Thank you to our Chili Cook-off judges Gail, Donna and Teri.

Just looking back hard to believe we have been doing the Voice for two years. Wishing all of you and yours the best for this Holiday season and the New Year.

We would like to take a moment to thank all those Block Captains that work every month delivering you the latest edition of the Voice. Thank you, thank you. Thank you, Quinn, for taking delivery of all our Voice copies and counting out those issues street by street and getting them to the Block Captains in record time every month... Without all of you and your door-to-door deliveries we would not be able to have this newsletter as a vital means of communication for our community.

The one stipulation from Monthly Media the folks that print the newsletter is that they are hand delivered not put in a stack in a location for folks to have to pick up themselves. Many vendors, some of whom we as residents have used in the past for our home repairs, pay to have those ads in the newsletter which is what makes it free to us. So next time you need a vendor look at the ads in the Voice, ask your neighbors if they have ever utilized their services and if they were pleased with the results.

Lots of gratitude from us to all our monthly article contributors. You help us fill the pages with timely information about Lincolnshire and other topics of interest. Keep them coming. Any of our residents that would like to submit articles to the Voice just call or email mkvoice@tampabay.rr.com we would love to hear from you.

FROM THE DESK OF THE PRESIDENT

By: Teri JonesLot# 210..... (269-207-0466),

A very Merry Christmas to every one of you! I hope this beautiful Christmas season finds you in the holiday spirit and anxious to spend time with your family and friends. Here in Lincolnshire, we have a lot to do to keep you cheerful and festive. There is the Christmas golf cart parade headed by Sam Ventura followed by the Christmas Social on December 13th, as well as the Christmas dance on December 19th featuring Happy Days from New York. They will most definitely put you in the Christmas spirit as they bring a lot of fun and laughter to their songs and dances on stage. Join in and take part of as much of the holiday spirit as you can handle! And bakers, don't forget about the Christmas cookie exchange on December 14th headed up by Calli Spiekhout. Bake once for the holiday season and take home a variety of goodies!

Yes, it's December and we can all breathe a sigh of relief. The hurricane season has passed, and I think we snuck by without any damage. Jamaica, however, did not fare so well. We should continue to pray for their people and their country.

Since this is the end of my first year as President, I would like to take this opportunity to thank some people that helped me along the way. First and foremost, is Marge Kristall, the Treasurer of the Residents' Club. She is so much more than just the Treasurer. She is co-editor of the Voice, half of the Sunshine Committee, works with her husband on creating the Dial Directory, prints all of our flyers and tickets for events, organizes events, purchases food for events, cooks, cleans up, does yearly inventory of the Club's property, works with me and the rest of the Board members to make sure the Club runs smoothly, and the list goes on. Without Marge I could not have done my job. Also Linda Casey for assisting with a smooth transition from her position as President to mine, not to mention the fact that she is still largely involved in the Event Committee contracting bands for dances and, along with Marge, purchasing food for events, cooking, cleaning up, running I Got It, and still being very involved in the successful outcome of our Club's doings. Then there is the rest of the Board – Sandi Wood, Kathy Burk, Bernice Clark, Jim Wallen and Kathy Kirschke – who all volunteer their time and efforts to making sure our Board is successful. I would be remiss if I did not mention the other members of the Event Committee who work on dances, various events and the Ladies Luncheon, which would be Liz Roberts and Judy Low. A huge thank you to all of these people, along with the other residents, too many of whom I could not begin to mention, who help set up and tear down tables and chairs for dances and the bazaar, etc., events too many to mention. As it is said, it takes a village and you have all shown up to give this girl a hand, and it is appreciated more than you know.

There is still a lot going on in December, so pay attention to the Voice calendar inside this publication and the flyers posted in the laundry room and the bulletin boards. You never know when something new and exciting might pop up!

So now let's take a minute to reflect on the reason for the season. Jesus was born of Joseph and Mary in a little town called Bethlehem. He was wrapped in swaddling clothes and laid in a manger. In Luke 2:11 it says: "For unto you is born this day in the city of David a Saviour, which is Christ the Lord." And now, as it was so many years ago, Christmas is celebrated as the day that Jesus Christ was born. Let us celebrate Him.

