SOCIAL CLUB NEWS

Marsha Dixon #314, President, 931-607-1493

We are noticing more northerners returning for our new season, and we are getting excited about new events and activities we have planned for the next few months! Most of us stayed very busy this summer with new activities and fun events, and remained lucky to escape storms this year (as of the date of writing this article)!

We took a little break after Labor Day, but we are mashing the gas pedal and speeding up on October plans. Our first Coffee Hour for this season was very special as we honored our 30 year Founders of Doral RO. Our RO was founded July 1st, 1995. We have seven founders that we recognized as everyone enjoyed pastries and muffins and special treats. Carol Sears, Pam Hill, Jesse MacDonald, and Jim Filcheck were given 30 year certificates. Bob Sears, Margaret MacDonald, and Frances Huddleson could not attend. They all spoke about how

...continued on page 6

everyone volunteered on all projects as we still do today in our community.

We celebrated Breast Cancer Awareness at our second coffee hour. Everyone wore pink and were given pink ribbons to honor breast cancer survivors and those lost to this disease. OneBlood also visited our community immediately after Coffee Hour. Thanks to everyone that donated blood to help others!

We will have a report of our Health Fair sponsored by Archwell Health and our Flu Shot Clinic sponsored by Walgreens in our next edition.

Our Social Club has worked hard over the summer to upgrade several things in our community (pulling weeds and putting out new mulch at the Cottage, purchasing another grill for the CH, purchasing new blinds for the kitchen in the Cottage, etc.). We also enjoyed huge July 4th and Labor Day events and lots of small celebrations and activities. We will host a big Thanksgiving lunch. Please read the article attached for details. Don't forget about our Vegetable Market and November meetings as scheduled on our calendar. There have been some changes in dates of these events. Our FB page will also keep you updated on our schedule. Our November meeting will be very important as we discuss our new By-Laws! We will also begin our monthly dances with DJ Doug Armstrong on Nov.1st. Kim Aguinaga will begin selling tickets on Nov.5th for Tangent as our entertainment on Dec.6th at Coffee Hour. For questions, please call (586)557-7586.

As you see, we never stop having fun in our beautiful community. We are so thankful for 30 years of great entertainment, fun activities, too many card games to count, lots of Bingo games, so many friendships that have become family, and especially remembering previous residents that have worked hard to make our community what it is today. We appreciate all of our volunteers and are definitely looking forward to a new season of making many more memories!

Turkey Trot Thanksgiving Lunch

Doral Social Club

Doral Social Club invites you to our annual Thanksgiving Lunch at noon in the CH. Our meal will be catered and served or delivered to your home. Our Turkey Trot meal will consist of Turkey, Ham, Homemade Dressing, Gravy, Cranberry Slices, Green Beans, Mashed Potatoes, Sweet Potato Casserole, Roll, and Pumpkin Pie. The cost for each meal is \$20, however, if you are a Doral resident, Doral Social Club will pay \$10 for each meal (each resident will pay \$10 for their meal). If you have a guest attending, their meal will cost \$20.

WOOHOO - KARAOKE WITH GARTH IS BACK – NOVEMBER 8TH

Janice Evelyn, Lot #230, 727-251-9096

OMG it's finally here – Karaoke with Garth starting November 8th at 7:00 in the Clubhouse! So start clearing those vocal cords that have been sleeping all summer and join your neighbors (and friends, all are welcome) to an evening of fun and hidden talents! Hopefully by November 8th a lot of our northern friends will be here and it will be a good way to renew old friendships and catch up with what's been happening since last April! If you're new to Karaoke, remember **EVERYONE IS FANTASTIC!** No need to be shy, we want to hear you! Do you like to dance? Great because we invite everyone to get up and stretch those muscles, especially if you hear someone singing one of your favorite songs, don't be afraid, we encourage dancing even while someone is singing! Karaoke Night at Doral is meant to be a **FUN** night for all, singers, dancers and listeners alike.

So mark your calendars for **November 8th, 7:00 – 9:30 PM**, admission is only \$4.00 per person and outside guests are always invited. Of course there will be a “share the wealth”; tickets are 3 for \$1.00 or 20 for \$5.00. Bring your favorite beverages and snacks and enjoy the talents that are hidden here in our little Village! Our only request, when the evening is over, please clean up around your area. We need to leave the Clubhouse neat and tidy! Looking forward to seeing everyone!

