**Mobile Home

**8/4/2025**

**To: Lake Seminole Resort Residents**

**From: LSR Board**

**Subject: Monthly Activity Report: July 2025**

---

**D**ear Fellow Residents:

Reminders:

1. All overnight visitors must be registered in the office.
2. No visitors are allowed to bring pets into the park.

**Hall Roof:** The hall roof replacement is complete. The remaining items to be installed are gutters. These will be completed in the first week of August.

**Potable Water:** A major water leak was found in the park. The leak was detected first by the increase in water usage and located where water was found behind one of the homes in the park. The leak was present from 11 July to 24 July. The park water usage increased from about 9000 gallons a day to 14,000 gallons a day.

**Pool Status:** The housing for the pool filters continued to fail in July. We are contacting the manufacturer to help determine the cause of the failures. Right now, we are forced to back flush the filters three times a week to keep the pressure within acceptable limits. In addition to the filters, the circulating pump failed.

The circulating pump is being replaced this week. This will allow the geothermal cooling of the pool.

**Tree Trimming:** The arborist we use to trim the palm and oak trees in the park recommends trimming the palms only once a year in the fall. We are going to follow his recommendations. Approximately ten (10) palms were removed from the park along with the stumps. Seed pods are being removed from the palm trees.

**Lift Station Generator:** The lift station generator permit is delayed. At the time of this writing, we are unable to get a clear time frame for the installation of the generator.

**Committees:**

Park Improvement/Ladies Restroom Committee:

- **Front Fountain:** The Board extended the time for shareholders to submit ideas and cost estimates for the front entrance. Please send to Steve Schaefer at [lsrdirector12@gmail.com](mailto:lsrdirector12@gmail.com) by the 30 of September 2025. The submittals must include details of the concept as well as an estimated cost to the park.
- **Hall Sign:** The new activity sign outside the hall is scheduled to be installed around 15 August 2025.
- **Pressure washing sidewalks:** The Board received quotes for pressure washing the sidewalks in the park for about \$8,000. The Board believes this to be too expensive and will request volunteers to help pressure wash the sidewalks when residents return for the season. This was done a few years ago and seemed to work well.

• **Pool Furniture:** Four new white tables for the pool area were purchased along with four new white benches for the front of the office and hall. Eighteen (18) new grey benches were procured for the shuffleboard courts.

• **Lady's Restroom:** The renovation to the lady's room by the pool has been delayed due to concerns from the committee regarding the opening of the door to the first commode stall. A modification to the stall door is planned but will take until the end of August.

**Pet Committee:** A committee was formed to review the rules and regulations and suggest changes for pets in the park. Please keep an eye out for updates from this committee.

**Sea Wall:** The sea wall was inspected and found to be in good condition. There are two areas near the cove that will have some minor backfill added.

**Complaints:** Any shareholder that has a complaint, please send these complaints to me, in writing, at [lsrdirector12@gmail.com](mailto:lsrdirector12@gmail.com). All complaints must be dated and signed.

**Financial:** The financial reports for July will be posted in the hall. The expense statement for July will be sent out in a separate email.

Board Meeting: A Board Meeting will be held in August. The date is yet to be determined.

President

## FIRST FRIDAY SEMINOLE

After taking a break in July and August, the very popular First Friday concerts held at the Seminole City Center will be starting up again on September 5th. I will continue to post these events in the LSR Bulletin Calendar, that is shown near the end of each issue. Here are a few things to know about these concerts:

- Seminole First Friday events are located at 11201 Park Blvd. N., Seminole, FL 33772 (in front of Studio Movie Grill)
- The events are free and parking is free.
- Bring a folding chair to sit.
- No coolers or outside food or drinks are permitted. There are several options for food and drinks at the event, including a beer and soft drink stand straight out from the stage, and a Tito's Vodka stand near the stage. There is a hot dog stand next to the Tito's stand. Food and drinks are also available from a pub called Irish 31, near the stage, and you might also try Osteria Bricco, an upscale pizza and Italian restaurant. These places get very busy during the First Friday events, so try to be patient.
- There are no port-a-potties at these events, but customers can use the bathrooms at Irish 31 and a few other places.

## **MONDAY, SEPTEMBER 1, 2025 IS LABOR DAY**

---

**L**abor Day is one of the holidays that is celebrated in both Canada and the USA on the same day, the first Monday in September. The labor movement in both Canada and the United States gained traction in the 1870’s when workers organized to get better pay, safe working conditions, and shorter work days. The Labor Day Holiday was made an official national holiday in both Canada and the USA in 1894. The Labor Day holiday is also seen as the unofficial end of summer. Many people celebrate with cookouts and family get-togethers. Whatever you do to celebrate Labor Day, have a safe and happy holiday weekend.

