**STOP means STOP  
&  
SLOW DOWN**

*Matt Soehnnlen, GHA President*

**I** have received several complaints regarding people not obeying the posted speed limit of **15 MPH** and not stopping at **STOP** signs in our park.

This issue has created multiple dangerous situations for park members who walk or walk their dogs, ride their bicycles, drive golf carts and their cars.

Please remind family, friends, contractors, anyone who may be visiting you to obey the posted traffic laws.

Just as important, “WE” as a community must obey the posted traffic laws. Thank you for your cooperation in keeping Gateway Mobile Home Park safe.

**A**s part of the NewsNDos monthly magazine ‘team’ I typically take part in receiving and distributing to other residents who perform the actual delivery to each home each month.

This past month I remained away from the Florida home but hope to return prior to Labor Day. As you are aware your August magazine did arrive and this month I wish to thank

Matthew Soehnnlen for his efforts in performing this task.

Special thanks to Thomas Frome for providing the name and address of the towing service now being used to enforce Gateway parking rules: **Comtow 3398 64th Ave N phone number is 800-547-5550.**

## GHA Homeowners Association of Pinellas County, Inc.

*Matt Soehnnlen, President*

---

The first GHA meeting of the 2025-2026 season will be held **TUESDAY, September 9, 2025**, at 7 pm in the laundry room.

The September meeting is scheduled for Tuesday to avoid conflict with the observation of the Labor Day Holiday and extended vacations. The date change is reflected in the September calendar. Thank you in advance for your understanding.

Subsequent GHA meetings will be held on the 1st Monday of the month unless otherwise notified.

## SUMMER BOOK READ

Cindy Taylor, Editor

We have had a great adventure with the Summer Book Read activity with several members of the Gateway Community sharing information about the books they have read or are reading this summer. We welcome Bonnie Sisco as she joins this summer's reading journey. With their permission the books that are entertaining your neighbors are:

*The Last Song* and *Nights in Rodanthe* by Nicholas Sparks.

*I really like Nicholas Sparks and I have challenged myself to read all of his books. I also read *Distant Shores* by Kristen Hannah - BONNIE SISCO.*

I am currently reading *"The Five Wishes of Mr. Murray McBride"* is a novel about a 100-year-old man, Murray McBride, who befriends a 10-year-old boy named Jason Cashman, who has a heart condition and a list of five wishes he wants to fulfill before he dies. Murray, having lost his wife and feeling disconnected from his family, finds new purpose in helping Jason achieve his dreams. I love the humor provided by both the old man and the 10-year old as they navigate an unlikely friendship. The book is written by Joe Siple. - MIKE TARBET

*The Wish* by Nicholas Sparks (Famous photographer recalls her past as she deals with terminal cancer)

*The Orphan Sisters* by Shirley Dickson (WWII England)

*Atmosphere* by Taylor Jenkins Reid (fictional account of a group of women in one of the first space shuttle teams)

*The Summer of Songbirds* by Kristy Woodson Harvey (three women who met as six-year-olds at summer camp band together to "do the hards" for each other) - MICHELLE JOHNSON

I just started *"In the Land of Good Living: A Journey to the Heart of Florida"* by Kent Russell.- KATHRYN NEGRI

*"England"* by Rick Steves: a travel bible for outside London (and I think daytrips to Windsor and Cambridge are due!)

*"The Paris Deception"* by Bryn Turnbull: fictional account of Rose Valland tracking art theft by Nazis in WWII.

*"American Dirt"* by Jeanine Cummins: gripping fiction of the migrant trail from one corner of the globe. She provides 2017 estimates that 200 migrants die seeking refuge every 90 minutes around the world. - KELLY WILLIAMS

*Deep Blue* by Randy Wayne White. Another in the series of thrillers about Doc Ford and his two lives, this book has all the ingredients to fascinate you and stir your curiosity. Lots of action - on land and in the ocean. Keeps the book moving at a good pace. There are several surprises and of course, a great ending. All in all, I thought it a terrific read. My original intent was to read the Doc Ford series in the order they were written but I happened upon "Deep Blue" at the Topeka Library in large print edition and brought it home. I'm glad I did. - HIRAM POWELL

# Hurricane Preparedness

Cindy Taylor, Editor

We all hope that the hurricane season will be gentle to our community this year. We have new neighbors in Gateway therefore the hurricane preparedness information is going to remain as a recurring article this hurricane season. Let's all be prepared!

Pinellas County has an extensive 20 page, multi language preparedness guide which you can access at <https://pinellas.gov/hurricane-guide/> Pinellas County also has a mobile app in English and Spanish: Personalize emergency plans, use checklists, save insurance information, contacts, inventory and more. Emergency notifications will be sent to your phone when possible. Printed copies of the Pinellas County Hurricane Guide are available at: Pinellas County libraries

## YOUR WEBWORLD COMPUTER UPDATE

Peter Soehnlén

---

**R**oadrunner email addresses with the tampabay.rr.com domain are being discontinued by Spectrum. This means you can no longer send or receive emails using that address. Spectrum recommends switching to a free webmail service like Gmail, Yahoo Mail, or Outlook.com.