As always, and as we know from recent events, remember to check on your neighbor if you have not seen them for a couple of days. Be kind, love your neighbor, do something nice every day, and remember life is short – eat cake!!

Until next time,
Teri Jones

CARPORT SALE 2025 UPDATE

By: Pete & Marge Kristall Lot# 1523...727-474-5737 mkvoice@tampabay.rr.com

Time is flying by. **Final day to purchase tickets for Carport sale is Monday December 1st.** After that date you may still purchase the ticket but your Lot# will not be highlighted on maps that are handed out at the entrances. Carport sale tickets are \$2.00 by contacting Pete or Marge above phone number. **As of writing this article we already have 40 plus homes signed up for the Carport sale with at least 12 of them selling crafts.** Many residents have been asking if they can sell both crafts and household items. The answer is yes. We just want to know which residents will have crafts to let folks coming into the community know crafts are for sale and which homes will have them for sale.

Our Carport sale for 2025 is scheduled for Saturday, December 6th from 8AM to 1PM. We have moved it back to December after requests from many residents at our monthly Membership meetings. They had sold crafts that they made specifically for the holidays and missed having that opportunity to sell them last year. Don't forget to save any unsold items from your carport sale for our annual Bazaar which will be held February 7th, 2026.

ANNUAL RITA SULLIVAN DRIVE:

By: Editors

Our annual food drive is back. Last year's drive was cancelled due to the Hurricanes. We are hopeful that many of Lincolnshire residents will be able to donate to help the less fortunate in Pinellas County in 2025. We have been so successful in past years with gifts to the local food pantry. This is the time of year that the need increases. Our drive takes place currently and continues until December 15th. Previous donations from Lincolnshire have been 1000 lbs. of food which helps the food pantry replenish their supplies after the Thanksgiving holiday. Bins are currently located at the rear of the Clubhouse outside the kitchen. Please feel free to place your donations in these bins. Keep the food drive in mind when you shop for Bogos – remember one for you and one for those in need. Thank you in advance for your donations.

LINCOLNSHIRE ANNUAL BAZAAR

By: Pam Niemanstraverdriet - Lot# 1217 (585-747-6232) & Sandi Wood - Lot#1207 (303-513-6665)

Mark your calendar, Lincolnshire Bazaar, February 7th, 2026. The Bazaar is the Resident Club's annual fund-raising event. Start saving your unwanted, gently used items. All should be in good condition. Please no clothes or shoes. Find those red shirts and start thinking about where you would like to help. It takes the whole village to make our Bazaar a success. There are lots of opportunities.

Help is needed for:

Set-up and/or clean-up crews, electronics, Books and Puzzles, Linen Kitchen items, Home Décor, Jewelry & Purses, Furniture and Tools, Raffle baskets, Security, Bake sale and Kitchen help. If you have any interest in helping in these areas, please let us know. Let's make this one of the best Bazaars ever!

COMPACTOR REMINDER

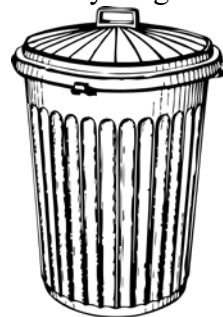

If you are new to Lincolnshire please read this article.

A friendly reminder for all our residents. Whenever you take trash to the compactor, please remember to close the door after depositing your garbage. **DO NOT PRESS THE RED BUTTON.** This compactor is pre-programmed to **automatically** start compaction after the door has been closed three (3) times. **It is very important that the compactor door is CLOSED after you deposit your garbage.** Do not throw large items into the compactor. You will need to wait till the bulk trash container is brought into the community each month. See Voice calendar for dates dumpster is scheduled each month.

Don't forget to break down your cardboard boxes before throwing them in the mixed recycle bins. If the recycling bins are full do not overfill them, the lids should be able to lay flat. Put your recycled items in the compactor instead. When the city comes to take the recycling bins all the "over" loaded trash ends up on our streets. **Please! Please! Think before you overload those containers.**

Please do not bring large items furniture etc. that need to be placed in the Bulk dumpster that is brought into the community twice a month. Check the Voice calendar for dates each month and hold those large items at your home till the container is brought on site.

Help us keep our compactor working by following the rules above.