## **SEPTEMBER EQUINOX IS ON MONDAY, SEPTEMBER 22, 2025**

---

**T**he September equinox is the moments that the sun crosses the celestial equator – an imaginary line in the sky above Earth’s equator, from north to south. This year this happens on September 22nd at 2:19 PM. The March and September equinoxes mark the beginning of the spring and autumn seasons on Earth. The equinox in September is the start of fall in the Northern Hemisphere and the beginning of spring south of the equator.

## THE PINELLAS TRAIL

The Pinellas Trail is a unique greenway corridor linking some of Pinellas County's most picturesque parks, scenic coastal areas, and residential neighborhoods. The trail spans from St. Petersburg to Tarpon Springs, encompassing a 65-mile route through Pinellas County. It's a linear park, primarily following an abandoned railway corridor. The trail also passes through numerous towns and cities, including Palm Harbor, Dunedin, Belleair, Clearwater, Largo, Seminole, South Pasadena, and Gulfport. The trail began as a vision in 1983 when Bert Valery worked with Brian Smith and then-County Administrator Fred Marquis, to get the trail started and helped form the Pinellas County Metropolitan Planning Organization's Bicycle Advisory Committee, consisting of bicycle enthusiasts. The committee, in partnership with the Pedestrian Safety Committee, wanted a safe place to enjoy bicycle riding, strolling or jogging. The County had a separate problem — what to do with a 34-mile corridor of abandoned CSX railroad right-of-way.

The committee's dream became a reality in 1990, when the first 5-mile section of the Pinellas Trail opened, connecting Taylor Park in Largo to Seminole Park in Seminole. The trail became immensely popular, with use numbers exceeding all expectations. With the passage of the first Penny for Pinellas 1-cent local option sales tax, plans were put into motion to connect the county, from north to south, with a continuous trail. An average of 160,000 people use the trail each month. While traveling along the trail, outdoor enthusiasts can enjoy deep glades of ancient live oaks, trailing Spanish moss, quiet waterways and tidal streams with all varieties

of land and water birds. There are several parks either adjacent to the trail or very close to the trail that are good options for parking, trail access, rest rooms and water fountains. The trail also runs next to many shopping centers that locals often use as parking areas. The construction of 10 overpasses and three underpasses allows trailgoers to travel above or underneath traffic at the busiest intersections. The trail is patrolled by the Pinellas County Security Task Force, which represents law enforcement officers from the Pinellas County Sheriff's Office and various municipal law enforcement agencies. Pinellas County park rangers also regularly patrol the trail, just as they do any county park. For more information about the Pinellas Trail check out the website shown below.

## RON JOHNSON MEMORIAL HELD ON JULY 28th

We had a nice turnout in the hall to honor and remember Ron Johnson, who passed away earlier in July. The memorial was held on Monday, July 28th in the hall. Ron and his wife Carolyn were long-time residents of Lake Seminole Resort. His wife, Carolyn passed away just six years ago. As a full-time resident Ron was one of the 'go to' people to address issues in the park. A few years back, Ron assisted with the mapping out of the water lines in the park. In recent years, Ron didn't get out as much, but he was always willing to lend a hand, including an occasional airport run in his new blue Ford truck, that was a birthday gift to himself last year. Ron had two daughters and three sons as well as numerous grandchildren and great-grandchildren. Many of his family members were at the memorial held at Lake Seminole Resort. Ron's family provided the lunch at the memorial and shared many fond memories of Ron's life.

# Did You Know?

More babies are born on September 9th than any other day out of the year, and babies born in September supposedly excel more in school and sports when compared to others. The later birthday leads to them being considerably older, giving them a slight competitive, and scholarly edge against their peers

## **HURRICANE SEASON UPDATE - PINELLAS COUNTY EMERGENCY NOTIFICATIONS**

---

**T**he National Oceanic and Atmospheric Administration's (NOAA) outlook for the 2025 Atlantic hurricane season, is forecasting a range of 13 to 19 total named storms (winds of 39 mph or higher). Of those, 6-10 are forecast to become hurricanes (winds of 74 mph or higher), including 3-5 major hurricanes (category 3, 4 or 5; with winds of 111 mph or higher). NOAA has a 70% confidence in these ranges. Historically in Florida, the most active time for hurricane development is mid-August through mid-October. The state of Florida has the most hurricanes, by a wide margin. Since accurate hurricane records began in 1851, more than 120 hurricanes have made landfall in the state of Florida. Texas is second, with 66 hits.

