Saying farewell to Cynthia Varga.

October saw Lincolnshire saying goodbye to one of our long-time residents Cynthia Varga. Cynthia has lived in Lincolnshire for thirty-four years. She is moving to Virginia to live near her family. Cynthia was a Notary and babysat many Lincolnshire residents' pets during their absence from the community for vacations or hospital/rehab stays. She has been our Librarian for over thirty years and managed the book/puzzle table at our annual Bazaar. Big thank you to Cynthia for all her hard work with our library. We always have new books to read based on her system for cycling through the many books that are donated on a monthly basis. Her work with the Lincolnshire library has brought all our resident readers great pleasure throughout the years. Best wishes to her on her new journey.

FROM THE DESK OF THE PRESIDENT

By: Teri JonesLot# 210..... (269-207-0466),

November 2025 President's Voice Article

Smokin' cigarettes and watching Captain Kangaroo, well do not tell me, I've nothing to do.

If you know me, you know I do not smoke cigarettes. I have not watched Captain Kangaroo or Mr. Green Jeans since 1984 when it went off air, and Lord knows I've got plenty to do!

November brings on true Fall and a lot of activities for our residents (see the Events Committee article by Linda Casey for an update) along with the beginning of our traditional holiday season. Thanksgiving, football, fall colors (okay, just the mums here in Florida) and family gatherings come to mind. To those of us who do not have family in the area, we look forward to gathering with our friends in the community to celebrate the holidays. I hope you all can find something or someone to be thankful for during this season of thankfulness and keep an attitude of joy. A happy soul goes a long way towards a happy and healthy body.

Can you believe this year is the first in ten years that there has been no hurricane that's made landfall in Florida in the months of September or October? I know it is early November, but let's keep our fingers crossed so that we can add this month to that record. Regardless, it is still technically hurricane season so stay ready!

November 4th is the Residents' Club Meeting at 7:00 pm in the clubhouse. Please make sure you attend as this is an especially important meeting. You will be asked for a final vote on the proposed amendments to the Club's By-Laws. The By-Laws Committee worked over the summer to make those proposed amendments, and they were presented to the residents last month at the October 7th meeting. You were given the opportunity to receive copies of the By-Laws either in paper or e-mail format. Hopefully, you took advantage of that so you would be aware of the proposed amendments and be able to vote with confidence. I look forward to seeing all of you at the meeting.

I also look forward to seeing you at the chili cook-off on Saturday, November 8th. We will have volunteer judges tell us who cooks the best chili and baked potatoes to put that award winning chili on once the judging is done. Of course, we will also have bowls and crackers available if you want to have a good ole' bowl of Chili. Yummy, that's like getting two for the price of one!

If you are a new resident and I have not been in touch with you yet, or if someone else with a New Neighbor Information packet hasn't come to see you, please give me a call. I would love to come and meet you and give you a New Neighbor Information packet and introduce myself. My phone number is 269-207-0466. Thank you!

If you have not had the opportunity to make it to a Wednesday morning coffee hour when Officer Keith Bowling is our guest, you really need to make a point of it. He is always here on the last Wednesday of the month. He brings a dynamic personality filled with humor and charm. He gives us updates on the number of service calls that went out to our community in the last month and what the most current fraud alerts are. He usually shows up a bit before our 9:00 am start time and chats with our residents so we can tell him our concerns. Do not miss out on the next one!

As always, remember to check on your neighbor if you have not seen them out for a couple of days. Be kind, love your neighbor, do something nice every day, and remember life is short – eat cake!!

Until next time,

Teri Jones, President Lincolnshire Residents' Club

DIAL DIRECTORY IMPORTANCE 2026

Lincolnshire is a large community, and we average around 40 move in's each year. The Residents' Club has re-instituted our Welcome Committee this year and we try and introduce Lincolnshire and all it has to offer to new residents. It is difficult to get to all the new move ins since many of them purchase their home

but due to renovations or them being snowbirds they are not here immediately. One of the items included in the folder of information we provide to them is a Dial Directory Form. You will see an article and form in the Voice each month reminding everyone to complete a form if you are new or require a change to your information in the current 2025 directory.