CAUGHT SOMEONE NICE DOING SOMETHING GOOD

From a Thankful Neighbor

Don't we all like Amazon? However, if you don't put that Lot# on your address your package can be dropped off anywhere in the park.

I'd like to express gratitude to Ruthie and her side kick Bella. She happened upon my package while on her morning walk and brought it to my home. The next day I had another package dropped off with a picture sent, but not at my house. I bumped into Ruthie, and she tried to direct me to the homes that the package could be at. I took off on the golf cart to start my search. As I was coming down my third street with no luck, there was Ruthie in her golf cart letting me know she had found my package and had taken it to my house. She also was taking the other two packages left at this vacant house to the rightful owners.

Had it not been for Ruthie and Bella, you would still see me driving around the park in my golf cart! We have such angels living here in Lincolnshire. Seek and ye shall find. Thank you, Ruthie and Bella.

WHO ARE THE KNIT WITS?

By: Editors

Many of our residents may not be familiar with the Knit Wits outside of seeing them posted weekly on our Voice calendar when they meet at 1PM to work on their latest projects.

The Knit Wits have been in existence at Lincolnshire for over 20 years. They are ladies in our community that love to knit and crochet. So, every Monday they get together to work on their latest charitable project together while sharing some great social time with one another. Many of their charitable projects have benefited local Veterans through the Largo Elks Veterans Committee and Little Big Feet, a part of that program that helps Veterans families with babies. They have received letters of commendation from organizations over the years and have made thousands of knitted baby hats and blankets as well as their newest project lap blankets for local Nursing home residents. Photo above from their recent donation of 40 lap blankets for The Vineyard Inn Nursing home on Ridge Rd.

So, the next time you walk in the Clubhouse on a Monday afternoon around 1PM stop by and say hello to Anna Petrivelli, Maybelle White, Debi Sanders, Vicki Marentette, July Low, Nancy Haley and Shirley Marrocco. There are many ladies I have not mentioned that work to help make these handmade items for those in need.

If you are a knitter or crocheter give Anna Petrivelli a call at 727-365-6560 to ask her about their work and how you can help. Yarn donations are gladly accepted. The Residents' club has budgeted funds for the Knit Wits, but they are always in need of supplies.

WHO AM I

Winner drawn for October was Jean Pearson Lot# 107. Our Who Am I resident was Terry Thera. We had total submissions of twenty-one all correct. One was a duplicate entry by same resident, only one of those entries was submitted for drawing.

SCAM ! ALERT

Romance Scams

www.fti.gov/how-we-can-help-you/scams-and-safety/common-scams-and-crimes

Romance scams occur when a criminal adopts a fake online identity to gain a victim's affection and trust. The scammer then uses the illusion of a romantic or close relationship to manipulate and/or steal from the victim.

The scammer's intention is to establish a relationship as quickly as possible, endear himself to the victim, and gain trust. Scammers may propose marriage and make plans to meet in person, but that will never happen. Eventually, they will ask for money.

If someone you meet online needs your bank account information to deposit money, they are most likely using your account to carry out other theft and fraud schemes.

Tips for Avoiding Romance Scams:

- **Be careful what you post** and make public online. Scammers can use details shared on social media and dating sites to better understand and target you.
- **Research the person's photo and profile** using online searches to see if the **image, name, or details have been used elsewhere.**
- Go slowly and ask lots of questions.
- Beware if the individual **seems too perfect** or quickly asks you to leave a dating service or social media site to communicate directly.
- Beware if the individual attempts to isolate you from friends and family or requests inappropriate photos or financial information that could later be used to extort you.
- Beware if the individual **promises to meet in person** but then **always comes up with an excuse why he or she can't.** If you haven't met the person after a few months, for whatever reason, you have good reason to be suspicious.
- **Never send money to anyone you have only communicated with online or by phone.**

SCAM

ALERT

Family Scams

Scammers are good at **pretending to be someone that they're not**. They try to trick you into thinking **a loved one is in trouble**.

Once the scammer makes you think they're your grandson and in trouble, they pressure you to quickly send them money. **But it's all a scam.**

Your family member was never in trouble.

- The scammer will say it's **urgent** and that you're the only one who can help.
- The scammer might tell you it's **important to keep it secret**. They don't want you talking to other family members and friends and realizing it's a scam.
- The scammers will **play with your emotions**. They're counting on you to act quickly to help your family or friend. And they're counting on you to pay without stopping to check out whether there's really an emergency. If you get a call like this, you can be sure this is a scam.

