## From the Board of Directors

*Roland Doucette, President*

---

Greetings All,

I hope everyone is enjoying the summer. While it may seem like things are quiet as the summer months are quickly moving by, there is a lot going on in the background. This is the time of year that Board Members are receiving bids for upcoming projects. Even though the projects will not even begin until the new budget goes into effect on January 1st, 2026, all of the information needs to be included in the 2026 budget that will be discussed at the upcoming budget workshops.

By the time you read this article, the first workshop for the 2026 budget will already have been held on August 21st. If you missed it and want to comment, make sure to attend the second workshop, which will be held on Thursday, September 18th, 2025, at 2pm in the clubhouse. All homeowners are invited to attend.

The bottom line on the budget will be the same as always. The Board will examine every aspect of every budget item in an attempt to save as much as possible, but in the end, we need to pay our bills. We are not allowed to start the budget process by setting a monthly fee. We are required to provide a budget that pays our bills and figure out the monthly fee that pays for the budget. Hopefully, we can keep any increase to an absolute minimum.

We have had some unexpected expenditures in the last month. First, our annual pool inspection came with the requirement that we install a new drain cover at the deep end of the pool. The cover is required to be changed every 7 years to assure that it does not deteriorate and become a safety issue. It was replaced by our pool contractor, and we received our new license to operate the pool.

The second issue was more significant. The County conducted its annual inspection of our sewer system and found 2 issues. The first we were able to take care of ourselves with the help of our in-house volunteers. The second, however, we were required to hire a contractor to do it, as it required the replacement of 40 feet of 6-inch clay drainage pipe and 10 feet of 4-inch drainage pipe. We needed heavy equipment to uncover the pipe and replace the original with PVC. We are also not allowed, by Federal law, to touch anything that involves the penetration of the sewer system.

With Labor Day approaching, the flags will be put out over that weekend, but they will be picked up by Monday morning so the grass can be cut, unless we hear from our landscaper that

they will not work that day. The turf just grows too fast at this time of year to skip a week. The flags will remain in the flower beds around the clubhouse and entrance on the holiday.

Finally, there will not be an operations meeting on Monday, September 1st, due to the Labor Day holiday.

## **From the Social Committee**

*Lisa Hickerson, Chairperson*

---

**S**ummer will be winding down soon, and we will be heading into fall. Some more fall-like temperatures would be great. We sure could use a break from the humidity! I think it has been high even by Florida standards.

We celebrated July birthdays with Steve D's Philly Cheesesteak truck; we had music by Big & Rich and of course, birthday cake. It was a great time. Can't wait for the next Friday Night Social Hour birthday party. Speaking of the Friday Social Hour. Be sure to come to the clubhouse on Friday nights at 6:00pm. We have Cornhole, Bocci Ball and Shuffleboard going outside, and there is plenty of room to gather on the deck. Of course, if the weather is bad or you prefer the inside, we can gather in the clubhouse as well...there are indoor games we can play as well. If you're not interested in games, it's still a good time to visit with others in the community, maybe meet someone you haven't met and just have a good time.

Something that wasn't a good time was the thermostat going out on the clubhouse refrigerator in early July. The temperature dropped to 20 degrees. Unfortunately, everything in the refrigerator froze. Do you know what happens to frozen soda cans...they explode, and did they ever. It was quite a mess and of course a loss of sodas and some food, mostly condiments. But it is all cleaned up, the thermostat is replaced, and the sodas are replaced. All is well now.

We are still working hard to try to make the holiday trip happen in December. There is also a day trip to the Palm Harbor Museum this September. Additional details for both activities are available in separate articles in this issue.

Have a great month!

## Red Hats

Rosalind Powell, Coordinator

---

July 17th was the date for the monthly Red Hat luncheon. There were 15 Red Hat ladies. We had “Christmas in July”. I want to thank our hostesses Pat Wright, Pat Serletic and Lorrie Ponte for a wonderful and fun time. It truly was “Christmas in July”. We had Christmas decorations and presents everywhere. Sandy Losiniecki won the 50/50 drawing. If you would like to join the dues are \$3.00 a year and a red hat is worn.

We meet every 3rd Thursday of the month. If you have any questions please call me at 904-616-9141.

Roz Powell

## The Blue Jay Holiday Trip

Lisa Hickerson, Social Committee Chairperson

---

The Blue Jay Holiday Trip is December 5-7, 2025. Brochures with the trip details can be found in the clubhouse. If you are not here and would like a copy of the brochure, one can be sent to you. Contact Lisa Hickerson at L.hickerson916@gmail.com or 817-729-1993. As a reminder, this trip is contingent on having at least 40 participants, or we cannot do it. All Blue Jay residents, family and friends are eligible.