At the beginning of 2025 we were missing over 100 Lot# occupied residencies from our directory. We understand that many of you do not want to give out your phone numbers, but did you ever think especially our snowbirds that having your number listed in the directory is a great way for your neighbors to help notify you of any issues with your home in your absence from Lincolnshire. We are also seeing a huge increase in delivery companies leaving packages at the wrong addresses. Having your name and phone number listed in the directory would allow residents to try and get that package to the correct person.

We do not get any information regarding you as a new resident from the Management Office. They are not allowed to release that to us. The Dial Directory form included in our Voice each month gives us your permission to print that information in our Directory. We do not publish phone numbers without your authorization. We would love to see more folks listed in our 2026 Directory. Voice Directory form is included in this edition.

CARPORT SALE 2025 UPDATE

By: Pete & Marge Kristall Lot# 1523...727-474-5737 mkvoice@tampabay.rr.com

Time is flying by. Carport sale tickets are \$2.00 and for sale at Coffee Hour weekly or by contacting Pete or Marge at above phone number. Many residents have been asking if they can sell both crafts and household items? The answer is yes. We just want to know which residents will have crafts to let folks coming into the community know crafts are for sale and which homes will have them for sale.

December will be here before you know it. Our Carport sale for 2025 is scheduled for Saturday, December 6th. We have moved it back to December after requests from many residents at our monthly Membership meetings. They had sold crafts that they made specifically for the holidays and missed having that opportunity to sell them last year.

With that in mind we would like to get a feel for how many residents will be selling crafts this year. We have decided to mark community maps with a different color to let folks attending know those specific craft Lot# locations. It is our hope that there are more than 1 or 2 residents that will have crafts for sale. We have advertising that must be placed in October for various publications. Please take a minute and let us know via e-mail or drop us a note in our locked mailbox along the side of our front steps if you will be putting a craft table together at your home for the carport sale. Don't forget to tell us your Lot#.

COMPACTOR REMINDER

If you are new to Lincolnshire please read this article.

A friendly reminder for all our residents. Whenever you take trash to the compactor, please remember to close the door after depositing your garbage. **DO NOT PRESS THE RED BUTTON.** This compactor is pre-programmed to automatically start compaction after the door has been closed three (3) times. **It is very important that the compactor door is CLOSED after you deposit your garbage.** **Do not throw large items into the compactor.** You will need to wait till the bulk trash container is brought into the community each month. See Voice calendar for dates dumpster is scheduled each month.

Don't forget to break down your cardboard boxes before throwing them in the mixed recycle bins. If the recycling bins are full do not overfill them, the lids should be able to lay flat. Put your recycled items in the compactor instead. When the city comes to take the recycling bins all the "over" loaded trash ends up on our streets. **Please! Please! Think before you overload those containers.**

Please do not bring large items furniture etc. that need to be placed in the Bulk dumpster that is brought into the community twice a month. Check the Voice calendar for dates each month and hold those large items at your home till the container is brought on site.

Help us keep our compactor working by following the rules above.

DIAL DIRECTORY -2025/2026

Pete & Marge Kristall - Lot#1523/phone#727-474-5737 email mkristal@tampabay.rr.com

We are down to only two months left in this year. Please take a minute to look at your information in our Yellow Directory and submit an updated Dial Directory form with the new information. If you are a new resident make sure you complete a Dial Directory form put monthly in the Voice or you could have a form in your New Resident Packet. We need to have all the additions/changes and deletions by early January so we can get our 2026 Dial Directory printed.

The Dial Directory, like the Voice newsletter, is part of the Lincolnshire Residents' Club. It is our hope that if you are new to the community or need to correct your information that is in the 2025 Directory that you utilize this form to get us that information. Because our Dial Directory is only issued once a year, waiting till the end of the year to obtain any changes/additions only slows down the process of early publication. Submitting changes/additions throughout the year as they occur lets us keep the Directory information as current as possible for more timely issuing of the new Directory in 2026.

