring Rainbow.

FROM THE EDITOR

Submitted by Bet LeBrun

Newsletters are no longer being delivered by volunteers to your doorstep. The monthly edition is available for pick up in the office by the fifth of each month. The publication is also available on the website.

For some, the snowbird season is over—have a safe, enjoyable summer. For everyone else, be safe and I hope the weather is good. I'll continue to request newsletter articles throughout the coming months!

IMPORTANT!

I would like to remind everyone that this volunteer job is NOT a Monday-Friday, 9 to 5 job. I work all hours during the week as well as weekends and holidays whether I'm in Canada or the USA. I am committed to providing you with an informative newsletter that reflects the happenings in YOUR park, and I can usually accommodate your requests. I know everyone is busy with their lives but if you want your submission to appear in the Spotlight, then please respect the deadline of the 10th of the month prior to publication. The earlier I receive it, the better. Before I submit the newsletter to the publisher, the articles are reviewed for approval, so timing is crucial. As a courtesy, I send out a monthly reminder a few days ahead specifying the deadline date for newsletter submissions and it appears on Facebook under Sunset Palms 3401. Thank you for your attention.

You can email me with articles, pictures, resident interest stories, etc. or if you have an idea for a monthly newsletter article. Email: sunsetpalmseditor@gmail.com

If you notice incorrect Newsletter article content, please notify me at sunsetpalmseditor@gmail.com. Edit requests for the calendar can be made on our website at <https://sunsetpalms.org/events/>. Our goal is to send you, our Sunset Palms residents, the most updated and correct information pertaining to activities and other articles of interest to our community; and remember, you can browse past Newsletters at <https://sunsetpalms.org/newsletters/>.

Many thanks to all who helped with and contributed to this month's newsletter.

You can access the monthly newsletter as well as the calendar at <https://sunsetpalms.org/>.

THOUGHT FOR THE MONTH

Submitted by Pastor Nelson Blount

Think on these things...

Life is full of great moments! Life is full of not-so-great moments. Life can be filled with tragedy. How can we overcome this? We try to tip the scales to bring more of an upbeat emotional outlook on life. The challenge is just how fleeting those efforts can be. So we seek to keep busy pursuing happiness.

The Apostle Paul wrote these words (Philippians 4:8), “Finally, brothers and sisters, whatever is true, whatever is noble, whatever is right, whatever is pure, whatever is lovely, whatever is admirable—if anything is excellent or praiseworthy—think about such things.” Sounds like a self-help book but it really is not. As we have been wonderfully created beings, we are multifaceted in our construction. Being a heart failure patient and potentially headed for heart transplant, I became interested in heart function and was astonished with the electrical function of our heart. Amazing! As much as that is a complex component of our physical system, our brains and thoughts, our emotions and spiritual wellbeing are additionally major complex

components in life.

Jesus said (John 10:10), “The enemy comes to steal, kill and destroy, but I have come that you may have life and life more abundantly.” Going through the Easter season reminds us that beyond a reasonable doubt, Jesus returned to life after being crucified and buried. Ultimately, His resurrected life can be our resurrected life not just when we die but while we are alive. This is the spiritual component of life and has much to do with Paul’s writing to the church in Philippi (chapter 4 verse 8).

So if you find yourself in a discouraging, depressing place; when you lay your head upon your pillow, I simply want to encourage you in this month’s THOUGHT.

I’ve spent my life sharing the Good News with people. I’ve seen miraculous life change in people. At the same time I understand that people disagree. This is the heart aspect of life, that each unique person has the will to say, “yes” or “no.”

My hope is that one Sunset Palms resident will be encouraged. I’m praying for one or two or maybe more to be encouraged and actually experience a deep change in heart, thought and life. So, whatever is true, noble, right, pure, lovely; whatever is admirable, excellent, praiseworthy; think on these things. Take a moment right now. I would encourage you to check out THE CHOSEN tv series. You can watch it free. It’s a free app. You can catch it on YouTube. Take time to set aside any discouraging, depressing, destructive thoughts. I tell people to check them at the door and don’t pick them back up when you leave. Check the “stinkin thinkin” at the door of this moment and choose to not pick them back up when you end the moment.

I’m praying for you as you read this. May God help you to rise above basement thoughts. Look up. The sky is blue. The stars are twinkling. You are not alone.

Sincerely His and yours,

NELSON

LIFT STATION MONTHLY REMINDER - IMPORTANT

Submitted from the Management

URGENT ACTION REQUESTED - FLUSH TOILET PAPER ONLY

Our system is being clogged because people are flushing wipes down their toilets. The product packaging states the wipes are flushable, but they are not septic safe. They are clogging our system and will burn out our pumps.

LIFT STATION – PLEASE remember that the only thing that goes into your toilets is toilet paper. When checking on the lift station recently, maintenance found a “Potpourri” bottle floating. This type of thing CANNOT be put down the toilet. It can do major damage to the pumps and pipes of the system which can be expensive to repair.

PLEASE ALSO INFORM YOUR SUBLETTERS OF THIS LIMITATION!

Thank you for your assistance!

Sunset Palms Management

FLUSH ONLY: Body waste and toilet paper. (The 3 P’s = pee, poo, paper)

It is highly recommended that only ONE-PLY toilet paper be used to prevent clogging the toilet.

DO NOT FLUSH:

- Tampons
- Sanitary pads
- Diapers
- Depends
- Swiffer Cloths
- Dust Cloths
- Wet Wipes
- Kleenex
- Food, etc.
- When in doubt, DON'T FLUSH IT!

When we flush, the waste goes into a **holding tank** that has two pumps to expel the waste **UP and OUT** into the Pinellas Park sewage system. When any of the above gets flushed, it clogs the pump, overheats it and burns out the motor.

NOTE: If your birthday or anniversary doesn't show up, it may be because we don't have it. If you would like to have it shown in the Spotlight Newsletter in the "event" month, please let me know and I will add it to the master list. On the other hand, if you don't want your event to be published, I can remove it from the list - no questions asked.