ARCHWELL SPONSORED VEGETABLE MARKET NOVEMBER 13TH

Just a reminder that the Archwell Health Vegetable Market will take place on **Thursday, November 13th at 9:00 AM in the Clubhouse.** A special THANKS to Abe Garcia of Archwell Health for sponsoring this service to help residents stretch their food budget. To our seasonal residents, the Vegetable Market moved to **the SECOND THURSDAY OF THE MONTH in the Clubhouse at 9:00 AM to 9:45 AM.** So please mark your monthly calendars with the changes. If you have any questions, don't hesitate to contact Janice Evelyn 727-251-9096. We look forward to being able to provide the Vegetable Market to **everyone** in the park as an ongoing event and its success will be totally dependent on the attendance of Doral Village residents. Thank you to the loyal shoppers that come out and pay us a visit.

The Beach Babes of Doral

Sandy Layne lot #488 732 241 0743

Ladies come join in the fun, with Red Hat's sisters. We are a global society of women that supports and encourages women in their pursuit of fun, friendship, freedom and fulfillment and fitness. The Red Hat society is a rewarding vehicle for reconnecting old friends and making new ones and rediscovering the joy of getting together with other women for the express purpose of having fun, because we have the power to have fun. You pick the events you want to do; you don't have to participate in everything. The cost to join is \$35.00 a year paid to the Red Hat Society. My name is Sandy Layne lot #488 my phone is 732 241 0743. I am the Queen Mother for the Beach Babes of Doral. Call me if you are interested in joining our fun group. If you are a snowbird and join my chapter, when you go back up north, you can join the fun with other chapters.

DORAL KNITTERS & CROCHETERS

Carol Sears 727-789-2536 or cell 727-459-0709

We are looking for knitters and crocheters. We knit baby hats (specific pattern) for the new born babies at Mease Countryside. We also complete shrugs, chemo hats, baby blankets & lap robes for several locations including Mease Dunedin Hospital. Currently Mease Countryside has an overage of baby hats. We still need the other items. Baycare has donated some yarn for us to use. It would be appropriate for the shrugs, chemo hats and lap robes. I also have extra needles if you need them. Give me a call and I will deliver supplies that you need. If you are willing to help out and volunteer with this program, please call Carol. We need to replace two people who used to handle this program.

If you need the baby hat pattern, need items picked up or have any questions, please call me at 727-789-2536 or cell 727-459-0709. Thank you.

DORAL DAZZLERS

Beth #229 ~ 732-614-1704 Carol Ann #576 ~ 816-627-9322

Wow!!! It seems the Doral Dazzlers were doing a little bit of "snow birding" themselves. A lot of us took some time to travel in September and October, so our schedule was quiet getting back into the hang of things! November brings birthday celebrations for three of our beautiful Dazzlers: *Our Lady of Treasures* Judy, *Lady* Marlene and *Lady* Yolanda. We will be celebrating them in their restaurant of choice on the 3rd Thursday of the month. We also are very excited about finalizing the theme for our *Sweetheart Dance in February*!!! *Yippee*!!! However, we are going to keep you in suspense for one more month

Do you belong to ‘Team Coyote’?

In their book, *Beep! Beep! Competing in the Age of the Road Runner*, Chip R. Bell and Oren Harari discuss the messages we can learn from one of the most recognizable pair of antagonists around: Wile E. Coyote and the Road Runner. The authors describe two different cartoons:

In one, the coyote holds a medicine bottle labeled “Acme Hi-Speed Tonic—Contains vitamins R+P+M.” When he gives a spoonful to a small mouse, the rodent zooms around at jet speed. The coyote drinks the whole bottle and zips off after the Road Runner. But the Road Runner stops suddenly, sticks out his foot, and trips Mr. Coyote.

The second cartoon begins with a close shot on a box labeled: “One Acme Jet-Propelled Pogo Stick.” Wile E. removes the pogo stick from the box, switches it on, mounts it, and waits for the Road Runner. As the Road Runner races by, Wile E. begins bouncing up and down after him. But soon the coyote loses control of the stick and falls backward over a cliff.