And according to NOAA, 40% of all U.S. hurricanes have hit Florida.

Pinellas County Emergency Management offers a free emergency notifications service, called Alert Pinellas that will send an email and/or a text to you to let you know about imminent severe weather. You can sign up for emergency notifications at <https://pinellas.gov/alert-pinellas>. You will need to establish a user name and a password for this site, but it is friendly and is easy to navigate. Both year-round residents and Snowbirds may sign up for this service. The site will not send out routine weather reports, but it will contact you when extreme weather is approaching our area. This includes tornado warnings, hurricane or tropical storm warnings, and any other weather event that may require residents to seek shelter or evacuate.

## BE ALERT TO SCAMS THAT TARGET SENIORS

---

A scam that was reported in our park recently was with an Air Conditioning Company who advised a ‘clean-out’ special for \$29.99. After the company checked out the A/C unit they advised the owner that their A/C unit needed expensive repairs costing several thousands of dollars. The proposed repairs were not needed and this was an attempt to scam money from people. Be careful with any company that says you need to spend a lot of money to repair something that seems to be working okay.

This month I’d like to discuss another scam that targets a lot of people, including senior citizens. It’s called the celebrity impostor scam. The AARP Fraud Watch Network receives dozens of reports of celebrity impostor scams every month. Some involve phony product endorsements, such as fake videos of Kelly Clarkson or Shark Tank judges promoting weight-loss gummies. Another version of this scam is where people believe they’ve entered a romance or friendship with a celebrity. The scammer hits the victim when they are emotionally vulnerable, when they might be feeling unworthy, lonely, or bored, or grieving the loss of a loved one. The supposed celebrity needs money, whether launching a new charity or putting down money on the house where you both will live. This is a scam and the scammer is using artificial intelligence (AI) to fool people. Remember, no legitimate celebrity will ever ask for money or personal information online. Most celebrities don’t manage their own social media accounts, so if you truly believe that you’re communicating with a star, go to the celebrity’s website and contact their management team to confirm.

Before buying a product based on a celebrity recommendation, conduct an online search of the person and product, with words like “scam” or “fake”. When you see a celebrity promoting a product or making a political statement on a t-shirt, hat, flag, any surface with text, be suspicious.

The Federal Trade Commission (FTC) is trying to fight these bogus endorsements. In August 2024, the agency announced a new rule that prohibits “fake or false consumer reviews, consumer testimonials, and celebrity testimonials” and allows it “to seek civil penalties against knowing violators.” Finally, always remember that anyone who asks you to send gift cards, cash, or cryptocurrency are likely to be scammers who are trying to steal your money.

## LSR CARES UPDATE

---

LSR Cares had a busy year of lending out various items to residents in need of a short-term loan. This included items to assist with recuperations as well as items to support visiting family and grand-kids. If you have any items to donate, please contact LSR Cares at [LSRCares@gmail.com](mailto:LSRCares@gmail.com). If you need to borrow something, please contact us. There is a form to fill out to borrow something and we can unlock the closet and help with completing the forms. Thank you to all who donated to the closet. Thanks, as well, to our borrowers, for their prompt return of items and for returning everything in good condition. You may contact LSR Cares at the following email [LSRCares@gmail.com](mailto:LSRCares@gmail.com)

## **BID EUCHRE IS PLAYED EVERY THURSDAY EVENING**

**T**hursday night bid Euchre is being played in the hall starting at 6:20 PM. Please see the sign-up sheet in the card room. Justine is happy to teach anyone interested in learning to play, just give her a call.

## **GARDENING**

**E**very Tuesday morning starting at 7:30 AM. If you would like to help out with gardening just show up in front of the LSR Hall at 7:30 AM on any Tuesday. Thanks to all who help keep our park looking beautiful.

## **ALUMINUM CAN RECYCLING**

**P**lease crush aluminum cans and place them in the crushed aluminum can barrel located outside the laundry near the dumpster. The crushed cans are taken to the salvage yard and turned into money for the Social Committee to help to pay for events in the park. There is also a can crusher in the pavilion. Please do not put garbage, glass, tin, paper, or plastic in the crushed can barrel. This is for crushed aluminum cans only. Thanks for your help and cooperation.
