An imposter scammer may call, text, or email to convince you they are **someone in authority**. MUSCOVEY DUCKS

Peter Soehnen

Residents are reminded that feeding, protecting or otherwise ‘nurturing’ the large black and white (Muscovey) ducks seen throughout the community is ‘illegal’ and according to PETA (People for the Ethical Treatment of Animals) is harmful and detrimental to health of the ducks themselves.

A recent count puts the number of Muscoveys within Gateway at two dozen. This cannot be allowed to continue for in short order two dozen will become four. Feeding the large black and white Muscovey ducks that wander about the park is a violation of park rules and federal and state law.

The Florida Fish and Wildlife Commission considers them a nuisance animal:

Muscovy ducks have been introduced into urban and suburban areas in Florida where they often occur in high densities. These birds were illegally released primarily by private individuals for ornamental purposes or as pets. Muscovy ducks can be extremely prolific and local populations can increase dramatically in a short time. As a result, controversies frequently arise between residents who enjoy the birds and residents who consider them a nuisance.

Because this introduced, non-native species sometimes creates problems through competition with native species, damage to property, and transmission of disease, in 2010 the U.S. Fish and Wildlife Service revised its regulations concerning Muscovy ducks.

In addition, nesting ducks attract predator and scavenging animals, raccoons, opossums, feral cats, skunks and coyotes to the area. If you observe or suspect any animal has chosen to use the area around or under your home as their own, contact the Gateway Office and request the unwelcome guest be trapped and removed.

NOTE: Residents walking dogs on 1st Way in the area of the maintenance shed have come under attack from the male black swan. As Greg Ely has reported he believes eggs of the nesting pair may soon hatch and I have to believe both black swans likely to become even more aggressive protecting cygnets.

Homemade Blueberry Muffins

Cindy Taylor

A favorite any time of year!

The science behind perfect blueberry muffins involves a few techniques – read these before you start making the muffins.

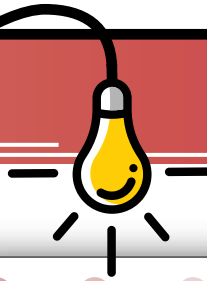

- • Start with a high baking temperature (425°F) for 5 minutes this creates that signature domed top, while reducing to 350°F ensures the interior bakes through without burning.
- • Buttermilk is awesome in this recipe but, if you don't have buttermilk, no problem. It's easy to make your own and it won't take more than a few minutes. Simply add 1 tablespoon of white vinegar (or lemon juice) to 1 cup of whole milk. Stir well and let it stand for 5 minutes. Voila!
- • Make sure your baking soda and powder are fresh. If you don't bake frequently, just replace them about every 6 months.
- • Don't overmix the batter. Use a spoon or spatula, never a mixer for making muffins. Use a folding motion to keep the batter light. Mix just until the flour disappears. In fact, it's okay if there's a tiny bit of flour that's not mixed in.
- • Coating blueberries in flour prevents them from sinking to the bottom, resulting in perfectly distributed berries throughout each muffin.
- • Fill the muffins fairly full, $\frac{1}{4}$ inch from the top.
- • Let the muffin batter sit for about 15 minutes in the muffin cups before baking. This gives the gluten time to relax.

Finally, the recipe!

- • $\frac{1}{2}$ cup butter melted and cooled for 5 minutes
- • 1 cup sugar
- • 2 large eggs
- • $\frac{3}{4}$ cup of whole buttermilk – low fat will also work
- • 2 teaspoons of vanilla extract
- • 2 $\frac{1}{2}$ cups of all-purpose flour
- • 1 tablespoon of baking powder
- • 1 teaspoon of baking soda
- • $\frac{1}{2}$ teaspoon of kosher salt
- • 1 $\frac{1}{2}$ cups of fresh blueberries
- • Turbinado (raw) or Demerara sugar
- • Preheat the oven to 425 degrees F. Spray muffin pan generously with non-stick spray.
- • In a medium bowl whisk the melted-cooled butter with the sugar then add the eggs and stir well to combine. Add butter milk and vanilla, Stir again until combined.
- • Sprinkle the flour with the baking powder, baking soda and salt evenly over the top and stir just until flour mixture is incorporated. Gently, fold in the blueberries using a rubber spatula.
- • Scoop the batter into the 12 muffin cups and sprinkle each one with a scant teaspoon of Demerara or Turbinado sugar. Wait 15 minutes before baking muffins.
- • Bake for 5 minutes at 425°F, then reduce the heat to 350°F and bake for another 12-16 minutes or until a toothpick inserted into the center comes out clean. Muffins will also spring back when lightly touched on the top when done.

 - • 2 tsp cinnamon
 - • 1 tsp ginger
 - • 1 cup of butter
 - • 1 cup of sugar
 - • 1 cup of molasses
 - • 2 eggs (beaten)
-
- • Cream butter, sugar, eggs and molasses.
 - • Mix dry ingredients in a separate bowl
 - • Alternate dry ingredients to the butter mixture. Mix well.
 - • Chill dough thoroughly.
 - • Form into balls and roll in colored sugar.
 - • Place on ungreased cookie sheet.
 - • Bake at 350° for 10 minutes.
 - • Store in well sealed container.

Fiesta Fudge-

Michelle Johnson

A Great Dip for Ringing in the New Year

- • Preheat oven to 350 degrees. Grease a 9 x 9' baking dish or similar casserole dish.
- • In mixing bowl, beat 3 eggs. Stir in 1 jar of your favorite salsa. Add 24 ounces of shredded cheese. Use up all of the holiday leftovers in the fridge!
- • Spread mixture in the baking dish. Bake 20 minutes. Allow to rest 10 minutes before serving.

This is especially good with tortilla chips, pita chips or Fritos. I have added sausage or hamburger crumbles as well.

For the January Issue please submit your most favorite “Game Day” recipe by January 10 – Let’s make some good eats as we cheer on our favorite College Bowl teams and remember Super Bowl 2026 is February 8, 2026!

GATEWAY COMMUNITY DIRECTORY

Peter Soehnlen

Each year in association with Gateway Activities and Homeowners Associations there is published a Directory of Park Residents. On average there are about 15 – 20 new arrivals to the Gateway community each year. This year as a result of our storms the number is significantly greater. I had hoped to contact all the new residents to obtain verification prior to including your names and addresses. I have been able to for some but not all.

New Residents - Your inclusion in the Directory is voluntary and should you wish to be included in the 2026 directory please contact Peter Soehnlen at 10402 1st Street or 727-269-9569 for details.

The 2025 Gateway Directories were delivered along with the May issue of NewsNDos. As you will note, Pinewood Village information was not included. There are a limited number of the new Directories available should your copy be lost or eaten by a pet.

DECEMBER CROSSWORD

SCAM

ALERT

Family Scams

Scammers are good at **pretending to be someone that they're not**. They try to trick you into thinking **a loved one is in trouble**.

Once the scammer makes you think they're your grandson and in trouble, they pressure you to quickly send them money. **But it's all a scam.**
Your family member was never in trouble.

- The scammer will say it's **urgent** and that you're the only one who can help.
- The scammer might tell you it's **important to keep it secret**. They don't want you talking to other family members and friends and realizing it's a scam.
- The scammers will **play with your emotions**. They're counting on you to act quickly to help your family or friend. And they're counting on you to pay without stopping to check out whether there's really an emergency. If you get a call like this, you can be sure this is a scam.

Slow down. Verify.