Slow down. Verify.

Example of a Family Emergency Scam Call

Hi Grandpa, it's me.

Sebastian? Is that you?

Yes, it's me, Sebastian. Grandpa, I'm in trouble, and I need money for bail.

What happened?

Please don't tell Mom or Dad. I'll get in so much trouble.

Please help me!

MONTHLY REMINDERS DIAL DIRECTORY - 2026 DEADLINE

Pete & Marge Kristall - Lot#1523/phone#727-474-5737 email mkristal@tampabay.rr.com

The Dial Directory, like the Voice newsletter, is part of the Lincolnshire Residents' Club. There is a copy of the Dial Directory form included in each edition of the Voice. It is our hope that if you are new to the community or need to correct your information in the directory you complete the form for us.

December 31st will be the deadline for Directory forms with any additions/corrections or deletions to be submitted for our 2026 Dial Directory. The 2026 Directory should be published late January or early February 2026.

Please read the Directory form carefully. Most important, you understand that you can give us a phone# and if you do not wish it to be published do not check the box with "ok to publish, phone number as recorded above." If you choose NOT to have your phone# published, you will be listed in the back of the Directory that is in lot# sequence with your last name only. All forms need to be signed and dated. The Lincolnshire Residents' Club Sunshine Committee utilizes the birthday and anniversary information (only month/day of birth) requested to deliver cards on your special days.

If you complete the Directory form you can bring it to Lot# 1523 Pete & Marge Kristall. If you have any questions, please reach out to us 727-474-5737, or you can leave the completed form in our "in-park" locked mailbox located along the side of our front stairs.

Currently there are more than 30% of our residents that do not place their information in our Directory. We would love to see that number increase. We do not distribute the Directory outside of our community or leave them at Lots that are unoccupied.

Complete form below for entry in annual Directory. Return to Marge/Pete Kristall, Lot #1523.

The only information listed in the new Directory will be Lot# - Name – State - (& phone if approved by you). Only Residents names should be listed. Not additional owners or anyone else, if they do not live in the Community.

Mary Jo and I want to wish everyone the Happiest of Holidays. We hope each one of you enjoys this special time of year. Many of you will be traveling to spend time with family and friends. Safe travels.

Some of us will participate in the many events that the Residents' Club has planned for December. My favorite holiday party we have is the Christmas Social. This year we are also having Karaoke entertainment at the Social so plan on spending the entire evening with your neighbors. Usually, our most attended event follows our annual Golf cart parade. Sam Ventura has volunteered to organize our Golf Cart parade again this year. We will get sign-up sheets posted in the mail/laundry room. Hope all you cart owners start shopping for decorations and join our parade this year. So many of our residents' love getting together in their driveways and porches to watch us drive by.

Tips on safe and successful community living in Lincolnshire Estates:

- Important phone numbers for residents. Park office is 727-584-2242 and After Hours is 813-601-5353 (leave a message). Both phone numbers can also be found on the top of the inside cover of the monthly Voice. If there is an immediate law enforcement need for personal safety or fire call 911! If there is not an emergency personal safety incident though a need to report call the Largo Police, please contact 727-587-6730.
- The LHOA Board will begin evaluating the success along with the intended purpose of our 4 recycling bins next to the compactor. Several years have passed by since they were installed and emptied at least weekly.
- A bit cooler weather, especially during the longer nights have been very welcome to many full timers. November starts with the arrival of many more northern homeowners and holidays bring their families and close friends. Our homeowner demographics have changed since 2021. Please welcome your neighbors who are arriving and kindness to their families. Often the next in the generation moves here resulting from visiting their parents and grandparents.
- LHOA membership drive started this month for 2026. \$15 for both new members and renewal of memberships. Membership funds not only support yearly non-profit corporation operating costs but also keep the reserve fund strong to ensure that LHOA has the resources to meet our State FS 723 mandates. LHOA has been incorporated for over 30 years. Google FS 723 if you wonder what our mission to homeowners is so important.
- ❖ The next LHOA Board of Directors Meeting is Wednesday, December 10th, 2025. The meeting starts right after the Resident's Club Coffee which starts at 9am. At the end of the business portion of the meeting Members, then non-Member homeowners are asked to bring forth questions or their concerns to the Board. LHOA is funded by membership and guard's tenet rights under FS 723.
- ❖ The LHOA Board is responsive to emails (Gmail address is above), attendees at monthly board meetings, annual membership meetings in January and February of each year. Officers and Directors are listed on the inside cover of the monthly Voice and on the LHOA laundry room bulletin board (between the office park manager's board and the Resident's Club board.
- ❖ LHOA actively supports the FMO (Federation of Manufactured Homeowners of Florida.) They are our primary lobbying agents promoting tenet rights in over 55 rental home communities to the Florida Legislature in Tallahassee. (<https://www.fmo.org/login#/login>). Often, there are articles posted on the LHOA bulletin board to keep all homeowners informed. Take a look.