We began handing out registration forms on Wednesday, August 6th, and started accepting full payment on Wednesday, August 20th. The last date payment will be accepted is Wednesday, October 22nd. We will then make the final payment to the companies involved, at which point it is non-refundable, as it will then be 6 weeks out from the trip.

If you have any questions, please contact any member of the Social Committee.

## Toys for Tots Event Coordinator Needed

Lisa Hickerson, Social Committee Chairperson

---

Kathy Shanks has volunteered to be our Toys for Tots Toy Coordinator, working with the organization. Traditionally, we have held an event in mid-December to present the toys and donations to the Marines. For that, we need a volunteer to be the Event Coordinator. It will be held on December 13th, 2025. This event can be a dinner, a breakfast, etc. It's really up to the Event Coordinator to determine what kind of event they want to have. Please let a member of the Social Committee know if you are interested in assisting with this event. It is a lot of fun and for a really good cause.

## **Palm Harbor Museum Day Trip**

*Lisa Hickerson, Social Committee Chairperson*

**P**alm Harbor is celebrating 100 years this year. We thought a fun way to celebrate would be with a day trip to the Palm Harbor Museum. It will be on Thursday, September 25th. A signup sheet has been posted in the clubhouse.

We will meet at the museum at 9:45am for a docent-led tour at 10:00am. Parking is free, and carpooling is a good idea. The museum does not charge admission, but they do appreciate cash donations. If you would like to donate, you can make it at the museum, or we can collect in advance and use it to make a single donation in the name of Blue Jay.

The main building of the museum, The Hartley House, has a ramp and plenty of room to maneuver inside with a walker. The smaller building, The Grove House, has a few steps up to the porch to enter.

## **Crafts Class**

*Submitted by Christy Spencer*

**W**e have our craft class on the 1st and 3rd Friday of each month. It is at 1:00pm in the clubhouse. Please let me know the week before crafts if you plan to attend so that we can be sure we have the supplies we will need for everyone. We hope you will join us; we really are enjoying this time together!

## **RV Lot Users**

*Submitted by Randy Spencer*

**I**f you are using the RV lot to store or park a vehicle of any kind you are responsible for your assigned spot. This includes weeding and picking up trash as needed. The weeds have gotten too high in some areas. Please check your assigned space and pull or cut weeds and clean it up as needed.

# Snow birds

## The Early Bird Shuffle

In Port Charlotte, a local diner owner shared how snowbirds would start lining up at 4:30 p.m. for the early bird special. “It’s like clock-work,” he said. “They come in, order the fish fry, and are out before sunset. One couple even brought their own salt shaker because they said ours wasn’t ‘zesty enough.’”

## Gator Misunderstanding

A snowbird from New Jersey staying near the Everglades mistook a sunbathing alligator for a “weird-looking log” and tried to take a selfie with it. A neighbor quickly intervened. “I thought Florida wildlife was just flamingos and pelicans,” she said later. “Now I know better—and I zoom in from a safe distance!”

## Laundry Room Diplomacy

In a Sarasota condo complex, the shared laundry room became a hub of snowbird diplomacy. One Canadian retiree recalled, “We had a sign-up sheet, but it turned into a social calendar. You’d go to do laundry and end up chatting for an hour about hockey, grandkids, and the best place for grouper sandwiches.”

## Golf Course GPS

A Michigan couple new to The Villages got lost on their golf cart trying to find the right course. “We ended up at a pickleball court, then a dog park,” the husband said. “Eventually, someone gave us a paper map. It felt like a treasure hunt—but with sunscreen.”

## Community Theater Surprise

In Naples, a snowbird from Ohio auditioned for a local play “just for fun” and ended up landing the lead role. “I hadn’t acted since high school,” she said. “But the director said I had the perfect ‘retired librarian energy.’ Now I’m a star every winter!”

## Imposter Scam

### The top types of imposter scams:

An imposter scammer may call, text, or email to convince you they are **someone in authority**. They may even use caller ID to make it look like they are calling from an official government or business' number. To commit identity theft, they try to get you to send money or a gift card or share personal information.

- **Government** imposter scams - Unless you contact them first, government agencies typically initiate communication with you by letter. Unexpected contact or demands through any other method may be a scam.
- **IRS** imposter scams - scammers pretend you owe the IRS money for taxes and may threaten legal action
- **Social Security** imposter scams - scammers claim there is a problem with your Social Security account or promise to increase your benefits
- **Charity** scams - scammers pretend to be from a real or fake charity and try to get you to contribute
- **Grandparent scams** - scammers pretend to be a grandchild or other relative who needs emergency financial help
- **Tech support** scams - scammers tell you your computer's security is at risk and try to remotely access your device and steal personal information or ask for payment
- Scammers may also pretend to be from your **bank or a company you do business with**. You might be told you owe money or there is a problem with your account.

**Report Imposter Scams Online to the Federal Trade Commission**