Please read the Directory form carefully. Most important, you understand that you can give us a phone# and *if you do not wish it to be published do not check the box with "ok to publish phone number as recorded above."* If you choose not to have your phone# published, you will be listed in the back of the directory that is in lot# sequence with your last name only. All forms need to be signed and dated. The Lincolnshire Residents' Club Sunshine Committee utilizes the birthday and anniversary information (only month/day of birth) requested to deliver cards on your special days.

If you complete the Directory Form you can bring it to Lot #1523 Pete & Marge Kristall. If you have questions, please reach out to us 727-474-5737, or you can leave the completed form in our "in-park Lincolnshire" locked mailbox located along the side of our front stairs.

Thank you in advance for your assistance in keeping our Directory up to date.

DVD LIBRARY

By: Pete Kristall/Lot #1523...727-474-5737 or email mkristal@tampabay.rr.com

More DVD's were added to our cabinets in August and early September. Check out our DVD Library at the Clubhouse. Cabinets at the rear of the Clubhouse are categorized by genre and labeled with colored dots to help you find your interests. Flyer on the top of the cabinet lists all the categories we have created. **If you want an updated listing, please e-mail me and I will be glad to send you a copy. Email address above.**

SUNSHINE COMMITTEE

By: Mary Jo Webert & Marge Kristall

Thank you from Mary Jo and myself for all the voice mail messages, notes and face to face “thank you”s “for the cards you receive from the Sunshine Committee every month. We are glad that you enjoy them and hopefully they put a smile on your face when you receive them.

Peter and I just got back from our eight- day bus tour called “A Taste of New England”. We flew into Boston and had 2 nights in MA. Toured some of the sites in Boston before heading to the Salem Cross Inn for a Fireside Feast in West Brookfield MA. Next stop was Manchester VT toured the Robert Lincoln Family Home. The leaves were in their best fall colors. Toured Essex VT then on to the Von Trapp Family Lodge for a tour and visit to Stowe VT. We got to learn about Maple Sugarworks at the Morse Farm in Montpelier VT. All our hotel accommodations were wonderful, and the tour provided full “baggage” service. We never once had to bring our bags down to the bus or up to our room the entire trip. We left VT for NH and a COG Railway ride to the top of Mt. Washington over 6,000 ft. in elevation. What a view. Got to tour the Omni Hotel located at Mt. Washington in Bretton Woods, NH and the Lakes Region of Wolfeboro NH with lunch on a boat at Wiers Beach. That darn nor’easter that was battering the southern coastline earlier in the week finally caught up with us in New England on Saturday and Sunday. The tour guide was great at rearranging some of our plans due to the inclement weather. We met so many wonderful people from across the country and a few from England. Small group only 31 one of us but it was nice getting to spend time with everyone on the trip. Last stop on our trip was 1 night in ME. We stopped in Kennebunkport and Ogunquit. Lots of wonderful shops and restaurants. Wonderful lobster dinner for our entire group on Sunday evening. Our “leaf peeping” tour was a special vacation we will never forget. So nice not driving or laying out the plans for the entire trip. I would recommend it for anyone that wants a carefree vacation.

Happy Thanksgiving everyone. Hope you have a wonderful holiday.

We are back. One of our core group favorites, Cynthia Varga, is moving to Virginia to live near family. Cynthis is 92 years old and is still using 3lb weights during our strength routines. She was also our clubhouse librarian for over 30 years. She will be missed at our Choga weekly sessions.

We are looking forward to our snowbirds returning and will be having a welcome back potluck soon. Date will be announced at Coffee and on FYI. Come join us as we moan and groan together.