Here's a more detailed explanation:

**Discontinuation:** Spectrum, which owns Roadrunner, has been phasing out the Roadrunner email platform since 2012, and as of October 2023, tampabay.rr.com email addresses are no longer functional.

**No New Accounts:** You can no longer create new Roadrunner email accounts.

**Active Accounts:** While existing users can still access their Roadrunner emails, the tampabay.rr.com domain is being discontinued, meaning that emails using that domain will not be delivered.

**Alternative:** To continue using email, you will need to switch to a new email provider.

**Legacy Login:** If you are trying to access your Roadrunner email through the legacy login, it's important to use the correct settings, including the password for the legacy login, which may differ from your Spectrum.net password.

**Server Settings:** When setting up a new email account, you may need to use specific server settings. For example, you might need to use mail.twc.com as the IMAP server, according to the email toolbox.

I was personally made aware of this issue during July when, without notice, I suddenly lost access to my four working tampabay.rr email accounts. I suspect it was the result of my having cancelled my Spectrum service and not shown interest in what they believed to be the affordably discounted service value were I to re-subscribe. If you wish to reach me via email please use: samsezoh@gmail.com or text using 727.269.9569.

## GATEWAY MEMORIAL SERVICE

Peter Soehnlén

---

**T**he Memorial Service for current and former residents who have passed away will be held the 4th Sunday in January of 2026. As of the end of July I have a listing of 17 individuals known to have passed away who will be memorialized.

***They are: Russ Arsenault, Ted Baker, Winnifred Farquhar, Anne Flaherty, Elise Freeman, Jennie Hammond, Richard Harmon, Robert Harris, Mary Jane Jackson, Betty Kennedy, Corey Koeppen, Barb Koubeck, Joseph Lopez, Teri Mikoloski, Thomas Mills, Paul Sink and Kathleen Soehnlén.***

Anyone knowing of someone who should be recognized at this service please text message Peter Soehnlén at 727-269-9569 or email at **samsezoh@gmail.com** with the name and any pertinent information you might have.

It is important to understand you should not rely on the thought that someone else may report that someone you are aware of has died. We would much rather be told several times than neglect to have them mentioned.

## REMINDER - HOW TO SURVIVE THE HOT DAYS OF SUMMER!

**T**o stay cool during hot weather, prioritize hydration by drinking plenty of fluids, especially water, and consider eating water-rich foods like fruits and vegetables. Limit strenuous physical activity during the hottest parts of the day and seek shade when outdoors. Dress in loose-fitting, light-colored clothing and use fans to encourage airflow. Taking cool showers or baths, especially before bed, can help regulate body temperature.

Detailed Tips for Staying Cool:

**Hydration is key:**

Drink plenty of water throughout the day, even if you don't feel thirsty. Consider water-rich foods like fruits and vegetables.

**Seek shade:**

If you need to be outside, find shaded areas to rest and avoid direct sunlight, especially during peak heat hours.

**Limit strenuous activity:**

Avoid intense physical exertion during the hottest parts of the day. If you must be active, do so in the cooler hours or take frequent breaks in shaded areas.

**Wear appropriate clothing:**

Choose loose-fitting, lightweight, and light-colored clothing to help your body stay cooler.

**Use fans:**

Fans can help circulate air and create a cooling breeze, especially when used in conjunction with open windows.

**Cool showers or baths:**

Taking a cool shower or bath can help lower your body temperature, particularly before bed.

**Keep your home cool:**

Close curtains and blinds during the day to block out sunlight and open windows at night to let in cooler air.

**Be mindful of others:**

Check on family members, neighbors, and pets to ensure they are staying cool and hydrated.

**Know the risks:**

Be aware of the signs of heat-related illnesses like heat cramps, heat exhaustion, and heat stroke, and seek medical attention if needed.

**Consider a cool compress:**

Applying a cool, damp cloth to your neck or forehead can provide quick relief.

**Eat light meals:**

Lighter meals can help your body stay cooler than heavier, richer foods, according to the Red Cross.

**Stay inside during peak heat:**

If possible, avoid being outside during the hottest parts of the day.

**Use a fan to enhance airflow:**

Open windows on opposite sides of your home to encourage airflow.

**Seek medical care if you feel affected by the heat.**

**STAY SAFE & COOL FRIENDS!**

# GATEWAY COMMUNITY DIRECTORY

Peter Soehnlén

Each year in association with Gateway Activities and Homeowners Associations there is published a Directory of Park Residents. On average there are about 15 – 20 new arrivals to the Gateway community each year. This year as a result of our storms the number is significantly greater. I had hoped to contact all the new residents to obtain verification prior to including your names and addresses. I have been able to for some but not all.

New Residents - Your inclusion in the Directory is voluntary and should you wish to be included in the 2026 directory please contact Peter Soehnlén at 10402 1st Street or 727-269-9569 for Details.

The 2025 Gateway Directories were delivered along with the May issue of NewsNDos. As you will note, Pinewood Village information was not included. There are a limited number of the new Directories available should your copy be lost or eaten by a pet.

## GATEWAY WASTEPRO TRASH HAULING