**Lincolnshire Homeowners Association, LHOA, is a Non-profit (FS 617) Tenet Fl Corporation and responsible for (FS 723) along with elements of the U.S. Fair Housing Act in the relations with the park owner. LHOA does not own, manage, or operate Lincolnshire Estates.*

VETERAN'S CORNER

Bob Behm: 401-207-9317 Lot #775

V A Expands Groundbreaking Research into Psychedelic Therapy

The Department of Veterans Affairs has confirmed it is expanding psychedelic-assisted therapy trials for veterans diagnosed with post-traumatic stress disorder (PTSD), treatment resistant depression, and anxiety disorders. Nine VA facilities, in the Bronx, Los Angeles, Omaha, Palo Alto, Portland (Oregon), San Diego, San Francisco, West Haven, and White River Junction; are participating in the multi-year studies, each designed to test the safety and clinical impact of psychedelic compounds used under strict supervision.

VA Press Secretary Pete Kasperowicz told Military.com the work is proceeding under “strict safety and regulatory procedure,” noting that all studies involve substances still listed under Schedule I of the Controlled Substances Act (CSA).

“VA’s work on psychedelics is at an early stage and results from these trials will be available in the years to come,” Kasperowicz said. “This research is just one part of VA’s comprehensive mental health and suicide prevention efforts.”

For many veterans, existing PTSD treatments, such as cognitive processing therapy or medication can help manage symptoms but do not always resolve the underlying trauma.

That challenge has pushed VA researchers to explore new models of care. In 2024, the VA announced funding for MDMA- and psilocybin-assisted therapy studies, marking the first time the agency directly supported psychedelic research for veteran mental health. The new expansion builds on that foundation. Each site will recruit participants based on specific diagnostic criteria and treatment history. Some trials focus on combat-related PTSD, while others include veterans with depression or generalized anxiety disorder who have not responded to standard therapies.

“The goal is not to replace traditional care,” one VA research summary explains, “but to determine whether psychedelic-assisted therapy can enhance recovery for patients who haven’t improved with existing options.”

How Psychedelics May Work in Therapy - The compounds under study, primarily MDMA and psilocybin, are being used alongside structured psychotherapy sessions led by trained clinicians. Veterans receive preparatory counseling before dosing sessions, followed by integration therapy to help process their experiences.

Dr. Rachel Yehuda, director of PTSD Research at the Bronx VA and a key figure in trauma studies at the Icahn School of Medicine at Mount Sinai, has emphasized that the therapy’s effectiveness depends on its structure, not just the compound. Because the substances remain federally controlled, each study is conducted under a Schedule I research license, approved and monitored by both the Food and Drug Administration (FDA) and the Drug Enforcement Administration (DEA).

Continued on page 44

All facilities must meet stringent storage, handling, and documentation standards. Therapists receive specialized training, and each dosing session includes medical monitoring and psychological support. The VA says its research teams remain in close contact with FDA and DEA officials throughout the process to ensure compliance and participant safety. This level of oversight reflects the balance between innovation and regulation. Psychedelics are still federally restricted, but the FDA has granted “Breakthrough Therapy” status to several compounds under investigation, recognizing their potential to address unmet medical needs.