News and Updates for November 2025:

Tips on safe and successful community living in Lincolnshire Estates:

- The hometowns, cities, states, and even various states that define our homeowner diversity has changed since 2022. The loss of both Canadian and Commonwealth homeowners has contributed to much of this change. There are still many homes for sale in our park. We had previous years of high numbers and a year or two of no homes for sale (Park office kept a list of people waiting.)
- Many comparable parks have experienced the same changes. RV parks can be an exception. Not a comparison many have known large military housing areas here in the U.S. and abroad are an even example Lincolnshire will enjoy. Welcome them! More to follow them.
- **LHOA membership drive started last month for 2026. \$15 for both new members and memberships.** Membership funds not only support yearly non-profit corporation operating costs but also keep the reserve fund strong to ensure that LHOA has the resources to meet our State FS 723 mandates. LHOA supports all Lincolnshire homeowners in dealing with the park owner. However, membership keeps LHOA afloat to protect our federal, state, and local rights as homeowners. LHOA has been incorporated for over 30 years.
- ❖ The next LHOA Board of Directors Meeting is Wednesday, November 12th, 2025, in the clubhouse at 10 AM. At the end of the business (first) portion of the meeting Members, then non-Member homeowners are asked to bring forth questions or their concerns to the Board.
- ❖ The LHOA Board is responsive to emails (Gmail address is above). Officers and Directors are listed on the inside cover of the monthly Voice and on the LHOA laundry room bulletin board (between the office park manager's board and the Resident's Club board.)
- ❖ LHOA actively supports the **FMO (Federation of Manufactured Homeowners of Florida.)** They are our primary lobbying agents promoting tenet rights in over 55 rental home communities to the Florida Legislature in Tallahassee. Often there are articles posted on the LHOA bulletin board published by the FMO to keep all homeowners informed both locally and statewide.

**Lincolnshire Homeowners Association, LHOA, is a Non-profit (FS 617) Tenet Fl Corporation and responsible for (FS 723) along with elements of the U.S. Fair Housing Act in the relations with the park owner. LHOA does not own, manage, or operate Lincolnshire Estates.*

VETERAN'S CORNER

Bob Behm: 401-207-9317 Lot #775

The Civil War ripped apart nearly every bond Americans shared — classmates, friends, even family members found themselves on opposite sides of the conflict. One of the most unique feuds came in the winter of 1864, when a Union general defeated an entire Confederate army led by a man who once sat in his classroom at West Point.

At the Battle of Nashville, Maj. Gen. George Henry **Thomas**, a Virginian who stayed with the Union, smashed the Confederate Army of Tennessee under Lt. Gen. John Bell **Hood**. Fifteen years earlier, **Thomas** taught artillery and cavalry tactics at the U.S. Military Academy. One of his cadets was the brash young John **Hood**. In December 1864, the teacher met the student again — this time across a battlefield — and the professor taught his last, and most decisive, lesson.

Thomas graduated from West Point in 1840 and fought with distinction and was wounded in Mexico. He returned to West Point in 1851 as an instructor, teaching artillery tactics and cavalry techniques to up-and-coming officers. His teaching style reflected his battlefield persona: careful, patient, deliberate.

Hood, who entered the academy in 1849, was the total opposite. He scraped by academically and graduated near the bottom of his class, but he radiated confidence and determination. Where **Thomas** valued steadiness, **Hood** leaned into aggression.

When the Civil War erupted, their choices reflected their temperaments. **Thomas** stayed loyal to the Union, even though his family in Virginia disowned him for it. **Hood** threw in with the Confederacy, rising quickly through the ranks on sheer aggressiveness. By 1864, **Thomas** commanded the Union's Army of the Cumberland; **Hood**, despite losing movement in his arm at Gettysburg and a leg at Chickamauga, commanded the Confederate Army of Tennessee.

In the fall of 1864, **Hood** led his battered army north to draw Union forces away from Sherman's march to the sea in Georgia. It was a desperate move. At Franklin in November, he hurled his men against fortified Union lines in one of the war's bloodiest frontal assaults. More than 6,000 Confederates fell, including much of **Hood**'s officer corps. Despite the horrendous losses, **Hood** kept pressing north. Outside Nashville, he dug in with about 30,000 men. **Thomas** waited inside the city with 55,000. He refused to attack during a crippling ice storm, despite constant pressure from Ulysses S. Grant. Despite his stellar record in previous battles, **Thomas**' constant reluctance to attack nearly made Grant fire him; he even began referring to **Thomas** as "old slow trot."