“What these scenes show is that you cannot remain a coyote and expect to compete against road runners by simply copying their movements,” write the authors. “Sure, the coyote can buy high-speed tonic or jet-propelled pogo sticks, but his body and soul are still coyote. If you are a coyote team or organization, no matter what fads or quick fixes you jump into, you are just imitating a road runner—and the real thing will beat you every time.”

What is a moment really worth?

On the bulletin board of a California company, someone once posted this sign to remind everyone of how time is relative—but the value of time is priceless:

- To realize the value of **one year**: Ask the student who has failed his final exam.
- To realize the value of **one month**: Ask the mother who has given birth to a premature baby.
- To realize the value of **one week**: Ask the editor of a weekly newspaper.
- To realize the value of **one day**: Ask the daily wage laborer who has 10 kids to feed.
- To realize the value of **an hour**: Ask the lovers who are waiting to meet.
- To realize the value of **a minute**: Ask the person who has missed the train, the bus, or the plane.
- To realize the value of **a second**: Ask the person who has survived an accident.
- To realize the value of **a millisecond**: Ask the person who has won a silver medal in the Olympics.

In dreams, you can control your reality

The movie *Inception* explored the idea of controlling one's dreams. Although that featured collapsing cities and struggles in zero gravity, the concept of guiding your own dreams isn't so outlandish. "Lucid dreaming" can allow you to fly, conquer nightmares, and solve real-life problems.

Here's how to take control of your nighttime visions:

- **Keep a dream journal.** The first step to controlling dreams is remembering them. Keep a journal close to your bed, and write down any dream you have as soon as you wake up (or keep a digital voice recorder handy). Look for recurring themes—people, situations, etc. This trains your brain to become more aware of dream activity.
- **Do a "dream check."** Throughout the day, pause and ask yourself, "Am I dreaming?" This trains your mind to start asking the same question while you're asleep.
- **Nap.** Some studies suggest the best time to attempt a lucid dream is during a nap taken a few hours after getting up in the morning. If you wake up during a dream, stay quiet and try to return to the dream as you drift off again.
- **Perform a reality check.** After some practice, you'll start being aware of the fact that you're in a dream. To confirm this, try some experiments: Look at a clock, turn away, then look again. In dreams, the time will change. Or look at yourself in a mirror; in a dream, the image you see will be distorted or blurry.
- **Take off!** Once you're aware that you're dreaming, try taking charge of the environment. Jump up and down to see if you can fly, for example. If you're having a nightmare, confront the danger instead of running away; this can reduce the fear you feel when you

'Double' your brain power with this exercise

Here's a simple exercise for your brain: Pick a small number and then double it in your mind—no paper, no calculator. How far can you get?

Take the number 7, for example:

7, 14, 28, 56, 112, 224, 448, 896 . . .

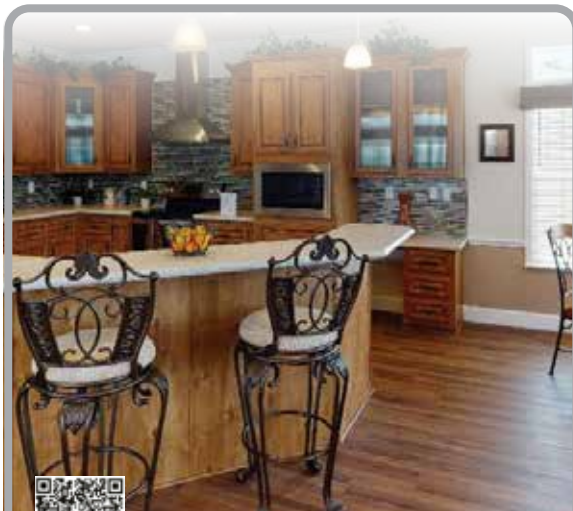

Most people can get close to 10 doublings. Try reaching 20 to really test your concentration. By the way, 7 doubled 20 times is 3,670,016 (but we cheated and used a calculator).

Quotes:

I've met a few people in my time who were enthusiastic about hard work. And it was just my luck that all of them happened to be men I was working for at the time.
—*Bill Gold*

Don't waste time learning the "tricks of the trade." Instead, learn the trade.

People who work sitting down get paid more than people who work standing up.