The VA’s move mirrors growing bipartisan interest in psychedelic medicine. In recent years, members of Congress from both parties have supported increased funding for veteran-focused mental health research, including novel therapies that show promise in early trials. Still, VA officials emphasize that this is not an endorsement of psychedelics as approved treatments. Every study remains experimental, and it will take years before researchers can determine whether these therapies are safe, effective, and scalable for widespread use within the VA system. VA officials emphasized that the research remains in early stages and is being conducted cautiously, guided by scientific oversight and the agency’s mission to improve veteran health.

A NURSE'S SELF CARE TOOLBOX

Allyn Webert, RN. Lincolnshire Estates, Lot # 1438 allynwebert@gmail.com
allynwebert@gmail.com

****Contact me if there is a health subject you want me to bring forward that impacts our Park residents.**

The introduction last month was based on the beginnings of humans as we know them. Like all living things, we needed food. Oxygen, the other ingredient for making energy in all our body cells, was in every breath we took. Essential vitamins and minerals kept our bodies engineering meet the needs of successful daily living. So where was the food that we needed every day and multiple times a day? Actually, it was everywhere.

On or under the ground and in the trees. There was fruit, veggies, grains and if you were extremely lucky some animal protein lying on the trail, in the lake or along the seacoast. Remember we did not know how to hunt or successfully fish yet, so protein was just a spontaneous find and very irregular. Food was fresh and ready to eat. Food spoiled quickly so it was “find and eat.” Pretty simple recipe to me.

So, what was our day like way, way back then? No calendar and no weekends. The secret to getting control of our metabolism is in plain sight. At dawn we would begin to venture out of hiding (and I truly mean hiding as no weapons yet.) We, in a group, would begin to move out, finding food usually within an hour. Our body was demanding food for fresh sugar! We had not eaten for at least 10 hours. Our body was using what sugar remained from the previous day and some from fat to sustain us. Food was very abundant. So, we ate. Probably sat for a bit as we do now after eating a meal. We were feeling happy. Bellies full. **Then!** We did something absolutely extraordinary; we stood up and walked farther on. For our next meal! We walked (moved!) This sequence happened every 3-4 hours throughout the day. Somewhere close to dusk we began to find the same or another safe place to sleep, which was our only protection. No street, porch lights or doorbells that took pictures of who was there. Curfew was darn early then! Next day, you guessed it, same plan. Day after day. It was our quest! We are here because the search for food and safety was relentless. Brought us to every corner of Mother Earth. Oh, we walked first, later sailed and so much later flew in the skies.

Next month we look at what happens when we eat. I ask each of you to see how your day compares to what was described above. Do you eat in the early morning, relax, move for 3-4 hours, and eat a small meal again? Just think about how closely you can get to how we were designed to live. Until next month, choose wisely and chew all our food well my friends.

The Great Eggnog Explosion

At an office Christmas party, one enthusiastic employee decided to make homemade eggnog to impress everyone. He brought in a giant glass punch bowl filled to the brim, complete with nutmeg sprinkles and cinnamon sticks. It looked amazing.

But what he didn't realize was that the bowl was sitting directly under the heat vent.

As the party went on, the eggnog slowly warmed up... and fermented. By the time people started ladling it into cups, it had developed a surprisingly fizzy texture. One brave soul took a sip and immediately spat it out, yelling, "It's ALIVE!"

Moments later, the bowl cracked from the heat, sending a tidal wave of eggnog across the table, soaking cookies, gifts, and one unfortunate intern's laptop. The smell lingered for days, and the punch bowl was never seen again.

The moral? Never mix dairy, heat, and ambition.

The Cat vs. The Christmas Tree

One family had a beautiful, towering Christmas tree decorated with delicate glass ornaments, shimmering tinsel, and twinkling lights. It was their pride and joy—until their cat, Mittens, decided it was her personal jungle gym.

On the first night, they heard a crash and found Mittens halfway up the tree, dangling from a branch like a furry ornament. She had knocked off several baubles and was batting at the star like it owed her money.

They tried everything: citrus spray, aluminum foil around the base, even a motion-activated air puffer. Nothing worked. Every night, Mittens launched a stealth attack. One morning, they woke up to find the entire tree tipped over, ornaments scattered like confetti, and Mittens sitting triumphantly on top of the fallen pine like she'd conquered Everest.

From then on, they decorated only the top half of the tree and left the bottom bare—except for a sign that read: "Mittens' Zone – Enter at Your Own Risk."