On December 14, **Thomas** finally wired Washington: "The ice having melted away today, the enemy will be attacked tomorrow morning." At dawn on December 15, **Thomas** put his plan into motion. On his right, Maj. Gen. James Steedman launched a diversionary attack, his division including regiments of Black Union soldiers. They fought uphill against entrenched Confederates,

Continued on page 44

taking heavy losses but holding enemy attention. On the Union left, Thomas delivered the real blow. Gen. James Wilson's cavalry and IV Corps under Thomas Wood swung wide, overrunning a chain of Confederate redoubts and artillery. By nightfall, Hood's flank had collapsed, and his army fell back over two miles. That night Thomas telegraphed Grant: "I attacked the enemy's left this morning and drove it from the river ... I shall attack again tomorrow."

The next day, **Thomas** pressed the attack. Union troops converged on strong points at Overton Hill and Shy's Hill. At Overton Hill, repeated charges — including those by the U.S. Colored Troops — were repulsed with bloody losses. But at Shy's Hill, the Union breakthrough came. Wilson's cavalry and Wood's infantry stormed the position, sending Hood's left-wing reeling. Confederate lines collapsed into a full retreat. By nightfall, the Army of Tennessee was finished. Thousands of Confederates fled south in chaos, many throwing down their rifles as they ran.

In two days, **Hood** lost another 6,000 men — on top of the Franklin disaster. Union casualties were about half that. His army retreated to Alabama and never fought as a serious field force again. Hood resigned in January 1865.

For **Thomas**, Nashville was the crowning achievement of a career built on his steadiness. Already nicknamed the "Rock of Chickamauga" for saving Union forces in 1863, he had now delivered one of the most crushing victories of the war. Grant, who had nearly relieved him, admitted afterward that Thomas's patience and preparation had been vindicated. Although he never gained the recognition of other Union commanders, Thomas was instrumental in the defeat of the Confederacy.

The Civil War was full of personal tragedies, but few matched the irony of the **Thomas** and **Hood** battle: a Virginian loyal to the Union destroyed the army of his own former student. On the icy hills outside Nashville, George Thomas proved that in war, patience and discipline could crush even the boldest attacks.

A NURSE'S SELF CARE TOOLBOX

Allyn Webert, RN. Lincolnshire Estates, Lot # 1438 allynwebert@gmail.com

Starting with this December's issue I will again lay out over the next several months how our bodies were designed relating to food and exercise (movement). Lincolnshire has many new residents and owners. Finally, my goal is boosting an understanding of how we were designed, how that compares to our lives now and lastly how to start a change. Easy and hard at the same time. It is a long story. It started almost a million years ago.

Our human story was not one single day in time but between 300-450,000 years ago, we as humans (*Homo sapiens*) finally rolled off the assembly line of life. Either touched by our Creator or with gentle loving touches by Mother Nature along way. Fortunately, we landed on our feet. That assembly line had begun eons before. I was not there.

Our body (all of it) was specifically designed to survive each day. Not a simple task. We were physically male and female, thin or muscular depending on the abundance of food and amount of movement needed to find food each day. Our skin was purposely dark in the beginning to limit the amount of a necessary vitamin, (D), produced with help by the sun. We were extraordinarily strong, athletic, and could climb trees and walk for miles. We also didn't speak much because there was not much of a language. We were built to survive and surely did.

Food was very abundant and mostly year-round. Food is really packaged sugar that becomes energy with oxygen from our lungs for every cell in our body to do a specific job (including fat unbelievably.) Food travels into our stomach, down to the small intestine where all the sugar is removed, the large intestine and you know what follows that I'm thinking. This is called our digestive or GI system. It is unbelievable! Our GI system is a conveyer belt from one end to the other.

So where was the food that we needed every day and multiple times a day? It was everywhere. We will follow that trail of food and what we did with all we found. Stay tuned.

As a reminder, Medicare Advantage Plan enrollment or program change is on the horizon for those of us eligible either for the first time or each year. I expect changes that can affect medical and pharmaceutical benefits. Be alert to the updates to our current Medicare Advantage plans we will receive in the mail (requirement). And not on TV and other media. It is unlawful to give new enrollees upgrades to benefits that current enrollees cannot access. Our Resident Club does have a representative during the year. Tally Ho.
